Faith At The Top:

Faith Void: The Greatest Destroyer of Mankind Ballah Kemah,2010-08-03 In Faith Void Ballah Kemah reveals that without faith no one can be a conqueror and a victor He also reveals that in our pursuits in life faith is what we need to carry us through the ups and downs Some call it drive but faith is the fuel that keeps a drive alive Based on his personal experience when God miraculously delivered him from several life or death situations simply based on his faith in the power of God s word the Author wrote this book He uses scriptural references from the Bible as basis for the revelations in this book Faith is not just about being religious rather it is the source of hope and confidence that one needs in order to fulfill a dream and to become victorious when faced with a situation that is too big to handle It is a good thing to have faith in oneself but it is best to have faith in God Only God knows tomorrow and with him all things are possible A life without purpose is worse than physical death but with faith you will have courage and confidence which will in turn cause you to take action toward your dreams and there by living in God s plans for your life With faith in God nothing is impossible as long as you re walking in his plans for you How do you know God s plans for you Read Jeremiah 29 11 14 Stay in faith and see the miracle working hand of God
