Faces of Asia Vishakha N. Desai, Museum of Fine Arts, Boston, Denise Patry Leidy, 1989 **Pictures and Visuality in Early Modern China** Craig Clunas, 2006-03-01 Pictures and Visuality in Early Modern China is not simply a survey of sixteenth century images but rather a thorough and thoughtful examination of visual culture in China's Ming Dynasty one that considers images wherever they appeared not only paintings but also illustrated books maps ceramic bowls lacquered boxes painted fans and even clothing and tomb pictures Clunas's theory of visuality incorporates not only the image and the object upon which it is placed but also the culture which produced and purchased it Economic changes in sixteenth century China the rapid expansion of trade routes and a growing class of consumers are thus intricately bound up with the evolution of the image itself Pictures and Visuality in Early Modern China will be a touchstone for students of Chinese history art and culture

Body and Face in Chinese Visual Culture Hung Wu,Katherine R. Tsang,2020-03-17 Traditionally the Chinese body was approached as a totality and explained by sweeping comparisons of the differences that distinguished Chinese examples from their Western counterparts Recently scholars have argued that we must look at particular examples of Chinese images of the body and explore their intrinsic conceptual complexity and historical specificity The twelve contributors to this volume adopt a middle position They agree that Chinese images are conditioned by indigenous traditions and dynamics of social interaction but they seek to explain a general Chinese body and face by charting multiple specific bodies and faces All of the chapters are historical case studies and investigate particular images such as Han dynasty tomb figurines Buddhist texts and illustrations pictures of deprivation illness deformity and ghosts clothing formal portraiture and modern photographs and films From the diversity of art forms and historical periods studied there emerges a more complex picture of ways that the visual culture of the body and face in China has served to depict the living memorialize the dead and present the
