Fair Field And No Favour The Ashes 2005:

Mystery Spinner Gideon Haigh, 2018-01-02 An unconventional journey brilliantly documented Courier Mail So you want to know something about this funny old bowling of mine Well there s nothing to it It s really very simple in fact at times I do not know much about it myself In 1950 aged in his mid thirties tall shy shambling Jack Iverson burst forth from obscurity in suburban Melbourne bowled like no man before and became a national sensation then faded from view almost as swiftly He died in obscurity in tragic circumstances In the enthralling *Mystery Spinner* first published in 1999 one of the world s best cricket writers goes in search of an enigma an ordinary man in whom lurked the extraordinary Gideon Haigh has been a journalist for three decades writing mainly about sport and business He is the author of more than thirty books among them the award winning *On Warne* *Certain Admissions* and *Stroke of Genius* He lives in Melbourne One of the best cricket biographies I have ever read *Wisden Cricket Monthly* Even if you don t care for the game you might enjoy it Not your standard sporting biography *Guardian* A delight a gripping no pun intended read and an object lesson to anyone tempted to try their hand at biography *ESPN cricinfo* *Magnificent Roar* [Ashes to Ashes](#) Gideon Haigh, 2014-03-13 For the first time since the mid 1970s England and Australia faced each other home and away in back to back series in the summer and winter of 2013 Under prolific captain Alastair Cook England went into the Ashes on the back of three unbeaten series including a first win in India for more than 25 years By contrast Michael Clarke s Australia arrived in England with an inexperienced side changing their coach just weeks before the Ashes started No wonder England started as strong favourites And so it proved as England won the home series by a 3 0 margin their biggest Ashes win since the 1970s But there were signs of an Australian revival in their defeat and when England arrived Down Under they found an entire nation ready to make things different as the underdogs fought back Suddenly Australia were the better side in every aspect of the game and they won back the Ashes after three consecutive crushing victories Watching on as events unfolded was award winning cricket writer Gideon Haigh With great insight and skill he reveals the key moments of both series analysing the personalities of the players and how they coped with the most pressurised and high profile cricketing contest of them all the Ashes No other book on the subject comes close to this one in getting to the heart of the matter **Certain Admissions: A Beach, a Body and a Lifetime of Secrets** Gideon Haigh, 2015-06-24 *Certain Admissions* is Australian true crime at its best and stranger than any crime fiction It is real life police procedural courtroom drama family saga investigative journalism social history archival treasure hunt a meditation too on how the past shapes the present and the present the past On a warm evening in December 1949 two young people met by chance under the clocks at Flinders Street railway station They decided to have a night on the town The next morning one of them twenty year old typist Beth Williams was found dead on Albert Park Beach When police arrested the other Australia was transfixed twenty four year old John Bryan Kerr was a son of the establishment a suave and handsome commercial radio star educated at Scotch College and Harold Holt s next door neighbour in Toorak Police said he had

confessed Kerr denied it steadfastly There were three dramatic trials attended by enormous crowds a relentless public campaign proclaiming his innocence involving the first editorials against capital punishment in Australia For more than a decade Kerr was a Pentridge celebrity a poster boy for rehabilitation a fame that burdened him the rest of his life Then shortly after his death another man confessed to having murdered Williams But could he be believed A work of true detection that not only compels belief in its every detail but has the breathtaking suspense of that very weird and rare form of crime writing that has the truth of a work of art Weekend Australian Haigh's work is a mesmerising detective story itself it finds a new twist in the archives The Saturday Paper A beautifully written tirelessly researched and ultimately very compelling and true story Fascinating and tragic Herald Sun The trial of John Bryan Kerr was the first murder trial that I read about in detail as a boy of eleven I longed even then to know the whole story Gideon Haigh's book has made the wait worthwhile Gerald Murnane In carefully and curiously lifting from the shadow the story of a lost girl and a troubled man Haigh explores a writer's true territory the space between what is and what might be Sonya Hartnett Gideon Haigh understands the real tragedy of murder it is never really solved P M Newton Shelf Life Gideon Haigh,2021-12-01 Few journalists exemplify the creed without fear or favour like Gideon Haigh Shelf Life selects from twenty one years of writing on myriad subjects by one of our clearest thinkers sharpest stylists and most curious journalists Architecture and airline food Depression and doodling Goya and Grossman Weegee and Wire When not wiring about cricket Gideon Haigh has enjoyed taking journalism on unexpected journeys where curiosity calls into the past and future as well as the present Edited by Russell Jackson Shelf Life samples his work from the last two decades essays reportage reviews crisp analyses deep dives into history of no camp and independent of the news cycle from his shelves to yours *Wisden Dictionary of Cricket* Michael Rundell,2009-01-01 Do you know the difference between a chinaman and a doosra where to find cow corner the V and the corridor of uncertainty what Nelson Merlyn and Michelle have to do with cricket how to get a ball to reverse swing or how the Duckworth Lewis method works the origin of yorker googly and third man The Wisden Dictionary of Cricket is the definitive guide to the noble game This fully updated third edition is not only an A Z guide to all things cricket it also includes illustrations showing positions and strategy and quotations from cricket literature worldwide from 18th century match reports right up to the Darrell Hair affair It will appeal to anyone with an interest in the game from the seasoned aficionado to the youngest new recruit If you've ever wondered why a batsman can expect a jaffa on a bunsen or how to go aerial when you're on a shirtfront this is the book for you *A Fair Field and No Favour* Gideon Haigh,2005 No Marketing Blurb **The Law and the Dead** Heather Conway,2016-04-14 The fate of the dead is a compelling and emotive subject which also raises increasingly complex legal questions This book focuses on the substantive laws around disposal of the recently deceased and associated issues around their post mortem fate It looks primarily at the laws in England and Wales but also offers a comparative approach drawing heavily on material from other common law jurisdictions including Australia New Zealand Canada and the United States The

book provides an in depth contextual and comparative analysis of the substantive laws and policy issues around corpse disposal exhumation and the posthumous treatment of the dead including commemoration Topics covered include the legal frameworks around burial cremation and other disposal methods the hierarchy of persons who have a legal duty to dispose of the dead and who are entitled to possession of the deceased s remains offences against the dead family burial disputes and the legal status of burial instructions the posthumous use of donated bodily material and the rules around disinterment and creating an appropriate memorial A key theme of the book will be to look at the manner in which conflicts involving the dead are becoming increasingly common in secular multi cultural societies where the traditional nuclear family model is no longer the norm and how such legal contests are resolved by courts As the first comprehensive survey of the laws in this area for decades this book will be of use to academics lawyers and judges adjudicating on issues around the fate of the dead as well as the death industry and funeral service providers

The Farmers' Advocate and Home Magazine ,1909 CRICKET IN CYBERSPACE DAVID ONGLEY,2023-11-08 Cricket in Cyberspace covers the years 2002 to 2009 using selected works from the dongles org blog The author pen name Dongles is Australian but this book is not by any means restricted to Australian cricket The blog covered on field events but was far more than that It explores major changes such as IPL as well as controversy scandal deaths retirements and the significant players of the era The blog was written for the love or cricket not for payment The author was beholden to any publisher or employer and was free to write freely as he saw it The book combines humour with fresh and insightful interpretations of cricket in the 2000s The book features 25 original illustrations to enrich the humour and meaning of the posts
