## Faiths Check:

*Finding Faith---A Search for What Makes Sense* Brian D. McLaren, 2009-07-13 Does having faith mean abandoning reason It s easy to get that impression Still it seems reasonable that a supremely intelligent God would want you to use your God given intellect on your spiritual journey as much as in any other aspect of your life Faith may not stand on rational thinking alone but a solid faith should walk hand in hand with intellectual integrity Does it really matter what I believe What is the relationship between faith and knowledge Why are there so many religions Do all paths lead to the same God This book helps you sort through the questions objections and concerns you can t help but raise *A Search for What Makes Sense* will help you think your way clearly and honestly to answers that satisfy because they re your answers conclusions you ve arrived at personally without manipulation coercion or game playing For faith to exist and grow it s got to make sense good sense carefully thought out sense And chances are it does **FINDING FAITH** The *Finding Faith* books *A Search for What Makes Sense* and *A Search for What Is Real* don t try to tell you what to believe they are guides in learning how to believe If you think the spiritual journey requires turning your back on honesty and intellectual integrity these two companion volumes will speak to both your mind and your soul *The Search for Miri: A Profound Adventure of Faith* Frank D. Tigue, 2024-04-01 Frank Talcott is a struggling attorney His marriage has been very stressful due to his wife Jennifer s anxiety issues Unexpectedly Frank has a dream An unknown woman appears to him She tells Frank to follow signs that God is going to provide since drastic change is impending She implores him that through patience God will provide him what he has lacked in his life This dream motivates Frank to reassess his life s direction Faith Elizabeth Jennings is a young woman who has experienced tragedies in her life She had a twin who died shortly after birth That experience was followed by the death of her beloved grandmother Eliza Faith As a result she began experiencing severe depression After her death she nds and eventually marries her childhood sweetheart Gabe Her only desire was to live a simple life with Gabe who she began dating in high school Tragedy continued incessantly She experiences a miscarriage After a renewed ght with depression she gives birth to a baby boy This event solidi ed the contentment of living the simple life Unfortunately tragedy recurs when this child develops cancer and succumbs to the scourge shortly thereafter Finally Gabe gets sick He develops a brain tumor and dies For Faith it seems there is no way to escape impending tragedies The stress is unimaginable *The Search for Miri A Profound Adventure of Faith* is the story of how the paths of Frank Talcott and Faith Jennings eventually intersect Through a new profession dreams and unexplainable events Frank and Faith s lives cross in an incredible way Frank has the urgent desire to help Faith conquer her depression and be happy again However will all of Frank s efforts succeed or will Faith nally stumble into a great abyss of depression and sadness never to recover **Faith and Doubt** Steve Brown, 2016-03-07 You made a commitment to Jesus or maybe you didn t but now you are questioning everything Is there a God Are you really forgiven and accepted for Jesus s sake It sounds too good to be true And if the Bible really is true and Jesus really did rise from the dead

how come you don't feel any different Steve Brown a preacher pastor      **A Test of Faith** Karen Ball,2010-12-29 Anne's daughter Faith is the answer to her lifelong prayer to be a mother But her dream is shattered when the teenager rejects Anne's love and the love of God After years pass and God heals their relationship Anne falls seriously ill Faith watches her mother weaken struggling with role reversals and leaning on God as never before Through all the intricacies of their relationship all the joys and trials they learn that God is with them He brings them peace in the darkness joy in the midst of sorrow and hope in the face of death A Mother Anne knew God would answer her fervent prayers for a baby That's why when her daughter was born she named her Faith But as Faith grows into a teenager mother and daughter rarely see eye to eye about anything including God When Faith erupts in rebellion Anne's world is shattered Now Anne must leave her precious daughter in God's hands A Daughter By God's grace Faith survived a turbulent youth a terrible time when she hurt those she loved most Faith has since grown close to her parents especially her mom But then her mother falls seriously ill As Anne weakens Faith struggles with the reversal of their roles Though she finds strength in God fear is her constant nemesis Will God answer her prayers as He did her mother's And the God Who Loves Them Both A Test of Faith explores the intricacies of the mother daughter bond and celebrates the rich enduring love that often flourishes Follow these two women through a lifetime as they learn to surrender their relationship and dreams to God and trust that His love and faithfulness are unending Story Behind the Book I hope to give women a sense of celebration in this wonderful connection God has given us with our mothers and daughters to help them relate to each other in a more healthy and biblical manner To find joy in our differences and to find ways to praise God together for all He's given us This is a story that comes from my own experiences and will address issues I've seen Christians struggle with for years This is an honest sometimes difficult and yet ultimately encouraging and uplifting book      **Faith Simplified** Carol Peterson,2022-07-29 Christians know we are saved by our faith in Jesus but we can't always answer other people's questions about how that works Faith Simplified is written for Christians seeking a deeper and clearer understanding of their faith It explains Christianity to the non theologian by taking the reader through Scripture to see where the theology of salvation originated why it makes sense and how salvation through Jesus was God's plan from the beginning Although Faith Simplified explains complex theology from a scholarly perspective the conversational tone narrative illustrations and bullet summaries provide light bulb moments of understanding God wants it to be simple to believe in him He also gave us minds so we could understand our faith Faith Simplified explains Christian theology so that not only is it simple and easily understood it also makes sense making our faith stronger and easier to share

this book I try to describe as clearly and simply as possible the Christian journey from a life lived in worldliness and defeat to a life lived in and through the grace of God I use the Biblical story of Israel's journey from Egypt to Canaan in an allegorical sense to show how God through the activities and resources of the Holy Trinity tries to bring us to that place of living in grace and how the devil through the unholy trinity the world the flesh and demonic resistance seeks to thwart that journey I focus on three fronts in the battle between the two trinities On the first front the devil works indirectly through the world system Egypt to deny us our freedom that we have due to the atonement Living under the illusion of pleasure we end up in extreme bondage On the second front the devil works indirectly through our flesh Amalek to hinder us from following the leadership of the Holy Spirit as He attempts to guide us into God's grace On the third front we can expect to experience a more direct conflict with the devil and his spiritual forces Canaan These demonic forces will try to oppose and negate all the benefits of God's promised grace that comes into our lives through Christ XXXXX
