*Society (Jehovah's Witnesses)* Edmond C. Gruss, 2003      **A Just Society** Michael Boylan, 2004-07-13 A Just Society represents a complete account of Boylan's original worldview theory of ethics and social philosophy. The author sets out the foundation and application of the personal worldview imperative for ethics and the shared community worldview imperative for social philosophy. These form the structure for a rights-based deontological theory that is holistic and underscored by an understanding of the good will that incorporates novel depictions of the sincere and authentic agent who displays sympathy, care, openness, and love. In the end, A Just Society strikes a balance between extreme liberalism, libertarianism, and those advocating the rule of the general will, utilitarianism. As such, the book makes an important contribution to ethical and political theory as well as grounding an original approach to public philosophy.

[A Catholic Response to the Jehovah's Witnesses](#) Jennifer Moorcroft, 2014-07-16 A Catholic Response to the Jehovah's Witnesses is a departure from the author's usual subject of books and articles on aspects of Catholic spirituality. Having met with many Witnesses over the years, she was prompted to write the book as a response to them. It also addresses the concern many Catholics have as to how to engage with Witnesses and how they might evaluate their teachings. It is written in an informal style to introduce readers to the various aspects of the doctrines of the Jehovah's Witnesses and how a Catholic might respond to them from their own tradition and the theology of the Catholic Church.
