Not Worth Fighting For Tripp York, Justin Bronson Barringer, 2012-05-17 In *A Faith Not Worth Fighting For* editors Justin Bronson Barringer and Tripp York have assembled a number of essays by pastors activists and scholars in order to address the common questions and objections leveled against the Christian practice of nonviolence Assuming that the command to love one's enemies is at the heart of the Gospel these writers carefully faithfully and no doubt provocatively attempt to explain why the nonviolent path of Jesus is an integral aspect of Christian discipleship By addressing misconceptions about Christian pacifism as well as real life violent situations this book will surely challenge the reader's basic understanding of what it means to be a follower of Jesus Contributors include Andy Alexis Baker Justin Bronson Barringer Gregory A Boyd Robert Brimlow Lee C Camp Shane Claiborne John Dear Amy Laura Hall Stanley Hauerwas J Nelson Kraybill Ingrid E Lilly D Stephen Long Gerald W Schlabach Kara Slade C Rosalee Velloso Ewell Samuel Wells Tripp York

Fighting for Faith and Nation Cynthia Keppley Mahmood, 2010-08-03 The ethnic and religious violence that characterized the late twentieth century calls for new ways of thinking and writing about politics Listening to the voices of people who experience political violence either as victims or as perpetrators gives new insights into both the sources of violent conflict and the potential for its resolution Drawing on her extensive interviews and conversations with Sikh militants Cynthia Keppley Mahmood presents their accounts of the human rights abuses inflicted on them by the state of India as well as their explanations of the philosophical tradition of martyrdom and meaningful death in the Sikh faith While demonstrating how divergent the world views of participants in a conflict can be *Fighting for Faith and Nation* gives reason to hope that our essential common humanity may provide grounds for a pragmatic resolution of conflicts such as the one in Punjab which has claimed tens of thousands of lives in the past fifteen years

reminder of the resilience of the human spirit amidst the ravages of conflict **Fight the Good Fight of Faith** R. C. Jette,2021-10-14 Many of God s soldiers are overwhelmed with daily struggles We feel we are getting nowhere and see no light at the end of the tunnel We are worn out from the never ending warfare We want life easier and are beginning to wonder if we can continue to fight the good fight of faith Fatigue has enticed us to seek the distractions in this world We are living in the now instead of focusing upon our future inheritance Eternity is no longer our top priority We have forgotten that this life is a vapor that will fade away whereas eternity is forever It is imperative for us to realign our focus upon eternity and what is necessary to finish our race Inheriting all things is contingent upon overcoming If we are to fight the good fight of faith and run the race set before us with patience we have to take authority be the aggressor be the strong force over the enemy of our souls As you read through the pages allow the Holy Spirit to open your eyes of enlightenment to encourage you to continue to reveal aggressive warfare and how to run your race with resolute endurance until the finish Journey into Faith H. Holroyd,2015-05-26 Andrew was a son of a powerful sub king His father wanted twelve sons each to be named after one of the twelve holy men he had learned about from an itinerant preacher When tragedy struck and the kings wife died giving birth to a sixth brother all talk of faith died with her The kings eyes turned solely to the defense of his lands The teachings which were tied to a God whom he thought had failed him were not to be part of the picture These were rough times Vikings were raiding the shore areas taking what they wanted and leaving destruction There was strife closer to home as well as stronger families tried to grasp more land from weaker families Andrew knew the direction that his life would be taking When he became old enough he would start weapons training He would learn the ways of the warrior and he would join his fathers war band and defend his land from the invading Vikings Life however does not always meet expectations Another traveling preacher visits the land and talks to Andrew about a different path to follow a path that does not parallel the ways of a warrior Which path will Andrew follow Congressional Record United States. Congress,1942 The Battle Worth Fighting Julie Ann Allen,2018-10-30 When we first become parents we don t imagine ever being single parents Regardless this is where we are Instead of evaluating God s love based on your circumstances evaluate your circumstances through the lens of God s love This is what it is to co parent your children with God The Battle Worth Fighting is both a practical guide to approach the challenges of raising children in this current culture with the social influences they face as well as a guide to spiritual development and growth for your children and you Let God be the authoritative parent for your children Establish the boundaries you know God is leading you to establish Place your priorities where God is showing you to place them Your prayer request is to hear his call and move in the direction he leads This is a game changer Instead of seeking the path to acclaim and earthly accomplishments we seek what God values and wants for us and for our children This is what provides the foundation for how you parent your children and who you teach them to turn to as the authority in their lives God is calling us to invest in our children so they can become who God had in mind when he created them Fighting

for Our Right to Be "Good" Minister Tanya E.
