Are you ready to look deep? Are you ready to be transformed? Do you want to search yourself and find your love within? Are you willing to become your authentic self? Each day we make choices in life. We make choices to hold on to pain or cherish the good things along the way. We all have a journey in this life depending on how we accept or reject, receive or refuse, act or react to things that happen to us. This book is an opportunity to help you start or continue your journey of exploration of self-examination and become transparent. By becoming transparent, you will release fears, disappointment, and man-made boundaries and step toward freedom of mind and spirit. Three Faces of Love Émile Zola, 1968.
