Facing The Gods:

Facing the Gods Verity Jane Platt, 2011-07-28 This book explores divine manifestations and their representations not only in art but also in literature histories and inscriptions The cultural analysis of epiphany is set within a historical framework that examines its development from the archaic period through the Hellenistic world and into the Roman Empire Facing the Gods James Hillman, 1988

Facing the Gods Verity Platt, 2016-08-04 This is the first history of epiphany as both a phenomenon and as a cultural discourse within the Graeco Roman world exploring divine manifestations and their representations in visual terms as well as in literary historical and epigraphic accounts Verity Platt sets the cultural analysis of epiphany within a historical framework that explores its development from the archaic period into the Roman empire In particular a surprisingly large number of the images that have survived from antiquity are not only religious but epiphanically charged Verity Platt argues that the enduring potential for divine incursions into mortal experience provides a structure of cognitive reliability that supports both ancient religion and mythology At the same time Graeco Roman culture exhibits a sophisticated awareness of the difficulties of the apprehension of deity the representation of divine presence and the potential for the manmade sign to lead the worshipper back to an unmediated epiphanic encounter Find Your True Self Through Your Fantasies and Dreams Olavi Moilanen, 2009

Deuteronomy Ajith Fernando, 2012-05-31 The book of Deuteronomy is a call to obedience the proper response to God's faithfulness and love Consisting primarily of speeches that Moses gave to the Israelites shortly before they entered the Promised Land Moses words proclaimed God's covenant faithfulness in hopes of motivating the Israelites to obey God despite the coming temptation to conform to the Canaanite culture The challenges they faced then are remarkably parallel to those facing Christians today as we grapple with the issue of obedience in a world that offers other attractive ways of life We wonder How can we be faithful to God And how do we help our children and the people we lead to be faithful This book tells us how Moses tackled these challenges and as Paul confirms in the New Testament Deuteronomy serves as an example written down for our instruction 1 Cor 10:11 Ajith Fernando unpacks the relevance of Deuteronomy and captivates us with rich anecdotes from his thirty five years of ministry to first generation Christians in Sri Lanka He offers concrete examples of

how the truths contained in Deuteronomy can be applied and he teaches us that obedience is the necessary response to the God who loves and saves us Part of the Preaching the Word series *Persevere with Power* Samuel Rodriguez, 2021-10-05
