TIMES BESTSELLER From the author of Relationship Goals Will you be remembered as a person who claimed to follow God but liked to play it safe Or as a person who lived your life out on the limb and trusted God enough to live in crazy faith Noah looked crazy when he started building the ark until it started raining It was crazy for Moses to lead a nation of people into the desert away from Egypt until the Red Sea parted It was crazy to believe that a fourteen year old virgin would give birth to the Son of God until Mary held Jesus in her arms There are many things that seem normal or average today that at one point in time seemed absolutely crazy Smartphones Wi Fi and even the electric light bulb were all groundbreaking history making inventions that started out as crazy ideas Our see it to believe it generation tends to have a hard time exercising true faith one that steps out takes action and sees mountain moving results Many of us would rather play it safe and stand on the sidelines but it s crazy faith that helps us see God move and reveals His promises In Crazy Faith Pastor Michael Todd shows us how to step out in faith and dive into the purposeful life of trusting God for the impossible Even if you have to start with baby faith or maybe faith you can become empowered to let go of your lazy faith trust God through your hazy faith and learn to live a lifestyle of crazy faith With powerful stories of modern day faith warriors who take their cues from biblical heroes Michael Todd equips you to believe for the impossible choose hope over fear be alert to the voice of God cope with loss and doubt develop a deeper level of trust in God speak faith filled declarations inspire crazy faith in others God s not looking for

somebody to give Him all the reasons why His plans can't happen. He's looking for somebody to believe they will happen. In fact, He has so much He wants to do through you. The question is: Are you crazy enough to believe it? *A Test of Faith* Shirley Macbeth, 2016-07-21. *A Test of Faith* Book One By Shirley Macbeth. After catching her husband cheating on her, Sue leaves with her two daughters to find a better life. This act is not easy with the years of being taught divorce is never the answer. Sue risks being ostracized by her family in order to protect her daughters and herself from any further harm. Sue never expects to find love while breaking all the rules. The outcast will be seen to grow in faith and courage by those who used her flaws against her. *A Test of Faith* brings a story about fighting against public scrutiny and having the strength to want something more substantial. **Faith Unplugged** Jason Jackson, 2006. Just as unplugged music gives you pure and unfiltered music, *FAITH UNPLUGGED* gives God's pure truth on hard-hitting topics relevant to teens. *When Faith Meets Therapy* Anthony Evans, Stacy Kaiser, 2022-08-16. The power of faith intersects with the practicality of counseling in this unique partnership of a faith worship leader and a therapist as they offer a pathway for readers to find help, hope, healing, and freedom while navigating life's struggles. No one is immune from life's difficulties, yet many people are reluctant to talk about mental health or seek professional help when they are struggling. People of faith who are battling issues such as anxiety, depression, life changes, stress, or relationship problems may suffer in silence, believing things will get better if only their faith was stronger, they prayed more, or they had more self-discipline. The stigma about needing to seek help is all too real. But seeking professional help isn't a sign of weakness; it's a sign that someone is serious about moving forward emotionally, relationally, and spiritually. Written by producer, artist, and author Anthony Evans along with licensed psychotherapist Stacy Kaiser, *When Faith Meets Therapy* dispels the cultural myths and stigmas that surround professional therapy, shares stories from the authors' personal experiences, and from others who are facing life's challenges, and provides practical steps that readers can take in the pursuit of emotional, relational, and spiritual progress. Anthony and Stacy met five years ago when he was seeking emotional and relational healing of his own. Stacy led Anthony through a process of internal renovation and continues as his personal therapist. *When Faith Meets Therapy* contains priceless practical knowledge to break stereotypes that surround therapy while also offering immeasurable hope and encouragement. By Faith, Not by Sight Scott MacIntyre, 2012. This is Scott's story, but he'd be the first to tell you that it's not really about him. This is the story of how God used a dedicated family, a selfless acquaintance, hardship, and a host of characters to give him life, faith, determination, and experiences most can only imagine. *Benny the Frog's Leap of Faith* Ranee Rosenlund, 2010-03. It is about a little tree frog who wishes to be like all the other frogs he sees everyday playing down by a lily pond. He wishes that he could jump from lily pad to lily pad. The problem with Benny is he can never make a decision on anything he wants to do. He has no confidence in himself. Will he sit day after day watching all the other frogs play, or will he make that decision to join the other frogs? You will have to read the story to find out. Lily pond with beautiful pink flowers on them. The only thing that keeps him from doing

this is he has no confidence in himself Only time will tell what happens if and when he makes that decision *Coming Back to Faith* J.
