Facing Change Joseph S. Zaccaria, 1984 *Leading Change in the Congregation* Gilbert R. Rendle, 2007-12-01 Many books have been written about leadership and change but until now none has focused on the kind of change that tears at a community's very fabric. Alban senior consultant Gil Rendle provides a respectful context for understanding change especially the experiences and resistances that people feel. Rendle pulls together theory, research and his work with churches facing change to provide leaders with practical diagnostic models and tools. In a time when change is the norm, this book helps to lead change in a spiritual and healthy way.

Pursuing the Full Kingdom Potential of Your Congregation George W. Bullard, 2009-08-01 Full Kingdom potential says George Bullard is a journey, not a destination. To reach your full Kingdom potential, its pursuit must be your enduring passion and desire. Drawing on his more than four decades of experience in congregational leadership, Bullard offers not just another process for congregational redevelopment. He learns from the past to take congregations on a spiritual journey that is open-ended, custom-made and locally owned. His focus is on capacity building in each congregation, calling for a narrative approach to futuring in the life of congregations that responds to new things God is seeking to do in and through members of the congregation. From the TCP Leadership Series.
