**What is Faith?** J. D. Myers, 2019-01-14 You might know what you believe but do you know that you believe While many Christians know that they are supposed to believe they don't know if they actually do believe Stop wondering if you have false faith spurious faith temporary faith intellectual faith or head faith instead of heart faith All such terms are unhelpful and unbiblical and cause many Christians to wonder if they have truly believed By reading this book you will not only discover how faith works but also how to know that you believe This book also answers some of your most pressing questions about faith such as the relationship between faith and works whether or not God gives the gift of faith and how it is possible to be certain about your faith This book also provides explanations for several key Bible passages about faith

**Surpassing Peace** Linda Gottschalk, 2023-07-14 Go home you did enough I looked at him as my adrenalin rose up I spoke Oh no that is not how this goes We came to fight You are going to fight from where you are and I am going to fight on my knees over there I will not leave you He cried and turned away I walked away They took me in with him I was his voice because he no longer had one It felt so cold strange and eerily quiet in there I had to sign his papers there in that place I felt I was signing him off Gut wrenching that is what that is Before I could answer he said Is he your brother and is he homeless I smiled and said He s my friend like a brother He s homeless and I do this because I love him To that he said This is some kind of love When life is on the line each breath of life becomes very real Options run out and grasping for control is futile because when our time is up it s up We spend most of our lives wrestling with this reality Life doesn t always play out the way we plan for it and we really do a lot of planning don t we When that ugly thing shows up and takes our breath away we are faced with a reality that is mind bending and heart wrenching What are we to do We get to choose What will we do Can we know before that unthinkable thing happens It haunts us because it s daunting to the core When dying is a real possibility what should one expect What does one hope for What does one think about I was about to find out It s wasn t like in the movies It was quiet Time stood still and our eyes did a lot of the talking I recall saying I am not exactly sure what the doctor means but I think I know My hubby just shook his head yes as we looked at each other through FaceTime on our phones I was getting tired I couldn t feel my legs but they were there because I had to touch them to believe it My husband and my baby girls flashed through my mind Our lives our laughter and our long talks and walks This true story is a portrait of human frailty and the reality of this life filled with disruptions and interruptions beyond our control It s daunting and filled with authentic fear replaced by unspeakable peace in the journey It is filled with humor in the hard and trauma that shows up uninvited It s a beautiful walk in the depths of agony and struggle colliding with an overcoming peace that paralyzes one s ability to reason It s a journey an adventure it s chaotic and calm It s worth sharing with a world that hands out the hard stuff May you find this power packed peace in the midst of the real hard stuff too
