Schultze,2005-11-09 The mass media and religious groups in America regularly argue about news bias sex and violence on television movie censorship advertiser boycotts broadcast and film content rating systems government regulation of the media the role of mass evangelism in a democracy and many other issues In the United States the major disputes between religion and the media usually have involved Christian churches or parachurch ministries on the one hand and the so called secular media on the other Often the Christian Right locks horns with supposedly liberal Eastern media elite and Hollywood entertainment companies When a major Protestant denomination calls for an economic boycott of Disney the resulting news reports suggest business as usual in the tensions between faith groups and media empires Schultze demonstrates how religion and the media in America have borrowed each other s rhetoric In the process they have also helped to keep each other honest pointing out respective foibles and pretensions Christian media have offered the public as well as religious tribes some of the best media criticism better than most of the media criticism produced by mainstream media themselves Meanwhile mainstream media have rightly taken particular churches to task for misdeeds as well as offered some surprisingly good depictions of religious life The tension between Christian groups and the media in America ultimately is a good thing that can serve the interest of democratic life As Alexis de Tocqueville discovered in the 1830s American Christianity can foster the habits of the heart that ward off the antisocial acids of radical individualism And as John Dewey argued a century later the media offer some of our best hopes for maintaining a public life in the face of the religious tribalism that can erode democracy from within Mainstream media and Christianity will always be at odds in a democracy That is exactly the way it should be for the good of each one      **Figuring Shit Out** Amy Biancolli,2014-09-29 Your life isn t over My dad says this I mean YOUR life isn t over Beyond the kids You ll go on living doing things This isn t it I know I assure him I have the kids They need me They re my life now OK he replies then grunts more of a brief hum He only hums when he thinks I m full of shit Shockingly single Amy Biancolli s life went off script more dramatically than most after her husband of twenty years jumped off the roof of a parking garage Left with three children a three story house and a pile of knotty psychological complications Amy realizes the flooding dishwasher dead car battery rapidly growing lawn basement sump pump and broken doorknob aren t going to fix themselves She also realizes that figuring shit out means accepting the horrors that came her way rolling with them slogging through them helping others through theirs and working her way
