## **Faith Of The Church:**

**Understanding the Faith of the Church** Richard Alfred Norris, 1979      **The Faith of the Christian Church** Gustaf Aulén, 1960      **Christian Faith** Hendrikus Berkhof, 1991 In today's secular world the Christian faith is viewed as only one aspect of what could be called religious life Acknowledging this Hendrikus Berkhof begins this thought provoking study with a sketch of religion and faith in general before narrowing it down to a discussion of the specific place of Christian faith in all of reality      **The Christian Faith** Friedrich Schleiermacher, 1999-01-11 The classic work of Christian theology which seeks to present the Christian faith in its entirety Schleiermacher was equally at home in the theological systems of Protestant orthodoxy and the new world of thought shaped by the historical and natural sciences and German philosophy He follows a confident course through the entire range of themes in dogmatics but leaves both the dogmatic task and the individual themes transformed by a powerful and original mind A new foreword by B A Gerrish summarises the dogmatic goals of The Christian Faith and corrects some common misreadings of his work      **The Faith Explained Today** Joe Babendreier, 2017-03-31 Written in the same style and spirit as the classic best seller The Faith Explained by Leo Trese The Faith Explained Today by Joe Babendreier offers an explanation of the faith that is easily accessible to modern readers especially students and young adults The book is in six parts and covers the full spectrum of Church teaching over the last 2 000 years These parts include What Christians Believe How God Reveals Morality The Way Christians Worship The Human Person Prayer Complete with review questions at the end of each chapter and frequent use of writings from Sacred Scripture the saints spiritual writers and the Magisterium this book will help you understand what God revealed through Jesus Christ as the Church has believed it preserved it and treasured it from the beginning      **The Rule of Faith** Everett Ferguson, 2015-07-28 The rule of faith was a summary of apostolic preaching and teaching made by writers of the early Christian centuries As such it carries great importance for what the early church considered basic to its being and identity It was not a fixed text like a creed but varied in wording and content according to circumstances Yet despite this flexibility and diversity there is a clear Christ centered Trinitarian core at the heart of the rule shared by the early apostolic churches In this short guide Everett Ferguson introduces readers to the primary sources of our knowledge of the rule the variety of ways in which ancient Christian authors spoke of the rule and different scholarly attempts to interpret this ancient evidence Ferguson argues that statements of the rule of faith were used to instruct new or potential converts to combat false teachings and to provide a framework for interpreting the Scriptures He maintains that the rule retains considerable importance for churches of the twenty first century      [The Journey of Faith](#) Benedict Groeschel, 2010-04-16 The Good News is still good news We live in a time of constant crisis of anxiety and insecurity We are unsure of who and what to trust no matter how anchored and seemingly untouchable the source The Catholic Church is certainly no stranger to this controversy and for many people it is the very source of one's crisis For all these reasons we ask ourselves the haunting question Why do

we believe Father Benedict J Groeschel knows that asking Why believe can be an important and positive step toward deepening one's relationship with Christ and His Church The popular author psychologist and teacher knows firsthand the doubts and questions experienced on every journey of faith as well as the answers people seek Focusing on how the Good News is still good news Father Groeschel offers clear and concise answers about science about Scripture and about the Church itself Renew your faith in God in Christ and in the Church to better weather the storm of secularism skepticism unbelief and the temptations of the world     The Rule of Faith Ephraim Radner, George Sumner, 1998-06-15 This collection of essays presented at the 1997 Scholarly Engagement with Anglican Doctrine SEAD Conference counters some of today's New Testament scholarship particularly that of the Jesus Seminar Asserting that only canon and creed can render knowledge of God two generations of scholars speak for a retrieval of more traditional modes of interpretation by and for today's church The Rule of Faith features three keynote addresses by eminent New Testament scholar the Rev Dr Brevard S Childs Sterling Professor of Divinity at Yale University one of the most notable Biblical theologians in contemporary American Christianity It also contains works by several younger scholars many of whom studied with Dr Childs and represent an emerging generation of orthodox Christian leadership for the Episcopal Church including Ephraim Radner George Sumner Kathryn Greene McCreight Stephen Holmgren R R Reno Christopher Seitz Kendall Harmon William Witt and Chris Brown Their writings give voice to scholarly engagement with the creedal Christian faith in the Episcopal Church     *Handing on the Faith* Robert P. Imbelli, 2006 Volume 1 THE CHURCH IN THE 21st CENTURY SERIES A new venture of Herder Herder in cooperation with The Church in the 21st Century Center at Boston College www.bc.edu/church21     THE LECTURES ON FAITH JOSEPH SMITH, JR., 2022-08-07 THE LECTURES ON FAITH BY JOSEPH SMITH JR Key features of this book Unabridged original content This book is comprised of 5 lectures on Faith Available in multiple formats Paperback Hard cover eBook Large print paperback Large print hard cover Proper paragraph formatting with Indented first lines 1 25 Line Spacing and Justified Paragraphs Properly formatted for aesthetics and ease of reading Custom Table of Contents and Design elements for each chapter The Copyright page has been placed at the end of the book as to not impede the content and flow of the book Original publication 1835 This book makes a wonderful addition to any Latter day Saint library At Latter day Strengths we have taken the time and care into formatting this book to make it the best possible reading experience We specialize in publishing classic books for Latter day Saints and have been publishing books since 2014 We now have over 500 book listings available for purchase Enjoy     *A Short and Plain Way to the Faith and Church, etc* Richard HUDLESTON, 1850     Great is the Mystery of Faith Paul Ferguson, 2014-09-16 A fresh way of exploring the Christian faith taking the familiar words we repeat in services week by week to explore core Christian belief Ideal for confirmation courses study groups and individual reading     ,     *Reasons to Believe* Scott Hahn, 2007-05-08 This book unravels mysteries corrects misunderstandings and offers thoughtful straightforward responses to common objections about the Catholic faith

Bestselling author Scott Hahn a convert to Catholicism has experienced the doubts that so often drive discussions about God and the Church In the years before his conversion he was first a nonbeliever and then an anti Catholic clergyman In REASONS TO BELIEVE he explains the how and why of the Catholic faith drawing from Scripture his own struggles and those of other converts as well as from everyday life and even natural science Hahn shows that reason and revelation nature and the supernatural are not opposed to one another rather they offer complementary evidence that God exists But He doesn't merely exist He is someone and He has a personality a personal style that is discernible and knowable Hahn leads readers to see that God created the universe with a purpose and a form a form that can be found in the Book of Genesis and that is there when we view the natural world through a microscope through a telescope or through our contact lenses At the heart of the book is Hahn's examination of the ten keys to the kingdom the characteristics of the Church clearly evident in the Scriptures As the story of creation discloses the world is a house that has a Father a palace where the king is really present God created the cosmos to be a kingdom and that kingdom is the universal Church fully revealed by Jesus Christ **A**

**Treatise on the Church of Christ: Designed Chiefly for the Use of Students in Theology** William Palmer, 2025-08-05 Reprint of the original first published in 1838 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **RetroChristianity** Michael J. Svigel, 2012-04-30 Evangelicalism is in trouble Surveying the modern evangelical landscape professor Michael Svigel asks Why does evangelicalism appear to be spinning out of control losing appeal to younger generations dwindling in numbers or selling out to pop culture to muster a crowd He seeks to answer this question by looking to the past to a Retro Christianity Calling for a return to evangelicalism's historical and theological roots Svigel begins by addressing some of present day evangelicalism's problems and explores what can be done to help churches regain a healthy perspective on doctrine He then gives practical examples of what establishing a biblical historical and theologically sound foundation will mean for Christians as they think through aspects of church life and worship As the numbers of those confused or disenchanted with evangelicalism continue to grow Svigel's book meets a timely need and will benefit many readers with his balanced argument for preserving the evangelical faith **Light and Shadows** Walter

Brandmüller, 2009-09-03 The Crusades the Spanish Inquisition the Reformation and the Renaissance popes conjure in the imagination a corrupt Roman Catholic clergy hungry for wealth and power In this insightful well researched work the Vatican's chief historian Fr Walter Brandmüller takes a thoughtful and understanding look at these and other important chapters in Church history Without denying or flinching at the human capacity for folly failure and evil Brandmüller moves beyond the caricatures and legends that often substitute for real history to reveal a Church both human and divine fulfilling its mission in every time and place His goal is not to whitewash any of these past events or issues but rather to illuminate them and bring to them a more in depth comprehensive historical understanding on the basis of their causes circumstances and effects Now

let us take into consideration Church history from the theological viewpoint highlighting another important aspect Its essential duty in fact turns out to be the complex mission to investigate and clarify that process of reception and transmission of paral psis and of par dosis through which was substantiated in the course of the ages the Church s raison d tre Indeed it is beyond a doubt that the Church can draw inspiration for her choices by drawing on her centuries old treasury of experience and memory Pope Benedict XVI Address to the members of the Pontifical Committee for Historical Sciences March 7 2008

**The Motherhood of the Church** Henri de Lubac,1982 Priests are called Father and the Church is called Mother Our Holy Mother the Church is a traditional way of speaking among Catholics But are these outdated sentimental expressions Or do they express a deep insight into the nature of the Church as a whole and of ordained ministry in relation to the Church Is there a genuine theological meaning to the traditional reference to the Church as she Henri de Lubac addresses such questions with his usual profound erudition He deeply mines the Christian tradition in examining the Motherhood of the Church Focusing on the Church s Motherhood allows this great theologian to unite two profound truths the Church is the Bride of Christ and the Church is Christ s Mystical Body As de Lubac shows the Church cannot be rightly considered apart from Christ and his saving work both of which should be understood in light of the mystery of the Church s maternity
