Faith Seeking Understanding Essays Theological And Critical By Cushman:

Faith Seeking Understanding Robert Earl Cushman, 1981 **The Study of Evangelism** Paul W. Chilcote, Lacey C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church's mission. Many of the resulting books in the marketplace however have a hands-on orientation often lacking serious theological engagement and reflection. Bucking that how to trend, *The Study of Evangelism* offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice. Helpfully organized into six categories, these broad diverse writings lay a solid scholarly foundation for meaningful dialogue about the church's practice of evangelism. *Disciples and Theology* Stephen Sprinkle, 1999 Although the Christian Church Disciples of Christ has consciously avoided formal creeds, Disciples have through their history formulated their thought in distinctive theological ways. *The Early Methodist Class Meeting* David Lowes Watson, 2002-04-22 **The Book that Breathes New Life** Walter Brueggemann, 2005 NAME **Perfecting Perfection** Robert Webster, 2016-07-28 Henry D. Rack is one of the most profound historians of the Methodist movement in modern times. He has spent a lifetime researching and writing about the rise and significance of John Wesley and his Methodist followers in the eighteenth century and has also uncovered the historical significance of the Methodist Church in the nineteenth and twentieth centuries. Collected in *Perfecting Perfection* are thirteen essays honouring the life and scholarship of Dr. Rack from a host of international scholars in the field. The topics range from Wesley's view of grace in the eighteenth century to the dynamic intersection of the Methodist and Tractarian movements in the nineteenth century. Ultimately, the collection of essays offered here in honour of Dr. Rack will be engaging and provocative to those considering Methodist Studies in the present and future generations.

Where Two or Three Are Gathered Harmon L. Smith, 2004-12-02 Written for a broadly ecumenical audience, *Where Two or Three Are Gathered* explores what Harmon Smith calls the universe of discourse between the language of Christian worship and the language of morals. Following the customary order of the church's liturgy, Smith demonstrates how worship is meant to engender personal and social holiness and how, for example, prayer, the eucharist, and baptism are inextricably tied to our moral understanding of such searing and conflicted issues as capital punishment, pacifism, and warfare, surrogacy, and physician-assisted suicide. **Forming Christian Disciples** David Lowes Watson, 2002-04-26 In this volume, David Lowes Watson provides a basic resource for the formation of faithful Christian disciples and the revitalizing of congregations. Beginning with a Christ-centered model for the church, Watson shows how leaders in discipleship are the key to vital congregations. He then offers procedures for introducing and sustaining covenant discipleship groups as a means of developing these leaders and concludes with guidelines for the office of class leader as a means of implementing their leadership. How does a congregation decide on covenant discipleship? How are the groups formed? What is the role of a class leader? How do class leaders connect with other leaders in the congregation? These questions and much more are the subject

of a resource that is foundational for any congregation wishing to revitalize its life and work through the forming of faithful Christian disciples This volume is the third in a trilogy Covenant Discipleship Class Leaders and Forming Christian Disciples

Image and Hope Yaroslav Viazovski, 2016-02-25 Developments in biblical studies neurosciences and Christian philosophy of mind force theologians to reconsider the traditional concept of the immortal soul At the same time the concept itself tends to create axiological dualism between the body and the soul that in turn may lead to insufficient appreciation of the physical life in this world A more holistic approach to the ontology of human beings is required The aim of this study is to analyse the function of the concept of the soul in the dualistic anthropology of John Calvin and to compare it to the holistic anthropology of Karl Barth in order to answer the question of whether the transition from one to the other is possible without the loss of the functions fulfilled by the soul

Hope in Barth's Eschatology John C. McDowell, 2017-11-22 This title was first published in 2000 *Hope in Barth's Eschatology* presents a critical investigation and survey of Karl Barth's writings particularly his *Church Dogmatics* IV/3 in order to locate the character and nature of hope within Barth's eschatology Arguing that Barth with his form of hope that refuses to shy away from the dark themes of the tragic vision could be seen to undermine certain tragic sensibilities necessary for a healthy account of hope John McDowell locates Barth within the context of larger traditions of theological thinking and influential accounts of Christian hope examining the work of Steiner MacKinnon Pannenberg Rahner Moltmann and others Addressing the relative neglect that Barth commentators have paid to eschatological themes McDowell maintains that to miss what Barth is doing in his eschatology is to seriously misunderstand Barth's broader theological sense This book offers a significant contribution to the

ongoing task of understanding Barth's theology whilst developing a way of reading hope and eschatology that ultimately places some critical questions at Barth's door

Bearing the Witness of the Spirit George R. Hunsberger, 1998 What are the theological implications of today's multicultural world What does cultural plurality mean for the life and mission of the church George Hunsberger finds the answers to these and other questions in the missionary theology of Lesslie Newbigin which he brings into clear view in *Bearing the Witness of the Spirit*

Beyond Integrity Scott Rae, Kenman L. Paths to the Personal R. John Wesley's Moral Theology D. Stephen Long, 2005 The public theology of the Wesleyan tradition is best understood as moral theology rather than as philosophical and applied ethics Long asserts that the ethical nature of the Wesleyan tradition can be best understood using the frame of moral theology stemming from the virtue tradition particularly the work of Thomas Aquinas This recognizes that the gathering of the faithful for the purpose of

seeking holiness is the public voice of the church Because we squeezed the Wesleyan tradition in the academic discipline of philosophical and applied ethics we distorted our tradition This distortion led us into our current ethical impasse particularly with money war and peace homosexuality and technology An excerpt from the Circuit Rider review In John Wesley s Moral Theology D Stephen Long offers a radical proposal By letting Wesley be Wesley in his context and thus being out of step with ours Wesley actually has more to say to us in our postmodern context Here our problem with making him relevant for today is implied in the difference between ethics and moral theology As a moral theologian Wesley believed that doing and knowing what is good can only be achieved by being united with Christ In other words the Good and the True cannot be known outside of God Thus there is no separation between ethics and theology since the former is only intelligible in the light of the latter Click here to read the entire review

Missiology ,1991 An international review After Crucifixion Craig Keen,2013-11-19 This is an extraordinary text It addresses no small number of traditional theological concerns However it addresses them mindful of the earthiness of life Thus this is also a book that is concerned to address questions of migration brain physiology emotional trauma time love and death It is written not to satisfy a bloodless lust for the resolution of puzzles It is written with confidence that tangible bodies think Thus there is an earthy quality to its writing both in what it addresses and how it is addressed The manner of After Crucifixion may be imagined as a moment in which in some unpretentious underground venue the deep resonant percussions of subwoofers roll as a carnal wave across the chest and throat before they become the bass line in a conscious musical thought After Crucifixion has been written for the ears the chest the throat no less than for focused deliberate disciplined thought But it is written in particular for bodies befriended by the Mystery of life and death in the carnal event of the crucifixion resurrection of the Galilean peasant Jesus who unhands the fruit of the knowledge of good and evil and thus invites us to join him in prayer

The Quest for Love Divine Paul W Chilcote,2024-04-25 John Wesley s impact on Methodist theology and practice is well established but there are many other early figures who shaped Methodism just as thoroughly Quest for Love Divine explores the contributions of Charles Wesley by exploring the impact of his lyrics on methodist worship and the importance of lyrical theology in the founding of Methodism Chilcote also examines the contributions of early Methodist women such as Dorothy Fisher Mary Taft and Sarah Crosby exploring how the Wesley brothers and their community sought to inhabit faith working by love leading to holiness of heart and life In his collection of essays Chilcote explores the salient themes of Wesleyan theology and practice and reflects on its legacy in the Wesley s time and in ours By focussing on the nature of their discipleship and the centrality of love divine Chilcote brings Wesleyan theology into sharp and practical focus
