Faces of Poverty, Faces of Christ John F. Kavanaugh, Mev Puleo, 1991-01 *Faces of Jesus* Jose Miguez Bonino, 2002-11-20 **Faces of Jesus in Africa** Robert J. Schreiter, 2015-03-24 The Christ of the Apocalypse: Contemplating the Faces of Jesus in the Book of Revelation Msgr. A. Robert Nusca, 2018-06-30 That the Apocalypse of John is a Revelation of Jesus Christ Rev 1 1 is a fact too often overlooked by interpreters of this last book of the Bible As Msgr A Robert Nusca s The Christ of the Apocalypse Contemplating the Faces of Jesus in the Book of Revelation proposes beyond predictions of earthquakes and falling stars St John articulates from start to finish a multifaceted and compelling portrait of Jesus Christ Nusca offers an exegetical reading of selected verses of the Book of Revelation incorporating rich spiritual and pastoral reflections The Christ of the Apocalypse above all affirms that St John s God and Christ centered symbolic universe offers our contemporary world a spiritual place to stand amid the shifting sands of postmodernity As Cardinal Thomas Collins Archbishop of Toronto writes in his Foreword Now as in the first century Christians face martyrdom and those who are not called to die for Christ are called to live for Christ in a world which in many ways rejects the Gospel More than ever we need the apocalyptic vision to have our own vision of reality clarified and to be strengthened in our evangelical witness *The Face of the King; Or, Seeing Jesus, Man's Greatest Pleasure, Etc* James Hiles Hitchens, 1867 **The Face of the King; Or, Seeing Jesus, Man's Greatest Pleasure and Grandest Occupation** J. Hiles Hitchens, 1867 *The Many Faces of Jesus Christ* Küster, Volker, 2023-06-01 Updated version of an Orbis classic *The Face of Christ* Dr. H.S. Ryu, Table of Contents Christ and His Church is going to govern God s universe through all eternity God is going to recover and restore Overcomers will govern the universe throughout eternity Jesus Christ is the Ruler of the kings of the earth All things were created in Christ through Christ for Christ Why was Jesus born to die The grace of God leads all the way through With Christ character is power Jesus is the Son of Man The heavenly mind and nature of Christ The Character of Jesus Christ leads to the Throne The story of Jesus Only perfect goodness is good enough for God May we grow and take over the place of Satan the ruler of this world and rule with Christ The Church is here to show the character of Christ Christ insists on maintaining our first love for Christ Seeing Christ is a profound experience May we recover our first love for Christ **The Face of Christ** William Wellesley Weeks, 1927 **Saving Face** Aimee Byrd, 2025-04-08 May the Lord make His face shine upon you and be gracious to you We have received the blessing countless times but what does it mean for the Lord to shine his face upon us in a time when many Christians are disillusioned with their faith wrestling to reframe their relationship with God and with the church But another inner struggle often lurks unacknowledged unfronted the struggle to rediscover one s own identity and relearn one s own story Aimee Byrd finds this experience best described in the metaphor of finding one s face Through this beautiful meditation Byrd shows how the church has been defaced by its own spiritual abuses by its loss of imagination and wonder by empty words without actions The author of Recovering from Biblical Manhood and Womanhood has often asked

hard questions of the church In *Saving Face* she develops her reflections still further daring to wonder what if the crises in the church today are not because we don't have the right doctrine but because we have lost sight of something much deeper What if we are spending all our time pointing fingers at those we consider wrong when we should be looking in a mirror instead What if God has something to reveal to us there Perhaps we should be seeking the presence of Christ in our own reflections just as we look for him in the faces of the others Creatively weaving together stories memories journal entries and Scripture meditations on the divine face Aimee invites the church to seek the face of Christ by recovering the values of beauty contemplation and deep relationship

Visions and Faces of the Tragic Paul M. Blowers, 2020-06-11 Despite the pervasive early Christian repudiation of pagan theatrical art especially prior to Constantine this monograph demonstrates the increasing attention of late ancient Christian authors to the genre of tragedy as a basis to explore the complexities of human finitude suffering and mortality in relation to the wisdom justice and providence of God The book argues that various Christian writers particularly in the post Constantinian era were keenly devoted to the mimesis or imaginative representation of the tragic dimension of creaturely existence more than with simply mimicking the poetics of the classical Greek and Roman tragedians It analyses a whole array of hermeneutical literary and rhetorical manifestations of tragical mimesis in early Christian writing which capitalizing on the elements of tragedy already perceptible in biblical revelation aspired to deepen and edify Christian engagement with multiform evil and with the extreme vicissitudes of historical existence Early Christian tragical mimetics included not only interpreting and often amplifying the Bible's own tragedies for contemporary audiences but also developing models of the Christian self as a tragic self revamping the Christian moral conscience as a tragical conscience and cultivating a distinctively Christian tragical pathos The study culminates in an extended consideration of the theological intelligence and accountability of tragical vision and tragical mimesis in early Christian literary culture and the unique role of the theological virtue of hope in its repertoire of tragical emotions
