Akol, 2005 *The Heart of a Warrior: a Mom's Journey of Faith and Hope*, **"All I wanna do is go the distance"** Philip L. Simpson, Kathy Merlock Jackson, 2025-08-22 If any film has gone the distance it's Rocky 1976 which spawned one of the longest running franchises in film history Released in America's bicentennial year Rocky based on an original screenplay by then unknown writer and actor Sylvester Stallone surprised everyone Shot on a shoestring budget by director John Avildsen the film became a blockbuster and Academy Award winning best picture In addition to spawning a lucrative franchise and spin offs Rocky propelled the careers of Stallone and Talia Shire raised interest in boxing and sports movies and placed Philadelphia and its architecture in the popular consciousness Rocky has always been a contested text raising questions about race gender and class in America as well as debate about genre storytelling and film art questions which are addressed at length in this rich collection of essays As the contributing scholars show Rocky and its sequels retain their power to rouse audiences well into the twenty first century and continue to inspire audiences athletes and filmmakers **Go the Distance** Jen Calonita, 2021-04-06 Hercules and Megara's happy ever after is cut short when Meg's would be father in law informs her that her mortality means she can never be accepted as Hercules partner Ever willing to foil Zeus schemes Hera offers Meg a place on Mount Olympus if she'll just head on back down to the Underworld and bring back the wife her ex left her for while she was stuck down there **A Study Guide for Grace Paley's "The Long-Distance Runner"** Gale, Cengage Learning, *Performing Israel's Faith* Jacob Neusner, 2005 If law alone yields legalism then religious belief by itself fails to create justice In *Performing Israel's Faith* Jacob Neusner shows how Jewish Halakhah law and Aggadah narrative fit together to form a robust and coherent covenant theology one directly concerned about this world Neusner's careful and thorough examination of several key issues within rabbinic Judaism the nation's idolatry sin repentance and atonement demonstrates that neither Halakhah nor Aggadah can be fully and rightly understood when the two are isolated from each other *Performing Israel's Faith* thus effectively reveals that rabbinic Judaism's true pattern of religion was constituted by a covenant theology comprised by both law and story a covenant theology whose aim was to restore the sanctification of God's original creation **A FAITH FUELED LIFE** MARK ALEX, 2025-01-15 A Faith Fueled Life takes you on a transformative journey to uncover the true essence of faith a force so powerful it can move mountains But have you ever stopped to wonder what is faith really How can you hold on to faith when life feels uncertain Is there a way to pray with faith so strong it changes the course of your circumstances What amount of faith is enough to move the mountains standing in your way What

The Depth of Faith Jayamon Jacob,2012-10-22 The ultimate goal of this book is to increase anyones faithlessness weak faith or little faith to a substantial gravity of mature and deep faith in Our Lord and Savior Jesus Christ since true faith is the bridge between God and man The Bible clearly spells out Jesus is the author and finisher of faith and every believer in Him ought to follow His footsteps While reading this book a genuine transformation in your faith may take place and you may feel the amount of faith slowly enhances and spiritual darkness gradually vanishes Feel the light arrive which would eventually portray the bright and morning star and it is nobody but Jesus Christ He is the Bishop of all souls who knocks at every door to open and anyone opens by faith He would dine with him or her and that person would truly understand He is the author and finisher of your faith

Faith Robert Cristofano,2005-04 In the future one man will Seek the truth Inspire hope Create heroes Strengthen the power of the human spirit Re ignite the passion of true love In the future one man will Jeopardize everything Traverse the darkness Struggle to survive In the future one man will change everything If you believe

**Soul Challenge** Jerry Ousley,2005-06 Struggling just to survive under a Roman tyrant the people of the tiny country of Israel lived each day wondering when the long promised Messiah would arrive They wanted Him to come and free them from captivity in their own nation While they wished for that day even then He walked among them healing sickness and disease working mighty wonders and delivering signs yet most of them missed it People still only want what is easy but nothing worth having really ever is The challenge of Jesus Christ extends to each and every person on the face of this planet who comes to Him This book examines these challenges as found in the Gospel of John It may anger you make you weep or make you laugh But one thing reading this book will do is challenge your soul to seek the Lord like never before Are you ready for the challenge

**Measuring the Distance between Locke and Toland** Jonathan S. Marko,2017-02-08 Ever since Bishop Stillingfleet

accused John Locke of having unwittingly paved the way with his Essay for the alleged heresy promulgated in John Toland's Christianity Not Mysterious the latter two thinkers and works have been consistently joined in histories of philosophy covering the rise of natural religion in England While scholars have generally thought that Locke got the better of the good bishop in their subsequent written exchanges initiated by the charge they appear merely to assume that Stillingfleet correctly read Toland and that Locke accepts that reading Perhaps the most obvious piece of evidence favoring that stance is that while Locke clearly admits above reason doctrines Toland dismisses them Christianity is not mysterious It is curious however that Toland scholars readily point out many concepts that Toland used as being the same as or different from Lockean notions about which many Locke scholars are admittedly perplexed Through patient exposition of relevant texts and letters deconstruction of scholarly works and careful reasoning this book shows that Toland's deviations from Locke regarding reason and faith are far more minor than anyone has concluded Stillingfleet was correct to connect them but was incorrect in the way that he did it

**Bible for teenagers Increase your faith, strength and wisdom** ,2024-09-13 The work of translating the Bible is never finished As good as they are English translations must be regularly updated so that they will continue to communicate accurately the meaning of God's Word Updates are needed in order to reflect the latest developments in our understanding of the biblical world and its languages and to keep pace with changes in English usage Recognizing then that the NIV would retain its ability to communicate God's Word accurately only if it were regularly updated the original translators established the Committee on Bible Translation CBT The Committee is a self perpetuating group of biblical scholars charged with keeping abreast of advances in biblical scholarship and changes in English and issuing periodic updates to the NIV The CBT is an independent self governing body and has sole responsibility for the NIV text The Committee mirrors the original group of translators in its diverse international and denominational makeup and in its unifying commitment to the Bible as God's inspired Word

Desire, Faith, and the Darkness of God Eric Bugyis, David Newheiser, 2015-11-15 In the face of religious and cultural diversity some doubt whether Christian faith remains possible today Critics claim that religion is irrational and violent and the loudest defenders of Christianity are equally strident In response *Desire Faith and the Darkness of God* Essays in Honor of Denys Turner explores the uncertainty essential to Christian commitment it suggests that faith is moved by a desire for that which cannot be known This approach is inspired by the tradition of Christian apophatic theology which argues that language cannot capture divine transcendence From this perspective contemporary debates over God's existence represent a dead end if God is not simply another object in the world then faith begins not in abstract certainty but in a love that exceeds the limits of knowledge The essays engage classic Christian thought alongside literary and philosophical sources ranging from Pseudo Dionysius and Dante to Karl Marx and Jacques Derrida Building on the work of Denys Turner they indicate that the boundary between atheism and Christian thought is productively blurry Instead of settling the stale dispute over whether religion is rationally justified their work suggests instead that Christian life is an ethical and political practice impassioned by a God who transcends understanding
