Dance Marathons Carol J. Martin, 1994-01-01 This penetrating analysis of one of the most extraordinary fads ever to strike America details how dance marathons manifested a potent form of drama Between the two world wars they were a phenomenon in which working class people engaged in emblematic struggles for survival Battling to outlast other contestants the dancers hoped to become notable There was crippling exhaustion and anguish among the contenders but ultimately it was the coupling of authentic pain with staged displays that made dance marathons a national craze Within the well controlled space of theatre they revealed actual life s unpredictability and inconsistencies and indeed the frightful aspects of social Darwinism In this grotesque theatrical setting we see also a horrifying metaphor the ailing nation grappling with difficult times

empire through the innovation of such popular publications as True Story the first confession magazine True Detective and many others *God Bless America* Kathleen E.R. Smith, 2021-10-21 After Pearl Harbor Tin Pan Alley songwriters rushed to write the Great American War Song an Over There for World War II The most popular songs however continued to be romantic ballads escapist tunes or novelty songs To remedy the situation the federal government created the National Wartime Music Committee an advisory group of the Office of War Information OWI which outlined proper war songs along with tips on how and what to write The music business also formed its own Music War Committee to promote war songs Neither group succeeded The OWI hoped that Tin Pan Alley could be converted from manufacturing love songs to manufacturing war songs just as automobile plants had retooled to assemble planes and tanks But the OWI failed to comprehend the large extent by which the war effort would be defined by advertisers and merchandisers Selling merchandise was the first priority of Tin Pan Alley and the OWI never swayed them from this course Kathleen E R Smith concludes the government s fears of faltering morale did not materialize Americans did not need such war songs as Goodbye Mama I m Off To Yokohama There Are No Wings On a Foxhole or even The Sun Will Soon Be Setting On The Land Of The Rising Sun to convince them to support the war The crusade for a proper war song was misguided from the beginning and the music business then and now continues to make huge profits selling love not war songs
