

Faerie Crystal Spell

Faeries do not make wishes magically come true, but they will listen to your wishes and then show you how to make them happen.

One way to present a wish to a Faerie is to take a quartz crystal and an offering to a place that you suspect Faeries are present. It could be a garden, park, forest, a mushroom faerie ring or an outdoor Faerie Altar. Faeries are especially fond of honey, milk, clear water set out for drinking, bread, cheese, mead, glitter, jewels, flowers, or anything shiny and pretty.

On a night when the Moon is Full, go to your Faerie place. Sit comfortably and tell the Faeries what you wish for. Take your time and be sure to visualize your desire strongly, see it as already accomplished. When you are finished, place the crystal where you can find it again because you will leave it overnight. Thank the Faeries, give them your offering and leave.

When you return the next morning the Faeries will have programmed the crystal to help you make your wishes come true. Be sure to thank them again and leave another offering - you must never take from the Fey without giving something in return.

To use your Faerie Crystal, hold it in your hands while meditating on your desires, or place it on your Altar between two white candles, write your wishes on parchment and place it under the crystal.
