**God-Sized Hole** Benjamin M. Carter, 2021-07-21 If you are reading this thank you for picking it up This book is my attempt to share what my experience has been coming to know Jesus Christ and the abundant happiness and life that surround that The book intends to use real life examples from my own sinful living and put them in comparison to some useful biblical truths that share the same theme a man with a God sized hole The more I put into it the bigger it got and ultimately the consequences became dire at best The life that I lived trying daily to seek satisfaction through alcohol drugs sex money perceived power or popularity led down a road full of consequences losses heartache and nothing to show for it but loneliness fear and a desperation to survive thank God Once the bottom was hit God had no place for me to go but up and I don't mean heaven He helped me to live a life that is far more abundant and purposeful than I ever could have dreamed before I was completely shortsighted often wanting so much more but simply not able to attain or keep the feeling I wanted living in my own strength Ultimately over the years as you will see in this book the void grew darker and deeper It's a quick read intended to keep pace and interesting You will not find this book to be overly theological but I have attempted to pack it with enough truth to be useful for nonbelievers and believers alike It can be a great reminder or a large blinking warning sign and my only hope is that you find it to have been useful in understanding the void that we all have that God intends for Himself to fill No matter where you stand on that I hope you enjoy the ride It was a bit bumpy for me Happy reading and blessings

**Radically Real** David C Weiss,2002-07-20 As Christians how do we know for sure we re walking the talk living the example being the salt and light we re commanded to be in the Bible Do nonbelievers see the joy and authenticity in our lives Radically Real is a wakeup call to believers to look at the way we live our lives and to return to biblical Christianity To be Fishers of Men we must leave judgment on the doorstep Instead of following legalistic rules we re charged by Jesus to reach out to those around us about our faith and meet them where they are just like our Lord did Radically Real reminds believers of the high price our Savior paid for us out of His great love gives guidance in keeping our swords sharp by staying in the Word and being the fire that burns brightly with the light of Christ in a dark world in need of the Gospel s message Christianity isn t a cold lifeless ruthless set of rules that believers must endure in order to get to Heaven To be a child of God is to have access to a vibrant exciting and fulfilling life if only we leave the middle of the road and make the choice to stand with our transforming Lord

The Harlot by the Side of the Road Jonathan Kirsch,2009-09-23 Sex Violence Scandal These are words we rarely associate with the sacred text of the Bible Yet in this brilliant new book Jonathan Kirsch shows that the Old Testament is filled with some of the most startling and explicit stories in all of Western literature These tales of seduction and rape voyeurism and exhibitionism intermarriage and illegitimacy assassination and murder have been suppressed by religious authorities throughout history precisely because they are so shocking You mean that s in the Bible is the common reaction of the contemporary reader to the stories that Kirsch retells and explores In The Harlot by the Side of the Road Kirsch recounts these suppressed and mistranslated tales in the grand storytelling tradition Here is the tale of Dinah the young Israelite

daughter raped by a princely suitor The price for her hand in marriage The circumcision of every man in his kingdom Here too is the story of Lot's daughters who when faced with the possibility that they are the last survivors on earth must copulate with their drunken father to continue their race And the story of Tamar the harlot by the side of the road who must disguise herself as a prostitute and seduce her father in law in order to bear the child who has been promised her Kirsch places each story within the political and social context of its time and delves into the latest biblical scholarship to explain why each story was originally censored He also brings to light when and where each story was first written down and how it found its way into the Bible And he shows how these stories have something important to say to contemporary readers who might never pick up a Bible Kirsch reveals that the Bible's real power lies in its unflinching lessons in human nature And he illuminates the surprising modernity of the Bible's characters these were like us people delicately balanced between their destructive and generous natures Certain to excite controversy and ignite intellectual debate *The Harlot by the Side of the Road* will undoubtedly be one of the year's most talked about books
