Meilaender here offers reflections on the moral life from within the life of faith Drawing on such diverse sources as E B White Alasdair MacIntyre Augustine and Felix Salten the author of *Bambi* Meilaender focuses on the particular shape of the Christian life as it pertains to the commitments of believers and to the way in which those commitments form moral vision

The Dynamics of Faith James C. Champlin, 2003 **Abraham's Faith in Romans 4** Benjamin Schliesser, 2007 The concept of faith is at the core of Paul's theology and the classic passage for his understanding of *pistis* is Genesis 15:6 After discussing the history of scholarship on the Pauline concept of faith Benjamin Schliesser explores the literary tradition historical and structural questions of Genesis 15 and offers a detailed exegesis of verse 6 with its fundamental terms count righteousness and believe He then points to the theological significance of this testimony on Abraham for the Jewish identity it comes into sight in a multifaceted and nuanced process of reception from later Old Testament texts Psalm 106 Nehemiah 9 to a broad array of literature from Second Temple Judaism Septuagint Sirach 44 Jubilees 14 4QPseudo Jubilees 4QMMT 1 Maccabees Philo In the final and most substantial step he asks about Paul's hermeneutics of faith How does Paul in his exegesis of the Genesis quote in Romans 4 come to view Abraham as the father of all believers What is the concept of faith that he develops on the basis of Genesis 15:6 Taking into account the manifold textual and thematic links between Romans 4 Romans 3:21-31 and Romans 1:16-17 a unique twofold structure of faith discloses itself *Pistis* designates first a divinely established sphere of power i.e. a new christologically determined salvation historical reality and second human participation in this reality i.e. individual believing in the community of believers Particularly the first aspect is generally overlooked in

grace filled experience that gives us a sacred glimpse of His hand and presence in our lives As you read these stories of God sightings your faith in our invisible God will be deepened and enriched Dr Jack Connell Executive Vice President Roberts Wesleyan College and Northeastern Seminary If you want a real life glimpse of some ways God actually shows up in human affairs JoAnne Jones Fifty True Stories is the book to read Then prepare to build a bigger box for your faith I predict you will likely need it David L Thompson Ph D F M and Ada Thompson Professor of Biblical Studies Asbury Theological Seminary

Understanding the Atonement for the Mission of the Church John Driver, 2005-07-06 At the very center of the Christian faith is Jesus a crucified Messiah All the wisdom and the power of God have been revealed in him Apart from such wisdom and power no genuine Christian experience is possible Unfortunately Western Christianity has been so conditioned by Constantinian presuppositions that it has failed to take into account the centrality of the crucified Messiah It has been far more preoccupied with worldly wisdom and worldly power than with faithfulness to the gospel of the kingdom It has concentrated on the salvation of the individual soul but has frequently disregarded God s purpose to create a new humanity marked by sacrificial love and justice for the poor In the classical theories on the atonement the work of Christ was unrelated to God s intention to create a new humanity Driver here demonstrates that the covenanted community of God s people is the essential context for understanding the atonement The reconciling work of Christ creates a reconciling community where all the barriers that divide humankind break down Driver s book is an invitation to look at the cross not merely as the source of individual salvation but as the place wherein begins the renewal of the creation the new heavens and the new earth that God has promised and that the messianic community anticipates May many readers heed its message C Rene Padilla Buenos Aires

The Faithfulness of Jesus the Messiah Walter D. Zorn, 2020-10-26 Strange how one little word the Greek word pistis can make a profound difference in understanding the Bible Pistis is usually translated faith but in different contexts of the New Testament the word can have several other meanings such as faithfulness trustworthiness solemn promise or oath proof or pledge conviction and doctrine of the Christian faith This book will challenge the reader s understanding of Paul s expression pistis Christou faith faithfulness of Christ and the use of the pistis word group verb noun and adjective throughout the New Testament Given the Old Testament background to this word one will learn how the apostle Paul utilized an obscure phrase from the prophet Habakkuk to refer to a coming Messiah who in turn lived in faithfulness to the Father s will to die on a cross for the sins of the world This book will reveal how the gospel is emphasized throughout the New Testament in terms of the faithfulness of Jesus the Messiah New and fresh interpretations of various texts will challenge the traditional understandings of such texts When a person comprehends pistis as God s faithfulness and the Messiah s faithfulness the only human response is pistis itself meaning faithfulness as described in Hebrews 11 God is faithful and Jesus is faithful Will he find us faithful *Faith and Obedience in Romans* Glenn N. Davies, 1990-01-01 **Unshaken** Crawford W.

Karmic Christianity E. D. Burns, 2023-07-25 Resting in the Refuge of God's Love All people struggle with fear Perhaps a child has a life threatening illness Your spouse loses a job and you don't know how bills will get paid We wonder whether tough times indicate that God is not pleased with us To regain assurance and peace we try harder to please God and attain blessings We can too easily fall into a karmic like cycle of good works relying on our own power to break the cycle of fear In Karmic Christianity E D Burns explains why the antidote to fear is not power but rather peace God's peace The peace of Christ sets us free from anxiety arising from hardships and our inability to control our situations Lasting peace is not grounded in subjective experience Instead Christ secures it for us by his death and resurrection If we're honest we know that our best is never good enough We are frequently powerless to change our circumstances Burns shows why the solution is not working harder being better or just giving up Readers learn why we don't need to be exhausted Instead we can rest in God's refuge trusting that his love for us is perfect in Christ

Paul and the Language of Faith Nijay K. Gupta, 2020-02-04 A dynamic reading of Paul's faith language outlining its subtle nuances as belief trust and faithfulness Faith language permeates the letters of Paul Yet its exact meaning is not always clear Many today reflecting centuries of interpretation consider belief in Jesus to be a passive act In this important book Nijay Gupta challenges common assumptions in the interpretation of Paul and calls for a reexamination of Paul's faith language Gupta argues that Paul's faith language resonates with a Jewish understanding of covenant involving goodwill trust and expectation Paul's understanding of faith involves the transformation of one's perception of God and the world through Christ relational dependence on Christ as well as active loyalty to Christ Pastors and scholars alike will benefit from this close examination of Paul's understanding and use of faith language For Gupta Paul's understanding involves a divine human relationship centered on Christ that believes trusts and obeys

Roman Faith and Christian Faith Teresa Jean Morgan, 2015 This study investigates why faith *pistis fides* was so important to early Christians that the concept and praxis dominated the writings of the New Testament It argues that such a study must be interdisciplinary locating emerging Christianities in the social practices and mentalities of contemporary Judaism and the early Roman empire This can therefore equally be read as a study of the operation of *pistis fides* in the world of the early Roman principate taking one small but relatively well attested cult as a case study in how micro societies within that world could treat it distinctively Drawing on recent work in sociology and economics the book traces the varying shapes taken by *pistis fides* in Greek and Roman human and divine human relationships whom or what is represented as easy or

difficult to trust or believe in where pistis fides is deferred and reified in practices such as oaths and proofs how pistis fides is related to fear doubt and scepticism and which foundations of pistis fides are treated as more or less secure The book then traces the evolution of representations of human and divine human pistis in the Septuagint before turning to pistis pisteuein in New Testament writings and their role in the development of early Christologies incorporating a new interpretation of pistis Christou and ecclesiologies It argues for the integration of the study of pistis pisteuein with that of New Testament ethics It explores the interiority of Graeco Roman and early Christian pistis fides Finally it discusses eschatological pistis and the shape of the divine human community in the eschatological kingdom **Shades of Grace** Marc D. Simon

Th.D.,2021-06-07 Romans is largely regarded as the theological standard among New Testament writings as well as the clearest and most systematic presentation of Christian doctrine in all the Bible Its influence on figures such as Augustine Luther and Calvin have been well documented with Calvin referring to it as the singular key to understanding all of Scripture In *Shades of Grace* the first in his New Kingdom series pastor and author Marc Simon offers both an original translation of Paul's letter to the Romans as well as a fresh commentary on the letter itself His spirited approach to the Pauline corpus conveys both the depth and simplicity of Paul's writing and combines the author's careful scholarship and spiritual insight with lucid commentary background information and explanatory notes on key terms used by Paul in his letters The introduction to the commentary highlights the authorship occasion purpose and contents of Romans as well as Paul's unique understanding of Israel's God as the Father Lord and Spirit of creation The author follows the introduction with a verse by verse exposition of the text which is at once accessible to scholars pastors and students alike **The Shape of the Gospel**

Robert C. Tannehill,2007-02-20 Most of the following essays reveal my interest in the significance of literary forms both the short literary forms in the Gospels such as pronouncement stories and an entire Gospel as a formed narrative I am interested in the significance of these forms not just in literary classification systems I am interested in literary form as a clue to how the text may engage hearers and readers impact their thought and life if they are sensitive respondents The Gospel stories have been shaped in ways that give them particular potentials for significant engagement Study of literary form can help us recognize these potentials from the Introduction Contents Part I Gospel Sayings and Stories 1 Tension in Synoptic Sayings and Stories 2 The Pronouncement Story and Its Types 3 Varieties of Synoptic Pronouncement Stories 4 Types and Functions of Apophthegms in the Synoptic Gospels 5 The Gospels and Narrative Literature 6 You Shall Be Complete If Your Love Includes All Matthew 5:48 Part II The Gospel of Mark 7 The Disciples in Mark The Function of a Narrative Role 8 The Gospel of Mark as Narrative Christology 9 Reading It Whole The Function of Mark 8:34-35 in Mark's Story Part III Paul's Gospel 10 Paul as Liberator and Oppressor Evaluating Diverse Views of 1 Corinthians 11 Participation in Christ A Central Theme in Pauline Soteriology Scripture Study Journal Joy Rider,2014-02-03 This study journal has one purpose only that being to follow the scripture from Genesis through Revelation introducing you the reader to the person of the Holy Spirit The study is

scripture only Leaving the meditation you make through out to be the revelation between you the reader and the Spirit inspired word of God Take time to meditate Review whole passages that each scripture was pulled from as the Holy Spirit leads you to do so The space to the right of each passage of scripture was provided for notes as the scripture speaks new revelation to your spirit Read slowly do not rush through the study We believe you will never be the same as the new revelations change you from inside out

Galatians Mark J. Keown, 2024-03-11 This commentary of Galatians is a thorough examination of the text of the letter by Mark J Keown It includes an introduction to the letter and a verse by verse analysis of Paul s letter It is designed to be a readable thorough exploration of Galatians without being overly laden with engagement with secondary literature The Greek of Galatians is transliterated throughout the commentary including in the translations making the Greek accessible to all readers The real emphasis is engagement with the text the meaning of the Greek especially in regards to primary sources and the flow of Paul s argument against the Judaizers challenging his churches Yet as is usual in Mark Keown s work it is all presented in an easily understandable and readable way At points the author pauses to share a personal story or two adding flavor to the commentary While it is comprehensive and thorough It is ideal for preachers who are looking to really grapple with the meaning of Galatians for Christians today Special emphasis is given to Paul s summons in the letter that readers live by faith and not works and embrace God s call in the gospel to lay aside all forms of prejudice under God s reign In the discussion of Galatians 5 in depth consideration is given to the ethical issues it raises a helpful tool for Christians grappling with how to live by the Spirit in a twenty first century world full of challenges
