Fair Gods And Feathered Serpents A Search For Ancient Americas Bearded White God:

Fair Gods and Feathered Serpents Terry J. O'Brien, 1997-07 Everywhere they went in the New World missionaries trappers colonizers and conquistadores encountered strange stories of bearded white visitor who came in ancient times long before Columbus and brought a higher civilization with him So remarkable was this visitor and his advanced civilization that natives built huge monuments and great structures in his honor and many worshiped him as a God His symbol the feathered serpent appeared in ceremonies paintings carvings and architecture which can still be seen at various site throughout the Americas Carefully researched and documented but written for the layman as well as the scholar this exciting book will lead readers along the fascinating path of discovery insight and deduction as it attempts to solve the most baffling riddle ever produced by the ancient Americas the identity of its mysterious bearded white visitor Indigenous and Black Confraternities in Colonial Latin America Javiera Jaque Hidalgo, Miguel Valerio, 2025-10-01 Employing a transregional and interdisciplinary approach this volume explores indigenous and black confraternities or lay Catholic brotherhoods founded in colonial Spanish America and Brazil between the sixteenth and eighteenth century It presents a varied group of cases of religious confraternities founded by subaltern subjects both in rural and urban spaces of colonial Latin America to understand the dynamics and relations between the peripheral and central areas of colonial society underlying the ways in which colonized subjects navigated the colonial domain with forms of social organization and cultural and religious practices The book analyzes indigenous and black confraternal cultural practices as forms of negotiation and resistance shaped by local devotional identities that also transgressed imperial religious and racial hierarchies The analysis of these practices explores the intersections between ethnic identity and ritual devotion as well as how the establishment of black and indigenous religious confraternities carried the potential to subvert colonial discourse **Accidental Gods** Anna Della Subin, 2021-12-07 NAMED A BEST BOOK OF THE YEAR BY ESQUIRE THE IRISH TIMES AND THE TIMES LITERARY SUPPLEMENT SHORTLISTED FOR THE PEN HESSELL TILTMAN PRIZE A provocative history of men who were worshipped as gods that illuminates the connection between power and religion and the role of divinity in a secular age Ever since 1492 when Christopher Columbus made landfall in the New World and was hailed as a heavenly being the accidental god has haunted the modern age From Haile Selassie acclaimed as the Living God in Jamaica to Britain's Prince Philip who became the unlikely center of a new religion on a South Pacific island men made divine always men have appeared on every continent And because these deifications always emerge at moments of turbulence civil wars imperial conquest revolutions they have much to teach us In a revelatory history spanning five centuries a cast of surprising deities helps to shed light on the thorny questions of how our modern concept of religion was invented why religion and politics are perpetually entangled in our supposedly secular age and how the power to call someone divine has been used and abused by both oppressors and the oppressed From nationalist uprisings in India to Nigerian spirit possession cults Anna Della Subin explores how deification

has been a means of defiance for colonized peoples Conversely we see how Columbus Cortés and other white explorers amplified stories of their godhood to justify their dominion over native peoples setting into motion the currents of racism and exclusion that have plagued the New World ever since they touched its shores At once deeply learned and delightfully antic Accidental Gods offers an unusual keyhole through which to observe the creation of our modern world It is that rare thing a lyrical entertaining work of ideas one that marks the debut of a remarkable literary career **Space, Place, and Motion:**
