Staff, R R Bowker Publishing, 1996-09 **In the Name of Belief** George M. Watson Jr., 2021-01-22 In 1672 Thaddeus and Elisabeth Haskins a young couple from Cape Cod Massachusetts journeyed to Falmouth Maine hoping to establish a new life In three years they became successful farmers producing abundant crops and managing a growing cattle herd until barely escaping with their two children from an Indian attack during King Philip's War The Haskinses lost everything and limped back to their Cape roots remaining there until their parents passed With the proceeds of their families estates the couple moved to Salem Massachusetts purchased and operated an inn tavern and several farms They planned to acquire capital and return to their Falmouth lands Thaddeus hired Almerk a talented multibreed Indian who became his right hand man and later married his daughter At Salem Elisabeth was accused of witchcraft and died in prison awaiting trial This enraged Thaddeus and enhanced his already intense loathing of the Puritan hierarchy and their religious beliefs He passed his views on religion and the clergy to his progeny Overtime the family became wealthy and prominent if not dominant in Falmouth society They acquired a fishing fleet merchant vessels and an abundance of farm and forest lands In short they became colonial aristocrats Their descendants participated in wars against the Indians and the French the Revolutionary War and the War of 1812 the Civil War the Spanish American War and both world wars of the 20th century The Haskins family became renowned for charity assisting new settlers in surviving the extremes of the Maine winters On many occasions their financial assistance helped Falmouth later Portland endure hard times In the 19th century the Haskins became international traders and bankers shifting some of their operations to New York Canada and London while retaining their Portland mansion and position in the city's society The family did not acquire all of its wealth legally Critics considered their cooperation with the British during the Revolutionary War to be treason and their later liquor smuggling flouted the law even as it added to the family fortune The novel follows the Haskins family's adventurous march through three hundred years of war and peace ending with World War II and the final disposition of the Haskinses Portland homestead and the dispersal of family members throughout the

country and abroad This is an account of a family s survival and attainment of great wealth and influence achieved largely through hard work and wise decisions Throughout their history the Haskins preserved their skepticism of established religion

*Small Press* ,1996      Inside the Jesuits Robert Blair Kaiser,2014-05-23 Pope Francis the first Jesuit pope has captured our attention by stepping away from the papal throne unafraid to give impromptu interviews decentralize church governance or explore new horizons for the greater good of the people of God His actions and words suggest that he is here not to dominate but to serve less inclined to preach than to listen and to bring us back to Jesus that we may have life and have it more abundantly Award winning journalist Robert Blair Kaiser argues that the pope s Jesuit DNA is central to understanding how Pope Francis is shaping the church and the world Inside the Jesuits takes readers inside the Jesuits head and heart take on faith The author tells the story of his own Jesuit training before leaving to become a journalist and highlights how the key elements of the Jesuit formation have made Pope Francis the pope he is like Jesus in his simplicity launching bold administrative moves to update the Church and daring to say and do things no other pope has said or done He washes the feet of those in prison including a Muslim woman He says of homosexuals Who am I to judge To further illustrate the Jesuit DNA in action Kaiser produces some fascinating profiles of other Jesuits and former Jesuits working the Jesuit motto for the greater glory of God which Kaiser gives a more worldly spin for the greater good of the people of God Inside the Jesuits is a powerful exploration of how the Jesuit training to be more like Jesus has shaped Pope Francis a self confessed sinner who encourages us to love our supposedly less worthy selves and help make a better world      **The Publishers Weekly** ,1995

A. Brown,2011-07 Desperate to become a priest in the Catholic Church

Aleksandra Kowalski turns to Thomas Patrick O'Reilly one of the wealthiest and most successful trial lawyers in Houston Texas Tommy believes the Catholic Church has no basis under United States law to exclude women from the seminary and files suit against the Archdiocese of Galveston Houston and Archbishop Jorge Sierra for sex discrimination without justifiable cause The Catholic Church hires Monsignor Enrico Renzulli the General Counsel of the United States Catholic Conference of Bishops Renzulli a priest and Harvard educated attorney has substantial trial experience and has taken on and beaten lawyers considerably smarter than O'Reilly He believes the lawsuit should be summarily dismissed because the First Amendment of the United States Constitution grants all citizens the freedom of religion and it prevents a federal court from interfering with the ecclesiastical rules of any church including the Catholic Church But watching and waiting in the wings is an extreme and tyrannical sect unaffiliated with the Catholic Church As the trial unfolds and the legal proceedings begin to undermine the sacred Catholic Church teaching a right wing extremist and a member of the Holy Mother Church concocts a plot to stop the heresy against God that includes kidnapping and murder Will the First Amendment protect the Catholic Church and supersede all Will Tommy O'Reilly come through Will Aleksandra Kowalski survive this ordeal Find out in R A Brown's gripping legal thriller Created Equal *The Utne Reader*, 1995-07 **How I Became King by Eating Monsters Volume 3** Daken, 2025-08-31 Saint or Sinner The Church of Mauve the largest religion on the continent of Ares has just announced a new doctrine prohibiting the consumption of monsters Needless to say the Farunians aren't happy about it They're ready to start a war but Mars wants to talk things out peacefully so he decides to pay the Theocracy of Mauve a visit On a fleet of dragons So much for keeping a low profile As Frau and members of the Hundred cause a violent stir in the Theocracy Mars meets someone who possesses charm the brutal Farunians lack the beautiful elegant and talented candidate for sainthood Maria Mars hopes that by striking an agreement with the church and bringing Maria to Farune as its new bishop he may finally be able to have peace even if he still can't get a decent meal But an even greater conflict is on the horizon one that threatens to change Ares forever Will the overwhelming odds be too much for Mars And is Maria really all that she seems Players of Shakespeare 3 Russell Jackson, Robert Smallwood, 1993 Thirteen actors describe the Shakespearean roles they played with the Royal Shakespeare Company between 1987 and 1991 The anthology includes the Company's highly successful adaptation of the Henry VI plays retitled *The Plantagenets* Arrival Of Morning Star, **The Great Awakening on Temperance, and The Great Controversy, Romanism, Protestantism and Judaism**, 1878 Religion and the State Natalie Goldstein, 2010 Presents a guide to the issues related to religion and the state including definitions primary sources important documents research tools organizations and notable persons **The Theoretical Solution to the British/Irish Problem** Michael Gillespie, 2013-11-28 This New book offers prescription to cure British Irish conflict Michael Gillespie's thesis offers both an examination and corrective actions DERRY LONDON DERRY Northern Ireland Historians have a severe drawback in that they describe but don't prescribe says author Michael Gillespie They can describe

events and problems but are lax in prescribing remedies for these Gillespie does more in his new book *The Theoretical Solution to the British Irish Problem Using The General Theory of a Federal Kingdom* clearly stated and fully discussed in this Thesis published by AuthorHouse which examines the perennial points of conflict between Britain and Ireland It is the purpose of Gillespies book to revive the concept of a federal kingdom in Ireland as a solution to the British Irish problem The kingdom was federal before the Acts of Union in 1707 and 1801 According to the author the Act of Union which established the United Kingdom of Great Britain and Ireland was an attempt to devise a unitary state for the British Isles in which those islands were ruled directly from Westminster in London and the inhabitants of Ireland were British This failed dismally and was resisted by federalists in Ireland throughout the 19th and 20th centuries There is no simple solution to the British Irish problem and half measures of the Good Friday and St Andrews agreements at Stormont will fail The coalition at Stormont of loyalists and Republicans is a constitutional obscenity Gillespie says You are urged therefore to read this book in full to gain a valuable insight into the complexities of the nuts and bolts of this historic problem and find in the National Government of Ireland Act an approach that can be built in bricks and mortar in Ireland if the will of compromise among politicians and the people can be found to do it      *Walking Against the Red Hand* James G.
