Faith to Faith CHAWKAT MOUCARRY, 2020-05-21 Is it possible for Christians and Muslims to engage in meaningful dialogue in genuine and truthful debate Do we dare to put our faith on trial To listen to each other in the best possible way and to give the reason for the hope that we have with gentleness and respect as we are commanded The two faiths hold much in common tracing their roots back to a common ancestor And yet they have always held to something of a ghetto mentality Mutual ignorance is the price paid for trouble free co existence and for some perhaps the price for survival Prejudice and misunderstanding leads to confrontational debate where one side tries to ridicule attack and defeat the other Political correctness and tolerance simply leads to superficial agreement Chawkat Moucarray believes that there is a better way Ever since he surprised the religious Education teacher by asking if he could attend the Islamic

class at high school he has been wholeheartedly committed to genuine Christian Muslim dialogue His prayer is that this book will help us to gain a better understanding of each other's faith as well as our own and above all a better understanding of the founder of that faith
