The Convert Orestes Augustus Brownson,1885 *A Century of Catholic Converts* Lorene Hanely Duquin,2003-04-01

These are the conversions that made history For most of the last hundred years know it all have been predicting the end of the Catholic Church and indeed all organized religion Meanwhile a steady stream of conversions has brought the best minds of recent history into the Church Why did they convert Why do countless thousands still convert every year Lorene Duquin was away from the Church for many years but she set out to answer that question when she was writing the biography of one of those converts The answers she found led her back into the Church herself In these fascinating and often inspiring stories you ll find how the historical context influences conversions how other people help the convert along the way and how Catholicism has inspired so many great minds Then you ll see how each of these converts has in turn brought something uniquely valuable into the Church **The Experience of a Converted Catholic** William A. Yingling,2025-07-07 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Confessions of a Convert Robert Hugh Benson,1915 **Classic Catholic Converts** Charles Patrick

Connor,2001-01-01 Classic Catholic Converts presents the compelling stories of over 25 well known converts to Catholicism from the 19th and 20th centuries It tells of powerful testimonials to God s grace men and women from all walks of life in Europe and America whose search for the fullness of truth led them to the Catholic Church It is the witness of brilliant intellectuals social workers scientists authors film producers clergy businessmen artists and others who under the inspiration of the Holy Spirit studied and prayed their way into the Church Fr Charles Connor writes insightful and wonderfully readable stories of a rich variety of converts who struggled greatly with many challenges as they embraced Catholicism including rejection by loved ones persecution from strangers and misunderstanding by peers But once they responded to God s call they experienced great inner peace contentment and joy Among the famous converts whose stories are told here include John Henry Newman Edith Stein Jacques Maritain Dorothy Day G K Chesterton Elizabeth Seton Karl Stern Ronald Knox and many more *Waking Up Catholic* Chad R. Torgerson,2013 Are you new to Catholicism and become a recent Catholic convert Did you grow up Catholic and return as a Catholic revert Are you interested in becoming Catholic for the first time If you want to learn more about basic Catholic beliefs *Waking Up Catholic A Guide to Catholic Beliefs for Converts Reverts and Anyone* Becoming Catholic is the book for you The depth of Catholic theology is one of its greatest beauties but understanding it can be one of its greatest challenges You have questions *Waking Up Catholic* has answers Learn about How does Catholic Tradition fit in with Scripture Why do we have a pope Do Catholics really worship Mary Why do Catholics pray to saints Is Holy Communion just a symbol of Christ What is the purpose of Confession Do repetitious Catholic prayers really work And

more Waking Up Catholic answers these questions and more from the perspective of someone who converted to Catholicism himself Waking Up Catholic may be the first Catholic book you've ever read but after you're done it won't be the last

Catholic Conversion: An Interview with Derrick Taylor Cometan, Derrick Taylor, 2022-03-24 It is unlikely that when the grandfather of Cometan Derrick Taylor sat down to participate in an interview with his good friend Judith Shean now almost thirty years ago that all those years later his grandson would have written a book analysing that very interview On 22nd February 1995 Derrick Taylor agreed to participate in an interview at his home 222 Longmeanygate to reveal his experience as a Protestant turned Catholic During the interview Derrick Taylor provided a realistic view of what his life had been like detailing loss tragedy and suffering By contrast he also detailed his predisposition for experiencing interior locutions divine communications to the ear which filled him with great elation in times of spiritual crisis This interview was titled Light a Candle for Me as based on Derrick Taylor's very first interaction with the Sacred Heart of Jesus when he was just seven years old in which he asked his friend's mother to light a candle for him as a metaphor for his journey to Catholicism What we ultimately learn of Derrick Taylor's character in this 1995 interview is that he held such a dedication to the Catholic faith that he found it difficult to reconcile the fact that the world and the Church were changing In this interview which is now often titled the Sceptre Bulletin Interview Derrick Taylor tells us in his own words what he thought of the reforms of the Second Vatican Council This book the Catholic Conversion is an exegetical work written by Derrick's grandson Cometan some 27 years later that develops his grandfather's words into a set of theological concepts that come to form Derrick Taylor's definitive approach to Catholicism

Steps of Grace Doug Gonzales, 2010-11 Steps of Grace is the story of former Evangelical Protestant Pastor Doug Gonzales whose faith journey led him from the most extreme and militant anti Catholic views in American society today to becoming one of the Church's newest champions Doug's conversion like that of St Paul did not come from any desire on his part for something more than what he already believed was true Instead it was purely an initiative of divine grace While Steps of Grace describes the theological and intellectual wrestling common to conversion stories it does so in the most uncommon of ways Besides witnessing to what are perhaps some of the most remarkable mystical experiences in a modern conversion story Doug shares with the reader his own struggles fears pain and loss With brutal honesty Steps of Grace is one of the most human and emotionally raw of conversion stories Steps of Grace describes the beauty and truth of the Catholic faith with such clarity that those on their own journey of conversion will be led to ask the same question Doug did Why didn't I see it before Cradle Catholics may ask this same question as the story helps them to see and experience the wonder and beauty of their faith in a fresh way More than anything else Steps of Grace is about following and fulfilling our deepest of human longings finding the Presence of God This makes Steps of Grace perhaps less a conversion story and more a love story that illustrates how a person's love and need for the Presence of God led him to the last place he thought he would ever find it the Real Presence of Christ in the Holy Eucharist This is not a walk in the park but

a walk of faith led by grace step by step Doug Gonzales is a former Church of the Nazarene Pastor whose testimony of conversion to Catholicism has moved and challenged audiences across the world A graduate of The Divinity School at Duke University Doug spent nearly ten years as an Evangelical pastor and prison chaplain until his miraculous and amazing conversion to the Roman Catholic Church Besides being a guest twice on EWTN's The Journey Home show Doug has traveled the U S Canada and Latin America sharing his conversion story to large conferences seminarians parishes and even small prayer groups captivating audiences about the wonder and grace he has found in the Catholic faith Doug's story continues to impact those who hear it in a way that few other modern conversion stories can do Doug is also the proud father of three wonderful children

Confession of a Catholic Convert Robert Smith, 2015-07-17 The search to define and understand faith a belief structure or to accept the teachings of the Catholic Church is most often a perplexing and complex challenge Never simple or clear the confusion and uncertainty involved in these decisions requires considerable study experience and thought A decision to convert and accept the Catholic teachings including their definition of sin the experience of confession and the exploration and reconciliation of personal definitions of right and wrong is most difficult This journey most often includes periods of doubt uncertainty denial and a general questioning of personal faith Many times it is necessary to challenge the logic and uncertainties inherent in what the church presents as absolutes or certain truths It was during my experience following two decades of uncertainty confusion study and thought that I confronted a defining life changing moment and experience a revelation that would define my faith and confirm a sound relationship with the Catholic Church It was an unwelcome event but it held deep meaning that has permitted me to see and understand and define my relationship with God and the Catholic Church The book conveys the accumulation of struggles experienced as a newly converted Catholic The thinking that emerged from these experiences is not based on any particular scholarly conclusions studies references to the Bible or the written works of the Catholic Church It is not dependent on guidance from church leaders or theologians who profess to understand the real truth It is a collection of experiences reasoning and thinking as I explored the Catholic faith The book shares my journey as a Catholic convert in an effort to assist the reader's understanding of his or her own religious relationship It should help confused and doubting Catholics to realize and accept that the Church is not perfect or without flaws It intends to encourage others to continue their search for answers and reconciliation in their effort to remain faithful to the teachings of the Catholic Church The reader will hopefully come to realize that it is okay to both doubt and challenge and even never fully agree with the Church The book suggests that developing a personal relationship with God setting individual standards of right and wrong and looking to their own conscience are the most important ingredients to being a faith oriented person It is important to recognize as the standards emerge that Catholic teachings and guidance offer an outstanding base for individual thinking Some of what this story conveys is done with tongue in cheek or a bit irreverent humor about issues many might consider as beyond such expressions While it is not intended to be offensive some of the

thinking may also be seen as contrary to the level of understanding and acceptance expected of faithful Catholics. However, the possibility of stimulating an awakening and reconciliation for many unsettled Catholics outweighs the risk of being offensive to anyone. I believe that it is possible for both the Catholic traditionalists and others like me and hopefully the readers to reconcile their individual faith and be regarded as good Catholics. Nearly everyone will question their journey of religious thinking and the basis of their faith sometime during their life. It may be every day, periodic, or a single occasion during a stressful time or just an intellectual challenge. Sharing this experience and thinking is just another step in that process of fully understanding personal faith and being a Catholic.

Sharing Your Catholic Faith Story Nancy Hc Ward, 2020-03-17

DO YOU PANIC WHEN ASKED ABOUT YOUR CATHOLIC FAITH? Every baptized Christian is called to evangelize, yet many Catholics find personal evangelism intimidating. But it doesn't have to be. In *Sharing Your Catholic Faith Story*, Nancy Ward shows you that evangelization can be simply a matter of letting others know how God has worked in our life. As Nancy explains the importance of being able to bear witness to God's love by sharing your faith story, she shares her own story of lifelong conversion and shows you how to recognize the ways God has been drawing you closer to him throughout your life. You'll also get ten tips on how to share your story in a way that is natural, effective, and un-intimidating. In the second part of the book, you'll read more than thirty personal faith stories by Catholics from all walks of life: converts and reverts, clergy, religious, and layfolk who tell their own unique stories of how God has drawn them gradually closer into his loving embrace. If you've ever wished you could be a more effective witness to God's truth and love, you can learn to share YOUR Catholic faith story. You have a story; only you can tell it, and someone needs to hear it. Don't panic. Read *Sharing Your Catholic Faith Story*. Do the exercises. Learn to journal. Explore your story. Relive your God moments of grace. Write your faith bio. Craft a 30-second elevator speech. Keep in mind the ten tips for sharing your story. Be inspired. Take the Saint John Paul II challenge to be a new witness in the new evangelization: one of those people who has experienced an area of change in their lives because of their contact with Jesus Christ and who are capable of passing on that experience to others. Saint Pope John Paul II: Fulfill your baptismal calling. Captivate those who inquire why you are so joyful. Live the directive of St. Peter: Always be ready to give an explanation to anyone who asks you for a reason for your hope, but do it with gentleness and reverence. 1 Peter 3:15-16.

Pentecostals and Roman Catholics on Becoming a Christian Karen Murphy, 2018-05-23

In *Pentecostals and Roman Catholics on Becoming a Christian*, Dr. Karen Murphy explores the fifth round of the International Roman Catholic-Pentecostal Dialogue (1998-2006). Discussing Spirit baptism, faith conversion, experience, and discipleship, Dr. Murphy notes areas in which the Dialogue has evolved since its inception in 1972. She unpacks the commonalities that bond Catholics and Pentecostals and examines theological divergences and challenges to dialogue. While Catholics approach becoming a Christian from a sacramental perspective, most Pentecostals think of Christian initiation in non-sacramental or conversionist terms, a reality that fosters ongoing tensions between the two traditions. Dr. Murphy reveals how Catholics and Pentecostals seek to

overcome this dichotomy by honoring spirituality and experience as integral to the ecumenical encounter *Catholic Converts* Patrick Allitt, 2018-08-06 From the early nineteenth to the mid twentieth century an impressive group of English speaking intellectuals converted to Catholicism Outspoken and gifted they intended to show the fallacies of religious skeptics and place Catholicism once again at the center of western intellectual life The lives of individual converts such as John Henry Newman G K Chesterton Thomas Merton and Dorothy Day have been well documented but Patrick Allitt has written the first account of converts collective impact on Catholic intellectual life His book is also the first to characterize the distinctive style of Catholicism they helped to create and the first to investigate the extensive contacts among Catholic convert writers in the United States and Britain Allitt explains how despite the Church s dogmatic style and hierarchical structure converts working in the areas of history science literature and philosophy maintained that Catholicism was intellectually liberating British and American converts followed each other s progress closely visiting each other and sending work back and forth across the Atlantic The outcome of their labors was not what the converts had hoped Although they influenced the Catholic Church for three or four generations they were unable to restore it to the central place in Western intellectual life that it had enjoyed before the Reformation **The Convert** Orestes Augustus Brownson, 1889 [The Conversion Experience](#) Donald L. Gelpi, 1998 Using reflections exercises and suggestions for prayer and group sharing this practical book explores five forms of conversion the seven dynamics that structure the process and the significance for conversion of sacramental worship

Reconsidering Catholic Lay Womanhood Kathryn G. Lamontagne, 2023-07-26 This book offers a new perspective on the often overlooked lives of lay women in the English Roman Catholic Church It explores how over a century ago in England some exceptional Catholic lay women Margaret Fletcher Maude Petre Radclyffe Hall and Mabel Batten negotiated non traditional family lives and were actively practicing their faith while not adhering to perceived structures of femininity power and sexuality Focusing on c 1880 1930 a time of dynamism and change in both England and the Church these remarkable women represent a rethinking of what it meant to be a lay women in the English Roman Catholic Church Their pious transgressions demonstrate the multiplicity of ways lay women powerfully asserted aspects of their faith while contravening boundaries traditionally assumed for them in an ostensibly patriarchal religion In fact the Church could be a place for expressions of unconventional religiosity and reinterpretations of womanhood and domesticity Connecting together the lives of these women for the first time this work fills a lacuna in the scholarship of modern Catholic and gender history Drawing from private collections and numerous archives it illustrates the surprising range of modes of Lived Catholicism and devotion to faith Students and scholars of Catholicism gender and LGBTQIA studies will find significant merit in a book that assigns lay women a more prominent role in the English Catholic Church and offers examples of the flexibility of Roman Catholicism

disagreements remain it is possible to preserve the integrity of the faith while relating positively to Christians who cherish other beliefs The opinions expressed in this book grew out of nearly thirty years of experience as evangelical protestant missionaries ministering in catholic parish communities in France The goal of the book is to move the readers beyond simply understanding each other to a place where they might begin using their diversity to stimulate and encourage each other in our common pursuit of obedient discipleship We know of no other book which targets ecumenical lay relations in this way
