among the people of God these concepts will help them be more effective leaders clearer communicators and more nimble troubleshooters and problem solvers Foreword by William Strauss and Neil Howe *The Presbyterian Magazine* Cortlandt Van Rensselaer,1860 **Imagining All Generations** Wilson McCoy,2025-06-03 Remember and reimagine church together Many churches today face worry and concern over their collective future One tragic consequence is that growing anxiety can turn inward on communities of faith A subtle distancing and dividing can occur often happening along generational lines Us versus Them thinking morphs into Old versus Young Instead of a culture of generation to generation churches are shaped and formed more by a culture of generation versus generation Imagining All Generations offers a better more faithful way forward by remembering our identity as the generational people of God This volume features nineteen authors from around the world providing fresh theological reflection innovative practical wisdom and a unified call for all churches to move into a more intergenerational future by answering four key questions What theology and theory support an intergenerational vision of the church What are researchers and practitioners learning about how to meaningfully bring together different generations in communities of faith How can churches better share faith among various age groups within their congregation How might we reimagine the worship assembly as a time and place where every generation brings a valuable contribution
