The Fair Fair Ladies of Chartres Street Christopher Stanislas Blake,1965-01-01 [The Fair Fair Ladies of Chartres Street](#) Christopher Blake,1974 [The New Orleans of Fiction](#) James A. Kaser,2014-07-29 The importance of New Orleans in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians While databases of bibliographical information on New Orleans centered fiction are available they are of little use to scholars researching works written before the 1980s In [The New Orleans of Fiction A Research Guide](#) James A Kaser provides detailed synopses for more than 500 works of fiction significantly set in New Orleans and published between 1836 and 1980 The synopses include plot summaries names of major characters and an indication of physical settings An appendix provides bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included **Unveiling the Muse** Howard Philips Smith,2017-12-18 Traditional Carnival has been well documented with a vast array of books published on the subject However few of them if any mention gay Carnival krewes or the role of gay Carnival within the larger context of the season Howard Philips Smith corrects this oversight with a beautiful vibrant and exciting account of gay Carnival Gay krewes were first formed in the late 1950s growing out of costume parties held by members of the gay community Their tableau balls were often held in clandestine locations to avoid harassment Even by the new millennium gay Carnival remained a hidden and almost lost history Much of the history and the krewes themselves were devastated by the AIDS crisis Whether facing police raids in the 1960s or AIDS in the 1980s the Carnival krewes always came back each season A culmination of two decades of research [Unveiling the Muse](#) positions this incredible story within its proper place as an amazing and important facet of traditional Carnival Based on years of detailed interviews each of the major gay krewes is represented by an in depth historical sketch outlining the founders moments of brilliance on stage and a list of all the balls themes and royalty Of critical importance to this history are the colorful ephemera associated with the gay tableau balls Reproductions of never before published brilliantly designed invitations large scale commemorative posters admit cards and programs add dimension and life to this history Sketches of elaborate stage sets and costumes as well as photographs of ball costumes and rare memorabilia further enhance descriptions of these tableau balls [Being Dead Is No Excuse](#) Gayden Metcalfe,Charlotte Hays,2024-09-24 A lifelong Southerner exposes the culinary and cultural last rites of the deep South as sidesplitting as it is politically incorrect Publishers Weekly starred review A hilarious guide to the intricate rituals customs and etiquette

surrounding death in the South and a practical collection of recipes for the final send off As author and southerner Gayden Metcalfe assert that people in the Delta have a strong sense of community and being dead is no impediment to belonging to it Down south they don't forget you when you've up and died they may even like you better and visit you more often But just as there is an appropriate way to live your life in the South there is a tasteful way of departing it The funeral is the final social event of your existence so it must be handled flawlessly Gayden Metcalfe native of Greenville MS is steeped in the stories and traditions of this rich region She reminisces about the prominent family that drank too much and got the munchies the night before the big event and left not a crumb for the funeral Then there was the lady who allocated money to have Home on the Range sung at the service and the family that insisted on a portrait of their mother in her casket Each chapter ends with an authentic southern recipe that will come in handy if you plan to die tastefully including Boiled Bourbon Custard Aunt Hebe's Coconut Cake Pickled Shrimp Homemade Mayonnaise and Homemade Rolls Sure to have Southern hostesses nodding their perfectly coiffed heads in unison USA Today If you want a good laugh pick up a copy Washington Post
