Faith And Prophecy For America With Cabettes:

America in Prophecy John Quiles, 2019-01-30 Is our Lord's return imminent Many Christians believe it is emphasizing that He has promised to return and that as His disciples we must be ready Yet in spite of their assurance surprisingly few of God's people may actually be prepared for His appearing Of the many signs suggesting that our Lord's return is near two in particular are of great interest the rise of Babylon and the restoration of Israel These two major end time events as foretold in Scripture have great implications for us as Americans and more specifically as Christians *America in Prophecy A Nation at a Crossroads* examines these two major prophetic indicators and not only reveals their importance in determining how close to our Lord's return we actually are but also their connection to what it truly means to be a disciple of Jesus Christ It unveils the big picture regarding end time Bible prophecy as it relates to America and shows how we are indeed standing at a crossroads not only as a nation but as God's corporate body the Church and as its individual members in particular *America in Prophecy* seeks to answer the question of where and how we as Christians living in the United States of America at this particular juncture in history fit into God's end time scenario Most importantly it explains what we must do to ensure that we are ready for our Lord's return Of all the books currently on the market one may be hard pressed to find a more pertinent timely and compelling message for today's Christian Outside of the Bible this is quite possibly one of the most exciting books you will ever read on the subject of end time Bible prophecy and the necessity for believers everywhere to make certain they are ready for our Lord's return

USA Prophecy Kenneth Mburu, 2020-11-03 This book will help you find the USA in the Bible It will help you find the vital role God has assigned the USA in His plan USA is Ephraim USA is the western gate of the world through which all divine movements in the physical world begin Numbers 2:18 USA is God's first born Jeremiah 31:9 They shall come

with weeping And with supplications I will lead them I will cause them to walk by the rivers of waters In a straight way in which they shall not stumble For I am a Father to Israel And Ephraim is My firstborn The USA is being called to repentance in this Jeremiah 31 9 verse that means offspring 31 of fruit of the spirit and divine completion from Him 9 Ephraim is half Israel and half Egyptian and so is USA The USA is being called out of the sin and idolatry of its Egyptian half such as seen in the eye of Horus on top of the pyramid at the back of the 1 dollar bill in Hosea 11 1 When Israel was a child I loved him And out of Egypt I called My son The USA is being called to repentance because it is the leader of the world as the USA goes so does the world Satan is therefore keen to usurp the USA and use it to establish his kingdom through the New World Order global government Satan has evolved this plot over thousands of years All players and institutions are in place and ready to take over the entire globe The only problem the physical door of the world that is USA has been shut in Satan's face by God God has done this by raising Donald Trump to block the final move of the antiChrist system Read this book therefore to understand the phenomena that is Donald Trump and why God has raised him as a wall against the move of Satan in these end times despite all his many human flaws Read this book to understand the future of America and what we especially as believers must do in this 2020 election period when the USA will either end up in continued preservation 45 or tribulation 46 depending on our choices and our efforts to either support God's move or Satan's move

The United States In The Light Of Prophecy Uriah Smith,

America, the Prophecy, and the End of the Age Eliora Ysrael, 2014-03-19 For years Bible Prophecy teachers have consistently interpreted bible prophecy using a methodology that results in a maze of false predictions speculations and errors What has been accepted as the traditional way of interpreting bible prophecy has created an atmosphere of confusion for most students and laymen Moreover the majority of preachers teachers televangelists and book authors today have consistently redefined the term nations as in governments state or country However the true biblical definition of the word nations peoples clans tribes or ethnic groups has been ignored and disregarded And it is by this definition that God deals with mankind Unfortunately the vast majority of Bible Prophecy teachers use the substituted definition to interpret bible prophecy Blurring the ability to know the who and the why of the prophecies by diverting attention to the states governments or countries instead As a result when the state not nation of Israel was reestablished in 1948 the Christian community proclaimed it to be a miraculous prophetic fulfillment However the problem with this supposition is that the true biblical definition of nations was completely ignored The shocking reality is this the current

occupants residing in Israel today are not the true nation people tribe clan ethnic group of Ysrael and are not the sons of Abraham Isaac and Jacob as identified in the scriptures The 1980 Jewish Almanac and the Encyclopedia Judaica state that better than 95% of the Jews residing in the nation of Israel today are of Ashkenazi or Khazar descent and are not the Israelites of the Bible So by substituting the biblical definition of nations with the new definition prophecy teachers completely ignore the fact that the true nation people tribe ethnic group of Ysrael is not in the land Shockingly 98% of all prophecy books on the market today consistently insert the incorrect nation people

Why America Still Matters to God Geoffery Broughton, 2017-09-29 WHAT IS GOD S PLAN FOR THE UNITED STATES OF AMERICA Just a blip on history s radar Mystery Babylon The Second Beast from the Book of Revelation Or something else entirely In today s troubled world all eyes seem to be on the U S We are the lone superpower and the world s greatest nation How does God see the United States The Church in modern times views America through the lens of the secular world not through the eyes of God What place does the U S have in God s plan and what role do we play in the End Times Why has God blessed the United States with such prosperity as the world has never seen before Is the United States really featured in scriptural prophecies Is America worth saving Read one pastor s seven year long journey to discover through biblical prophecy what role the United States will play in the End Times An important resource for the End Times A call to follow Christ A warning for the United States Sometime before the return of Christ God will raise up a nation made up of people from all different nations This nation will have a large population It will be a military power It will be known as a Christian Nation It will be a very wealthy nation It will not be called Israel And it will be located on the opposite side of the globe from the Middle East
