Faith Is For Sharing:

A Case for Faith Sharing Ancient Secrets for Longer Life, Health and Happiness Mark Mellow, MD, 2022-11-30 In his book Dr Mellow a physician and clinical researcher makes the case for faith religiosity and spirituality as important practices providing significant physical and mental health benefits In reviewing the extensive medical literature he concludes that faith and spiritual practices have significant positive effects on the incidence of the most common physical illnesses heart disease hypertension many cancers and most importantly on overall mortality as well as mental illnesses depression anxiety addiction and suicide Given the record levels of diseases of despair in America today especially in our younger generations the health benefits of faith and spirituality should be of considerable interest to all of us Dr Mellow reviews the emerging medical literature on the effects of the major faith teachings that of compassion on our body s functioning at the basic cellular level Compassionate practices result in positive changes in our gene function decreasing the activity of the harmful inflammatory disease causing genes and decreasing the rate of aging of the cells in our body There have always been reasons for the dislike or distrust of established faiths Throughout history many major atrocities have been committed in the name of religion as they have at the hands of atheistic regimes Sadly that is human behavior However while one can find fault with some faith leaders and practitioners faith teachings are difficult to fault Given the health and societal benefits Dr Mellow presents information on how one might choose a faith community best suited for you and your family To Roar Like the Lamb: A Study in Sharing One's Faith Arthur W. Fisher, 2023-07-05 About the Book In the format of a Bible study To Roar Like the Lamb is about learning to share your faith which may not be easy but is precisely what the Lord wants us to do This study is a guide The author hopes the book is found to be helpful particularly to those who are new to their faith About the Author Arthur W Fisher is a preacher and a teacher who has come to this vocation later in life He spent a career as a management consultant within non clinical departments in healthcare facilities mostly hospitals That career took him all over the country mostly in smaller communities It was during that time he developed a love for the small church as he visited many Currently he pastors a small rural church in Florida Sharing Why I Love Jesus Nancy Carol Willis, 2023-07-14 Have you ever wondered about your faith story Do you even have a faith story Why do you have a faith story Where did it come from How does it work How do you grow your faith Should you share your faith story How do you share your faith story Perhaps you re like me an ordinary Christian You look forward to joining your church family for Sunday worship You greet people at the door help in the nursery or bake cookies for fellowship time You pray often enjoy your daily devotional and look forward to the next Bible study Fantastic But if you re like most ordinary Christians the thought of sharing your faith story with others makes your stomach churn You re not alone The Sharing Why I Love Jesus study guide is more than a how to book about writing your faith story It begins by laying a biblical foundation for defining faith and illustrating faith through stories and examples The study questions will prompt you to explore your own faith in greater depth Then you will write your faith story

and practice sharing it in today's world The study guide can be used individually or in a small group setting Let's get started
