personal and political loyalties The contributors argue for the significance of heretofore neglected or marginalized texts of Dick as well including in their discussions many early short stories from the early 1950s and neglected novels of the mid 1960s arguing that there is a need to understand how Dick shaped or misshaped his fictions so as to reimagine the life of his society **Esther Forbes** Jack Bales, 1998 An annotated bibliography of criticism divided into general criticism and criticism of Forbes as a children s writer Transatlantic Encounters Udo J.
