Faith That Works The Gospel According To The Apostles:

The Gospel According to the Apostles John F. MacArthur, 2005-03-06 The apostles understood the Gospel as they learned from and personally lived alongside Jesus and these lessons became the heart of their message to an unsaved world But what does their perspective mean for modern Christians and how can we read the Bible through their unique lens today Following the release of his bestselling book The Gospel According to Jesus Dr MacArthur noticed that Christians were looking for practical advice spiritual counsel and accessible explanations of the Bible And most of all they wanted help understanding their experiences within Christianity Dr MacArthur realized that by examining scripture from the perspective of the apostles themselves even more Christians could come to know the Gospel as Jesus earliest followers did In his characteristic compelling style Dr MacArthur examines some of the key passages from the Epistles and Acts that reveal how the apostles first shared the gospel and how they unfolded the truths of salvation to the early church Dr MacArthur doesn't shy away from answering some of the difficult questions that he's been asked over the years including What is cheap grace Have some Christians adopted a no lordship theology What must a person do to be considered righteous by God How should we call people to faith Do our works have any effect on our salvation The Gospel According to the Apostles is a book for every Christian who wants to experience understand and fall in love with the same gospel that Jesus preached **The Gospel**

According to the Apostles John F. MacArthur, 2005-03 Ever since the days of the apostles Paul and James Christians have struggled to define the proper tension between faith and works Salvation Paul stresses is not by works so that no one can boast Ephesians 2:8-9 But James argues Show me your faith without your works and I will show you my faith by my works 2:18 In his characteristic compelling style Dr MacArthur reconciles these two seemingly divergent threads of biblical truth taking on the difficult questions head on What is cheap grace Have some Christians adopted a no lordship theology What must a person do to be considered righteous by God Do our works have any effect on our salvation Jesus asked his followers Why do you call me Lord and not do the things that I tell you to When John MacArthur dared in his earlier book to ask us this question critics accused him of shelving grace Others read the same book and heard in it the identical message preached since the founding of the Church The Gospel According to the Apostles is the same gospel Jesus preached Dr MacArthur says but it differs dramatically from the diluted message popular today I pray you'll find this book an encouragement as you seek to put your own faith to work The Faith That Saves Fred Chay, John P. Correia, 2012-08-21 There is no more important

issue in theological study than the meaning of faith in the New Testament The perennial problem of the misunderstanding concerning the nature of faith has produced a variety of theological errors as well as pastoral problems for the church In a day of rampant theological confusion concerning justification by faith the nature of faith is paramount This book provides a penetrating examination through exegetical precision concerning the nature of faith For those who believe in faith alone in Christ alone this book will guide you into an understanding of what faith is and what it is not This is a book that needed to be

written and a book that must be read Earl Radmacher ThD President Emeritus Western Seminary Most evangelical Protestants agree that salvation is by faith alone in Christ alone However what they cannot agree on is the meaning of faith Are there different kinds of faith in the Bible Is there saving faith and non saving faith Is faith a matter of the mind or the emotions or the mind emotions and will Is faith active or passive on the part of the believer Is it a gift of God or a work of man All these questions and many more are explored in depth by Chay and Correia They have done a commendable job of dealing with words studies grammatical nuances and debated passages Such a work is long overdue Dave Anderson PhD President and professor of Theology Grace School of Theology President Free Grace Alliance **The Gospel**

According to Jesus John F. MacArthur,2009-05-26 What is authentic faith The Gospel According to Jesus challenges Christians to re evaluate their commitment to Christ by examining their fruits MacArthur asks What does it really mean to be saved He urges readers to understand that their conversion was more than a mere point in time that by definition it includes a lifetime of obedience John MacArthur tackles the error of easy believism by addressing these questions Is it possible to accept Jesus as Savior while refusing him as Lord Can someone truly believe without actually repenting How do obedience commitment to Christ and turning from sin fit together with the truth that we are saved by grace through faith alone The Gospel According to Jesus is just as powerful today as it was more than two decades ago It is a Scripture based clarion call for a rejection of the watered down message that has gained popularity in the church and a return to the gospel Jesus preached This 20th anniversary edition adds a powerful new chapter to the complete text of the original classic reinforcing the book s timeless message that Jesus demands to be both Savior and Lord to all who believe This book is compulsory reading for Christians from all walks of life and will help guide you into a deeper relationship with Jesus Christ *Essential*

Whiting,2010-06-01 Recent studies have increasingly downplayed and in a few cases even wholly denied the influence of Martin Luther s theology of Law and Gospel on early English evangelicals such as William Tyndale The impact of a late medieval Augustinian renaissance Erasmian Humanism the Reformed tradition and Lollardy have all but eclipsed the more central role once attributed to Luther Whiting reexamines these claims with a thorough reevaluation of Luther s theology of Law and Gospel in its historical context spanning twenty five years something entirely lacking in all previous studies Based on extensive research in the primary sources with acute attention to the larger historical narrative and in dialogue with secondary scholarship Whiting argues that scholars have often oversimplified Luther s theology of Law and Gospel and have thus wrongly diminished his very significant even principal influence upon first generation evangelicals William Tyndale John Frith and Robert Barnes during the English Reformation of the 1520s and 30s **Latter Day Saints Southern Star** ,1900 *A Study of the Articles of Faith* James Edward Talmage,1924 **A Commentary Upon the Epistle of Paul the Apostle to the Galatians** Martin Luther,1801 James, the Apostle of Faith David P. Scaer,2004-11-08 The epistle of James is often poorly understood Beyond questions of authorship and dating its contents are troubling Its powerful accusations of sin seem to overshadow the Gospel For this reason Luther called it an epistle of straw and questioned whether it should be in the Bible at all Author David Scaer thinks differently and he shares his insights with us in *James the Apostle of Faith* As the title indicates faith in Christ and the comforting Gospel are prominent in many places throughout this epistle Far from being a dreary series of moralisms James is filled with references to the atonement faith and forgiveness the sublime Gospel themes of the New Testament Particularly revealing are many parallels between the Epistle of James and the Gospel of Matthew especially the Sermon on the Mount and Jesus agricultural

parables In this study of James Dr Scaer makes exciting discoveries some of which will surprise you You may not agree with everything he says but your thinking will certainly be stimulated Dr Paul Maier Professor of Ancient History at Western Michigan University and author of several best selling studies of the New Testament provides a most interesting and informative Foreword giving valuable historical background about James the brother of our Lord and the times in which he lived
