Addressed to the bishop of St. David's, in answer to his lordship's Protestant catechism. By J.M. By J. Milner* John Milner (bp. of Castabala.), 1896 **The End of Religious Controversy, in a Friendly Correspondence Between a Religious Society of Protestants, and a Roman Catholic Divine ...** John Milner, 1887 Theology and Prince Jonathan H. Harwell, Rev. Katrina E. Jenkins, 2019-11-21 Prince was a spiritual and musical enigma who sought to transcend race and gender through his words music and fashion Raised as a Seventh Day Adventist and later going door to door as a Jehovah s Witness he expressed his faith overtly and allegorically erotically and poetically Theology and Prince is an edited collection on theology and the life music and films of Prince Rogers Nelson Written for academics yet accessible for the layperson this book explores Prince s ideas of the afterlife race and social justice activism eroticism veganism spiritual alter egos with a deep dive into the dark character of Spooky Electric a queer listening of the Purple Rain album the theology of the Graffiti Bridge film featuring interviews with co star Ingrid Chavez and other collaborators and a story from Texas of a Christian worship service designed around Prince s music in the wake of his passing Those interested in theology and popular culture scholars of social justice racial identity LGBTQ studies and gender studies as well as Prince fans will find new ways of viewing Prince s old and new works *The Religious Roots of Contemporary European Identity* Lucia Faltin, Melanie J. Wright, 2007-09-01 This volume provides a coherent critical examination of current issues related to the religious roots of contemporary i e post 1990 European identity by analyzing the components of contemporary European identity the presence of religion in the development of national identities manifestation of religious roots in secular society and the role of religion in further European integration and social inclusion The book involves a multi and interdisciplinary approach to the theme by bringing together scholars in history religious studies sociology cultural studies European studies and international relations This rigorously edited volume provides a coherent analysis of the religious roots of Europe s identity today with particular attention to the secular context of religious communities Europe is often perceived as secular by most of its citizens regardless of their creed Bearing this in mind the authors build upon their expertise in different fields of arts and humanities to identify some of the key elements of European religious heritage and its manifestation in Europe s identity be it secular or otherwise perceived The authors also indicate the role these elements play in further European integration With this focused approach the publication identifies a number of similarities across faiths and more holistically vis vis Europe This serves the readers to perceive their own identity in a wider context of shared values reaching beyond a particular faith or non religious framework The Making of American Liberal Theology Gary J. Dorrien, 2001-01-01 This text identifies the indigenous roots

of American liberal theology and uncovers a wider longer running tradition than has been thought Taking a narrative approach the text provides a biographical reading of important religious thinkers of the time

Just War Tradition and the Restraint of War James Turner Johnson,2014-07-14 In this volume a sequel to *Ideology Reason and the Limitation of War* James Turner Johnson continues his reconstruction of the history of just war tradition by analyzing significant individual thinkers concepts and events that influenced its development from the mid eighteenth century to the present Originally published in 1981 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Christian treasury (and missionary review). , *Early Modern Catholics, Royalists, and Cosmopolitans* Brian C. Lockey,2016-03-09 *Early Modern Catholics Royalists and Cosmopolitans* considers how the marginalized perspective of 16th century English Catholic exiles and 17th century English royalist exiles helped to generate a form of cosmopolitanism that was rooted in contemporary religious and national identities but also transcended those identities Author Brian C Lockey argues that English discourses of nationhood were in conversation with two opposing cosmopolitan perspectives one that sought to cultivate and sustain the emerging English nationalism and imperialism and another that challenged English nationhood from the perspective of those Englishmen who viewed the kingdom as one province within the larger transnational Christian commonwealth Lockey illustrates how the latter cosmopolitan perspective produced within two communities of exiled English subjects separated in time by half a century influenced fiction writers such as Sir Philip Sidney Edmund Spenser Anthony Munday Sir John Harington John Milton and Aphra Behn Ultimately he shows that early modern cosmopolitans critiqued the emerging discourse of English nationhood from a traditional religious and political perspective even as their writings eventually gave rise to later secular Enlightenment forms of cosmopolitanism
