M. Davis,2020-05-01 The author has been transparent in sharing the life struggles failures and successes The successes are lessons learned by prayer and faith Through life s ups and downs she has learned that there is much power in prayer and faith they work together like identical twins each with their own place of power But when they work together the power is unsurpassable There will be struggles in each of our lives but it is the author s prayer that you take away these five truths 1 there is no failure in God s love even when we fail 2 God uses every struggle and failure as a learning opportunity 3 through every doubt weakness struggle and even failure our divine assignment is to use our experience and knowledge to teach and encourage others about God s faithfulness 4 God loves to pick up dust off clean up train and make mighty men and women of God out of those who have failed 5 schoolteachers always teach the lesson first then give the test God gives the test first then he teaches the lesson He wants us to pray and have faith through every test and trial God knows the outcome We can be assured of the outcome if we pray and have faith that we are more than conquerors through him who loves us Romans 9 37 KJV *QUEENLINESS* Garv Dabas, **Force of Faith** Kenneth Copeland,2012-08-15 How is the human spirit reborn What is faith How does fear affect the physical body What is the force of faith Kenneth Copeland explores these questions and more in this enlightening inspiring two chapter study of faith Discover the difference between the physical laws of this world and the precepts that govern our spiritual lives **The Power of Service: The Jackpot of Your Life** Julius Ekonorue,2015-10-13 In The Power of Service is the jackpot of life The Power of Service outlines simple strategic principles for supernatural success at Will You will learn practical techniques for outstanding breakthrough and fulfillment You will learn How to Discover and fulfill your purpose How to make love work for you How to sow your financial seeds for maximum returns of over a hundred fold How to maximize returns on your service The mentality and acts of genuine servants of God How to access faith easily and live by it How to access angelic help and assistance You will discover your First Class Citizenship and how to actualize it And much more Book 6 Biblical Faith PB Kurt Jurgensmeier,2012-10-28 Faith is a vital topic in Christian theology However the concept is more complex than is assumed John Stott writes One wonders if there is any Christian quality more misunderstood than faith We demonstrate that Scripture uses faith in a variety of ways including saving faith false faith miracle faith empowering faith and visionary faith Failure to recognize this leads to serious error in both Arminianism and charismaticism Included is an extended section on visionary faith that enables us to step out in courage taking risks to pursue human plans

to fulfill God's commands. In our defense of the fact that biblical faith must rest on biblical revelation, we critique the inclusivism of John Wesley, Billy Graham, and C. S. Lewis, which claims salvation can be apart from a revelation of the Gospel. Finally, we demonstrate that the strength of our faith depends on reason and the evidences it perceives and evaluates. There is no such thing as a biblical leap of faith apart from reason.

Faith Mike Olawale, 2020-12-15. It is very significant for believers to know and believe this simple Biblical truth: Nothing works in the Kingdom of God without faith. The life of a believer revolves around faith; for without it, nothing gets accomplished. Faith is the Principal Key that unlocks the unlimited supernatural ability of God, enabling Him to change the life of an ordinary individual into a victorious life of testimonies. It is the substance that God uses to turn an individual into an unbeatable believer when it comes to handling the conflict of life. The force of faith is equivalent to the life-sustaining heartbeat of all human beings. Whenever the heart fails, the life of the individual ceases; likewise, whenever believers fail to exercise their faith, their lives become lifeless and colorless. The Bible says in Hebrews 11:32-34 that through faith, they subdued kingdoms, wrought righteousness, obtained promises; therefore, wisdom demands that each individual accept the responsibility to develop his or her own faith. So it is my earnest desire that as you engage with this book, you will intentionally commit to a lifestyle of stirring up your faith to act upon God's word. As you do it, this you commit Him to perform it. As He performs it, your faith in Him increases day by day, stature by stature, victory by victory, till you tangibly begin to subdue kingdoms like the men and women did in Hebrews 11:32-34. This is the very purpose for which Christ died to build a kingdom of kings and priests, enforcing the life and power of God's Kingdom in every sphere of human life and activity.

Under God's Construction Tamara M. Edmond, The Facts on the Faith Movement John Ankerberg, John Weldon, 2011-04-22. The growing, much-publicized Faith Movement has captured literally millions of Christians with its seductive claims. Christians are offered health, wealth, and prosperity if they say the right things and have the right frame of mind, but is it biblical? Authors answer key questions about the Movement, its leaders, and its basic teachings. What are the basic teachings of the Faith Movement? How powerful is the Faith Movement, why has it been so successful? What characteristics of the Faith Movement concern people? Do the Faith teachers misinterpret Scripture? This book carefully separates fact from fiction regarding the Faith Movement's disturbing presence in Christianity.

There has been a significant volume of scholarly work conducted recently within the accounting literature on the role of money investment and accounting within religious organizations However scant attention has been paid to modern Pentecostal understandings of money investment and accounting In this book we study the major money related doctrines of American husband and wife televangelist Faith Teachers Kenneth and Gloria Copeland We find the unique Copeland interpretation of Treasures in Heaven Matthew 6 20 to be a complete inversion of the traditional or Anglican theological interpretation While the traditional interpretation is that this verse refers to future rewards available after death the Copelands argue that it refers to rewards existing now in the heavenly places in what they refer to as the believer s heavenly bank account The Copelands also believe in a literal hundredfold return on monetary and other gifts made for the gospel s sake Mark 10 29 30 Intentional Investing Cynthia Pirl,2003-11 *Exposing Satan's Playbook* Perry Stone,2012 This book contains a fascinating blend of biblical information revelation from the author and spiritual teaching about Satan s strategies against believers It includes answers to important questions about Satan and tools readers can use to defeat his plans and purposes Firm Foundation David A.
