collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing or if necessary rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers. Generally Trieste books are purchased singly on demand; however, they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

**The Evangelical Dictionary of World Religions** H. Wayne House, 2019-02-19

With all of the different religions, sects, denominations and belief systems out there, it can be difficult to separate the facts from mere opinion, especially if one is relying solely on online sources which may or may not be vetted and which often have an ideological or political slant to them. How can we truly understand if we cannot even be sure we are getting the facts straight? In this comprehensive resource, more than 75 evangelical scholars offer a thoroughly researched guide to Christianity, other world religions and alternative religious views, including entries on movements, theological terms and major historical figures. Perfect for pastors, students and anyone who wants ready access to information on today's religious landscape.

*The Mormon Illusion* Floyd C. McElveen, 1985. Revised and expanded edition. This classic work on Mormonism has more than 135,000 copies in print.

**Mormons** John R. Farkas, David A. Reed, 1997-04-01. Provides the basic tools Christians need to understand the non-Christian teachings of Mormonism and the information they need for witnessing to them.

What Every Mormon (and Non-Mormon) Should Know Edmond C. Gruss, Lane A. Thuet, 2006.

*Modern Polygamy and Mormon Fundamentalism* Brian C. Hales, 2006-01-01. 2007 Best Book Award, John Whitmer Historical Association. Under the subject of alternative lifestyles, the issue of polygamous relationships falls squarely in the middle of the debate. Polygamous marriages are a common practice in many other countries, but the United States has vehemently opposed such unions and will no doubt find itself disputing its position on them again in the near future. As with the same-sex marriage issue, a firestorm of controversy surrounds the question, since the right to participate in a polygamous union is very much tied to the right to live out one's preferences, religious or not. Detailed accounts of sexual abuse and child brides are frequently leaked from the various polygamous societies, notwithstanding their extreme efforts to remain under the radar of law enforcement and the press. A by-product of these mysterious societies is that public interest is vitalized by their continuous efforts to gain independence from traditionalist culture. This fascinating study seeks to trace the historical tapestry that is

early Mormon polygamy details the official discontinuation of the practice by the Church and for the first time describes the many zeal driven organizations that arose in the wake of that decision Among the polygamous groups discussed are the LeBaronites whose blood atonement killings sent fear throughout Mormon communities in the late seventies and the eighties the FLDS Church which made news recently over its construction of a compound and temple in Texas and Warren Jeffs arrest and conviction and the Allred and Kingston groups two major factions with substantial membership statistics both in and out of the United States All these fascinating histories along with those of the smaller independent groups are examined and explained in a way that all can appreciate

**Mormon Crises** James A Beverley,2013-03-12 Mitt Romney s run for President of the United States and the recent success of the Broadway play Book of Mormon has created enormous interest in the Church of Jesus Christ of Latter day Saints In spite of enormous media focus during this so called Mormon Moment coverage has been often shallow and misleading even from the LDS Church Few reporters dug deep enough to deal with the evidence that the Mormon Church is in a deep crisis not only because of members leaving but because of increasing proof of lies fraud false teaching and criminality at the start of Mormonism In Mormon Crisis Jim Beverley deals with major issues about Joseph Smith the first LDS prophet He provides a sustained critique of Mormon Scripture examines flaws in the LDS understanding of Church leadership and probes unique doctrines and practices including the secret temple ceremonies The book offers a serious indictment of the LDS belief system but also presents a way out of the current crisis facing one of America s most famous and controversial religions

**Mormonism For Dummies** Jana Riess,Christopher Kimball Bigelow,2005-02-25 Get the facts on temples tithing missions and caffeine Mormon doctrines rituals and history demystified at last Mormonism or the LDS Church is one of the world s fastest growing religions But unless you were raised a Mormon you probably don t have a clear picture of LDS beliefs and practices Covering everything from Joseph Smith and the Book of Mormon to tithing and family home evening this friendly guide will get you up to speed in no time Discover How the LDS Church differs from other Christian churches What Mormons believe What happens in Mormon temples and meetinghouses The history of the LDS Church LDS debates on race women and polygamy

**Herald and Presbyter** ,1900 [Singing and Dancing to The Book of Mormon](#) Marc Edward Shaw,Holly Welker,2016-04-27 One of the most successful shows in Broadway history The Book of Mormon broke box office records when it debuted in 2011 and received nine Tony awards including Best Musical A collaboration between Trey Parker and Matt Stone creators of the show South Park and Robert Lopez Avenue Q the show was a critical success cited for both its religious irreverence and sendup of musical traditions In Singing and Dancing to The Book of Mormon Critical Essays on the Broadway Musical Marc Edward Shaw and Holly Welker have assembled a collection that examines this cultural phenomenon from a variety of perspectives Contributors to this volume address such questions as What made the musical such a remarkable success In what ways does the show utilize established musical theatre traditions and comic tropes but still create something new What religious and cultural buttons does the work push What artistic and

social boundaries and the transgressions thereof give the work its edge Another focus in this volume is the official and unofficial Mormon reactions to the musical Because the coeditors and several of the contributors have ties to the Mormon community they offer unique perspectives on the musical's finer points about Mormon doctrine Beyond the obvious appeal to theatre devotees *Singing and Dancing to The Book of Mormon* will be of interest to scholars of religion sociology theatre and popular culture
