Congress. House. Committee on Foreign Affairs,2014 The Danger Habit Mike Barrett,2009-01-21 You ve been called

adrenaline junkie thrill seeker permanently out of the box difficult and just plain crazy And mostly it's true Whether you show your radical streak in extreme sports supercharged business ventures or high risk relationships you have a full blown danger habit As far as you can tell you were born with it And honestly you wouldn't have it any other way Except when your danger habit betrays you Then your craving for adventure turns into a magnet for disaster You leave a trail of broken commitments and unwise decisions You get trapped in stupid addictions You hurt the ones you love And you end up feeling like a big mistake But what if you were created extreme for a purpose What if the radical faith God has in mind for you doesn't have to come with a dark side What if it actually turned out to be your ultimate rush In his fast paced book *The Danger Habit* surfer and lifelong adventurer Mike Barrett explores the mindset of born radicals and the promise of what he calls adventure faith He combines personal story telling raw honesty and biblical wisdom in a reading experience that will capture your imagination and motivate you to reach for your huge life mission in Christ

Story Behind the Book I caused significant pain to my own wife and kids while struggling with an addiction to risk the pursuit of extreme sports and an overwhelming feeling of being bored with many Christians and standard church life My epiphany came a number of years ago when God broke through it all and showed me how propped up my life was without His real presence and power In the end we sold our suburban home moved to the Oregon Coast and started a ministry to surfers Countless lives were changed my wife and I even became pastors Once dead to the life I had pursued God gave me back an adventure I could never have previously dared hope for

Mike Barrett *Babel Church* Li Ma, 2021-03-16 Assisted by a diverse mass media industry American evangelicalism has been long plagued by consumerism entrepreneurism and social engineering Churches and movements that carry the name of Christ have become projects of ambition and scandals in the public eye Without fixing its dysfunctions these ministry models have expanded to other parts of the world reaping similar fruits of corruption prejudice and abuses The alarm call of MeToo and ChurchToo movements since 2017 made it more urgent for the global body of Christ to inspect its pathological patterns What kind of response does the MeToo movement require of our public theology and leadership ethics Sociologist Li Ma invites us to re-engage with biblical exegesis while being attentive to new mandates of God revealed from MeToo A creative Ellulian integration of sociological analysis and theology *Babel Church* incisively reveals why American evangelicalism and its global projects have succumbed to the temptations of worldly power at the expense of vulnerable members in the body of Christ
