Fairway Challenge:

Fairway Challenge Jackson Volney Scholz, 1964 *Golf among the Vegetables and the Seven-Club Challenge* John B. Nanninga, 2024-01-15 In golf competition foursomes are often played at a high level an example is the Ryder Cup competition between American and British European professionals But foursomes can also be played at a different level of competition In this story set in the 1950s a wealthy publisher in England sponsors a tournament in which teams composed of professionals and sportswriters compete on a links course that was once a vegetable farm The publisher believes that pairing a sportswriter and professional as a team will improve the quality of the reporting about a tournament which the sportswriter is covering There is a cash prize for the professional on the winning team which encourages a golf professional to compete in a tournament he might otherwise avoid An outstanding young lady amateur golfer also enters the tournament playing as a professional in an era in which it was highly unusual for a woman to compete with the men The team of an American sportswriter and the young lady prove to be a formidable pair and they advance to the finals Find out who wins in *Golf among the Vegetables and the Seven Club Challenge* **Affordable Housing, Challenge and Response** , 1987 *Cherish the Challenge* Tom O'Connell, 2023-06-12 2 The book recounts the recollections of the author s experiences and positive perceptions of his thoughts as he worked his way through life He had a stroke at age nine which took away the use of his right side and his articulation While most people would consider this a bad break he looked at the occurrence as a part of life accepted by him with peace and tranquility The author has always looked forward to the next day and all the expectations it holds The challenges presented by the stroke and other changes in his path have enhanced his life not lessened it He considers himself a fortunate person for all that has come his way The stories are humorous Most of them are told from a little boy s perspective and the amusing adventures one finds himself in when he has one functional side He hopes that his writings will help people by giving them a different way of looking at life Keep trying and good times are sure to come
