Kenelm Henry Digby

Faith In Paradise:

Behind The Faith Tony Mariot, 2018-10-17 We should not base our beliefs on some emotional experience we had which we cannot really explain with any substance other than to attribute the experience to something we want to believe was spiritual or God inspired This choice belief and faith should not be an unexplainable gut feeling or some thought shrouded in a cosmic concept of God that is neither specific nor explainable Neither should we hide behind peer pressure that makes us feel guilty if we denied having any real belief in the existence of God at all None of these aspects are the basis to knowing anything let alone foundations of a faith The question then becomes how do we know what is true and what to believe on the ground where we live What are the facts and what is folklore How can we know for certain This writing is intended to discuss what is biblically spoken of behind the faith of what Christians believe It is not however about conspiracies in the church or an attempt to air any dirty laundry The book of Revelation was chosen as the principle text of this discourse because it is intermingled throughout Scripture like no other It provides seamless segues that will open up opportunities to address other related questions in Scripture as we examine what is behind the faith **The Faith of Islam** Edward Sell, 2013-11-05 First Published in 2000 This title is Volume 3 in the 8 volume series titled Islam one of the Traber's Oriental Series This edition is the result of another fifteen years study of Islam and of further intercourse with Musalmans It deals with certain phases of modern Muslim thought in India and in Persia which found no place in the first edition The result is that a considerable amount of fresh matter has been added though the general form of the book has not been altered All who are engaged in this enterprise will find help in this volume it may also throw light on the political questions of the day *The Solid Rock of Faith* Ingo Breuer, Faith is taking God at His word Faith is in Christ the solid Rock He is a sure foundation for a successful life Our times advocate rapid and radical change Change for the worse that is mostly apostasy apathy error departure from truth compromise complacency etc We hardly ever see change in the form of betterment amendment or conversion to Christ Churches are emptying out and many depart from the faith What does it take to stay faithful to the Lord Jesus Christ This book is a humble introduction in plain old Bible ways May God renew our minds Turn your eyes upon Jesus A collection of articles about living by faith and not by sight To help you not get sidetracked by the stream of ungodliness and sin in our time but rather to focus on this one thing Are you saved Do you know the Lord Jesus in your heart and are you serving Him Gleaned over the years from attending Sunday School and church fellowship with old fashioned believers faithful listening to Christian radio preaching the Word and writing for blogs studying and meditating on the Word prayerfully at home distributing Scriptures worldwide and having a burden to present the gospel to a lost and dying world [An Unorthodox Faith](#) Kurt Struckmeyer, 2017-02-14 The time is ripe for a new Christian reformation a profound transformation of theological substance not just liturgical style Jesus never intended to create a new religion of rites creeds and dogma that offered an eternal reward in heaven Instead he announced the subversive arrival of the kingdom of God a social and economic

revolution of the heart based on a lifestyle of radical love lavish generosity extravagant forgiveness inclusive hospitality
 compassionate action selfless service a passion for justice creative nonviolence and simple living He invited his followers to
 transform their lives and change the world A postmodern Christianity will call people to engage in the Jesus revolution a
 conspiracy of love that rises up against the unjust systems of the world through everyday acts of kindness compassion and
 resistance An Unorthodox Faith provides a framework for a faithful life based on the Way of Jesus a way of living
 authentically and humanely for the sake of others It offers countless people those who remain in the church those who have
 left and those who have never ventured near with a life of faith that is meaningful intelligent and passionate The Faith of
Islam Edward Sell,1920 **Shatt al Arab Faith** Amelia Khatri,AI,2025-02-14 Shatt al Arab Faith examines the profound

 history It argues that the river is more than a geographical feature it embodies the interwoven nature of faith history and
 geography The book highlights how this region central to the cradle of civilization in Mesopotamia became a critical point for
 the evolution of Islamic beliefs and identity Intriguingly the Shatt al Arab is not merely a physical location but a living
 testament embedded in the collective memory of the Islamic world The book explores the river s significance through
 historical narratives diverse religious practices and its modern day importance to Islamic identity It traces the river s
 presence in early Islamic texts examines rituals and beliefs associated with it and investigates its role in contemporary
 geopolitical challenges The approach combines historical analysis with contemporary relevance offering insights into how the
 past shapes the present The book progresses from introducing the geographical and religious context to delving into specific
 historical periods religious practices and the river s symbolic role drawing from diverse sources like historical texts

Volume 1 Mark S. Hansard,2025-07-29 From The Original Series of the 1960s to Strange New Worlds today Star Trek has
 always explored philosophical and religious ideas pushing the boundaries of thought and entertaining us along the way While
 full of secular concepts the franchise has interacted with Christian beliefs for decades In Star Trek and Faith Mark S
 Hansard examines the intersection of Star Trek and Christianity utilizing logic and critical thinking to investigate the ideas in
 both new and old Trek series to compare them with a Christian worldview Is Christianity manipulative Is God capricious

angry and insecure Is it rational to believe in the resurrection of Jesus Does predestination contradict our free will Join Hansard in a thrilling ride through the galaxy exploring Christian ideas through the lens of Star Trek **The Fundamental Doctrines of the Christian Faith** Reuben Archer Torrey,1918 The author of these sermons has had a feeling for a long time that the great need in our churches in this day is systematic indoctrination He put his theory into practice last winter in his own church and these sermons are the result We were having a great many accessions to our church In the two years of the church s history we had had something like six hundred accessions to the church and every month considerable numbers of new members were being added While many of these came by letter from other churches many of them were new converts and had had practically no systematic instruction in the fundamental truths of the Christian faith so we announced a series of sermons on The Fundamental Doctrines of the Christian Faith There was immediately a large increase in the attendance at the services where these addresses were given and this increase has kept up until on the last Lord s Day we had much the largest attendance we have ever had excepting on Easter Sunday Many have testified to the blessing received from these sermons and there has been a great demand that the sermons be printed for general circulation This request has come from ministers of various denominations Episcopalians Presbyterians Methodists Baptists and others It is hoped that this volume will be useful to other pastors in suggesting lines of teaching in their regular pastoral work and also that it may be used widely by pastors and others for circulation among Christians We live in a day in which many of our church members are all at sea as to what they believe on the fundamental doctrines of the Christian faith These sermons have already helped many through their delivery It is hoped they will reach and help far more in the printed form Muhammad and the Empires of Faith Dr. Sean W. Anthony,2020-04-21 In Muhammad and the Empires of Faith Sean W Anthony demonstrates how critical readings of non Muslim and Muslim sources in tandem can breathe new life into the historical study of Muhammad and how his message transformed the world By placing these sources within the intellectual and cultural world of Late Antiquity Anthony offers a fresh assessment of the earliest sources for Muhammad s life taking readers on a grand tour of the available evidence and suggests what new insights stand to be gained from the techniques and methods pioneered by countless scholars over the decades in a variety of fields Muhammad and the Empires of Faith offers both an authoritative introduction to the multilayered traditions surrounding the life of Muhammad and a compelling exploration of how these traditions interacted with the broader landscape of Late Antiquity **Dante's Divine Comedy: A Retelling in Prose** David Bruce,2024-03-31 Dante s Divine Comedy A Retelling in Prose by David Bruce offers a modern interpretation of Dante Alighieri s epic poem presenting the timeless journey through Hell Purgatory and Paradise in a clear and accessible prose format Bruce s retelling preserves the essence and depth of Dante s original work while making it more approachable for contemporary readers Through vivid descriptions and engaging narrative readers are guided through Dante s intricate exploration of sin redemption and the human condition As Dante navigates the depths of Hell climbs the slopes of Purgatory

and ascends through the spheres of Paradise Bruce skillfully captures the philosophical and theological themes of the Divine Comedy inviting readers to contemplate their own spiritual journey and the nature of salvation Mores Catholici, Or, Ages of Faith Kenelm Henry Digby, 1845 **Faith Always Works** David Meseg, 2021-10-18 In early 2016 I found myself laying in a hospital bed at the Royal Marsden in Fulham diagnosed with terminal cancer I decided to write about my faith in Christ what it is and how it has been shaped and tested by a life that is lived out in the unpredictability of a world that can be so harsh and cruel My starting point is to examine what sin is and what it does paving the way for me to explain the necessity of salvation and what it does I have made this my starting point because this is where faith begins The fundamental message of the book is to acknowledge that as a Christian life can be filled with extreme pain confusion and disillusionment and begs for meaningful answers to some very serious questions The book takes an honest look at faith under the examination of someone who has experienced the safety of Christianity from childhood yet along the way became one of the biggest sceptics of the Christianity that I saw around me It was a scepticism that led me to the point of considering abandoning whatever faith I thought I had This is a dilemma that I know a lot of Christians are tempted by and I hope that this book will give to them the encouragement support and determination to press on In this matter I attempt to examine what genuine faith is and what it is not what it will do and what it will not do I seek to highlight that the person with genuine faith must expect and be prepared for their faith to be tried and tested by God Himself and what His purpose in doing so is The conclusion that the book as a whole alludes to is that whilst there are times when faith does not seem to work the faithfulness of what God has accomplished through Jesus Christ determines that faith always works **The Articles of Faith A Series of Lectures On The Principal Doctrines of The Church of Jesus Christ of Latter-Day Saints** James Edward Talmage, 2023-10-01 The Articles of Faith A Series of Lectures on the Principal Doctrines of the Church of Jesus Christ of Latter Day Saints by James E Talmage is a comprehensive exploration of the fundamental beliefs and principles of the LDS Church In this enlightening work Talmage delves into various aspects of Mormon theology providing a clear and systematic presentation of the articles of faith Key Aspects of the Book The Articles of Faith Doctrinal Foundation Talmage examines the essential doctrines and beliefs of the Church of Jesus Christ of Latter Day Saints presenting a thorough understanding of its theological principles Lectures Series The book is structured as a series of lectures allowing readers to engage with the material in a coherent and organized manner Insightful Analysis Talmage provides insightful analysis and commentary on each article of faith offering a deeper understanding of their significance and implications for the LDS community James E Talmage is a prominent figure in the history of the LDS Church He was a theologian scientist and educator who served as a member of the Quorum of the Twelve Apostles His work The Articles of Faith is considered a seminal text in the study of Mormon doctrine and has greatly influenced the understanding of LDS beliefs worldwide *Songs of Faith, Hope, and Love*, 1883 *Human Comes First*, 2018-08-03 The Christian theology of N F S Grundtvig 1783 1872 is based on the principle that humankind created in God s

image has retained a divine spark and that image which can welcome God's gift of grace and salvation Human Comes First illustrates this principle through a selection of Grundtvig's articles teachings sermons letters and speeches from half a century of his theological activity As part of its agenda to digitalise and translate Grundtvig's vast output the Grundtvig Study Centre at Aarhus University is pleased to publish this third volume in the series N F S Grundtvig Works in English Volume 1 The School for Life 2011 contains Grundtvig's major writings on education and Volume 2 Living Wellsprings 2015 contains a selection of his hymns songs and poems Future volumes will deal with his politics and his philosophy
