## **Faith On Fire:**

**FAITH on FIRE** Deborah Curtin, 2020-01-12 Robert's brother becomes deathly ill and is sent to a home to recuperate. A letter arrives sent in secret that eludes to the caregiver and the home being of question. His father only states that it is the sickness causing delusional concerns and nothing more. It becomes evident to Robert's mother that his brother is not safe and he agrees to rescue him unbeknownst to his father. Arriving at the home their escape looks difficult as other boys thwart their plan until one other boy helps them. They surprise the boys and fight to win. Robert is thankful to him and they part as new friends. The two brothers arrive home to a joyous reunion yet their father remains stoic. This begins a family saga as the Civil War takes its toll pressing each one into different places and unplanned situations. One never knew who was friend or foe as the Northern and Southern states began to divide the country and its people. **Extreme Faith, On Fire Christianity** Mathew Backholer, 2018-01-29 God has given us powerful weapons to defeat the enemy, take back the spiritual land in our lives and to walk in His glory. One day while the author was tending to her zoo, an image of the Holy Wound of Jesus flashed vividly upon her mind, which guided her in writing of the hostilities of the war and how steadfast and burning faith serves to help people overcome life's ordeals on a daily basis of routine in the backdrop of a global pandemic and raging war. This book is a must read as it is the fruit of an encounter with God in the simple everyday life of a widow who has been called to write of heaven's caveats for today's world. **Faith on Fire** Sherrie C.
