Faith Lies Darrell Smith, 2019-01-08 *Faith Lies* 7 Incomplete Ideas That Hijack Faith and How to See Beyond Them is for people noticing the cracks in the foundation of their faith as well as those who feel they have been hurt or discarded by a God or a faith that just does not make sense Faith lies are those seemingly required religious ideas or spiritual beliefs that are often confusing and rarely helpful LIE 1 The Bible is the Literal Word of God The Bible is not the written record of God's dictation God was most certainly the inspiration for the Bible but not the medium People were the medium they did the storytelling the writing the selecting and the interpretation that resulted in the Bible The Bible is not God's Bill of Rights and Constitution Rather it is a divinely inspired story of progression that should open things up rather than constrict and regulate LIE 2 God is Angry and Doesn't Like Me Especially When I Sin Instead of perceiving God as a loving parent many of us understand God as a cosmic scorekeeper intent on our purification

Understanding God as a loving parent not only requires a reframing of our perception of God but also invites us to see each other and ourselves as beloved children LIE 3 The Devil is God's Counterpart This is the bad idea that the Bible presents a continuous consistent narrative about the devil It simply does not Moreover when we string together what we actually have disparate statements about Satan made by different people from different places languages cultures and times we arrive at

the strange notion that there is a good god who is responsible for the good things in our lives and a bad god satan who handles the bad stuff LIE 4 I Am Supposed to Protect and Defend God and My Faith There are real tensions and conflicts around the globe today that are built on the notion that as people of faith one of our jobs is to defend our faith or our God Rather than settling for a god who needs our protection we can follow the powerfully divine thread of moving beyond the tribe that is found throughout the Bible LIE 5 There is One Right Way to Believe and One Right Way to Behave One of the root lies of fundamentalism in all faiths is the notion that true faith is defined by believing the right things and acting the right way Isn't it more likely that we are all part of a diverse creation that flows from a God that cannot be contained by any one belief or behavior LIE 6 Faith is a Private Matter Much like whom we voted for in the last election or how much money we make people have wrongfully accepted the idea that faith is a private matter and not to be shared with others The spiritual life has always been a communal life We require others to undertake our journey and others need us too LIE 7 Real Faith is Blind Belief The idea that true faith has no doubts or questions creates a powerless and impotent faith that discourages critical thinking and fosters the ridiculous assumption that science and faith are unrelated Real faith actually requires doubt criticism and exploration in order to change us let alone change the world While the loud voices at the margins adamantly declare faith either completely irrelevant or capable of being contained in one narrow ideology most people get lost in the mix feeling no certainty or comfort in either direction Faith Lies deconstructs the terrible notion that faithlessness and fundamentalism are our only options *The God Who Plays* Brian Edgar, 2017-12-20 Many people would be surprised to hear that a playful attitude towards God and the world lies at the heart of Christian faith Traditionally Christians have focused on the serious responsibilities of service sacrifice and commitment But the prophets say that the future kingdom is full of people laughing and playing which has implications for Christians who are called to live out the future kingdom in the present Play is not trivial or secondary to work and service only a playful way of living does justice to the seriousness of life Play is the essential and ultimate form of relationship with God which is why Jesus told people to learn from children Indeed a playful attitude is an important part of all significant relationships This book explores grace faith love worship redemption and the kingdom from the perspective of a playful attitude It describes how to create a play ethic to match the work ethic and discusses play as a virtue Aquinas's warning against the sin of not playing enough and Bonhoeffer's claim that in a world of pain it is only the Christian who can truly play Find Your Peace Rodica Malos, 2020 Your best prescription goes beyond science This book will help transform your way of thinking and give you tools to change your life and even your eternity It will help you cope with stress and others and change the world around you Despite health care professionals' constant efforts to educate, entice, advise, convince, indoctrinate and persuade patients with smooth talk, bribes, guilt and manipulation to make people understand and follow medical advice, the results are often minimal People continue to suffer from various diseases and chronic conditions Many still die prematurely from high levels of stress caused by fear, worry

anxiety and depression Even with so much knowledge the gaps in the way people manage stressors in their daily lives needs to be addressed In Find Your Peace Dr Rodica Malos tackles this universal topic head on Brimming with medical research basic brain chemistry and scriptural wisdom this powerful encouraging book reveals how the divine design of the human body functions most perfectly when a person s thought life aligns with God s instructions prescriptions beyond science God s divine prescriptions and timeless truths will transform comfort sustain and heal Readers will learn to confront their fear anxiety and depression with supernatural resources and develop a healthier lifestyle full of blessings and peace

Lisle,2017-09-20 Critics often claim that the Bible cannot be true because it has contradictions Other critics hear this claim and repeat it But few bother to check to see if it is really true A popular list of 439 alleged Bible contradictions has been circulating on the Internet for years Many critics refer to this list as the definitive proof that the Bible is flawed But apparently none of them bothered to actually check Interestingly not one of these 439 claims is a genuine contradiction This shows that critics generally do not perform careful scholarship When critics allege that the Bible has contradictions Christians should be ready and able to provide an intelligent answer The idea that people reject the Bible for good intellectual reasons is a myth and it needs to be exposed as such In the process of researching the biblical text we learn more about God and His sovereignty throughout human history The Bible really is supremely accurate and self consistent critics of the Bible are not Although there are a handful of Christian resources for answering alleged Bible contradictions none are so expansive in so short a volume Each answer is as concise as possible so that the book is not overly cumbersome Many Christians have heard the claim that the Bible has contradictions and they would like to be better equipped to answer the critic This book is for them **Faith Forward Volume 2** David M. Christian Agnostic Dustin Lawson, 2012-01-20 Could it be true that Jesus requires his followers to admit room for doubt in him According to this book yes The Bible realizes that faith and doubt are great enemies But the Bible also understands that faith loves doubt because faith thrives on its war with doubt and because doubt sustains faith's need to exist For this reason the Bible where maybe no other religious book does sees doubt as an ally because the Bible knows that if doubt could be eliminated and certainty attained then faith the resource that fuels the Bible's followers could not exist for there can be no faith where there is not doubt

Christian Faith for Handing On Helen Oppenheimer, 2013-12-23 Human beings have to ask how faith is possible in this mixed world of trouble and joy A safe universe with no scope for adversity would be a mechanical toy not a creation A glorious universe will be a place where troubles have eventually been overcome Christians believe in one God who is three Persons God the heavenly Father took the risk of making a real world full of living people capable of happiness Jesus Christ God the Son came as a human being to take responsibility for creation He suffered and died and he rose from death to vindicate the whole enterprise and show that creation can and will be made good People are not left to work out their own faith but are invited to belong to the church in order to keep in touch with God the Spirit They are to behave as God's children not by rule bound conformity but by grateful response to the glory of God the Holy Trinity
