desires of his strange employer Bea is struggling for survival Their trials lay bare a profound meditation on faith love tested beyond endurance and our responsibility to those closest to us Marked by the same bravura storytelling and precise language that made *The Crimson Petal and the White* such an international success *The Book of Strange New Things* is extraordinary mesmerizing and replete with emotional complexity and genuine pathos *Vanilla Bright Like Eminem* Michel Faber,2005 The bestselling author of *The Crimson Petal and the White* presents this collection of 16 stories that move from unspeakable sadness to moments of exquisitely distilled happiness
