Faith's Greatest Enemies Frederick K. Price,1994 Major Faith Traditions of India V. S. Lalrinawma,2007 **A Great Faith Described and Inculcated** Isaac BACKUS,1805 Deliverance and Breakthrough Gerald Dumisani Aphane,2014-07-31 Deliverance and Breakthrough is all about helping you and everyone to tackle daily problems in a wise way on how to find the best solutions in your lifetime without a compromise It has stressed my concern to use my gift of Exhortation encouragement from God to give you courage boost your hope from within you to your actions and make choices that result in no regrets but pleasure lead you with factual information to understand things that are happening in your lifetime and be able to survive in most various perilous circumstances that humankind encounter It consists of various topics concerning deliverance and breakthrough and which individuals are sceptical about and I have quoted some biblical scriptures view as my evidence to support my encouragement to you My brothers and sisters consider yourselves fortunate when all kinds of trials come your way for you know that when your faith succeeds in facing such trials the result is the ability to endure Make sure that your endurance carries you all the way without failing so that you may be perfect and complete lacking nothing James 1 34 What an honour **Faith and Practice, Illustrated and Enforced in Twenty Four Sermons** Thomas Sheppard (Rector of Clerkenwell.),Rev. S. Biggott (A.M.),1844 Faith and Reason: or, the philosophy of the Catholic Catechism [of the Council of Trent]. ... Translated from the French Antoine Martinet,1861 *Hope: What It Can Do* Pastor Omojevwe Brown Emmanuel,2022-04-11 Hope what It can do means you must not give up and those in Christ should not be afraid of the temporary pains they faced through loyalty to God s word I believe strongly that everyone on this planet earth can change from worst attitude to the best and be useful in the kingdom of God Our hope in Our Lord Jesus s coming back heals all our pain and focus our minds on the glories and Joys ahead We are living in a world full of frustrations distrust dishonest faithless sorrowful unpredictable and a world where Jesus Christ s name is gradually remove from public places like schools and becoming irrelevant in the mind of our rulers both political and religious A world where religious leader supported things that Christ hates and preach against while on earth A world where the church powers over evil and wickedness is shut down by ruler s laws and bars and sexy clubs etc are encouraged to increase Unless you have a personal hope in God you cannot survive in the midst of these wickedness We are living in a generation of scams a generation of angers a generation vampires and murderer A generation that prefer evil to peaceful co existence and harmony and a generation where the Saints in Christ are without a genuine shepherd The book point us to God s hope alone to produced results and to know the facts and the truth about Jesus Christ for us to be established and bear fruits We should hope in God s words his promises and power to provide remedies to our sufferings pains and human sorrows This book point to us the need to serve God believe in Him and to put all our hope on His holy begotten Son Jesus Christ **The new Whole duty of man, containing the faith as well as practice of a Christian [&c.].** Whole duty,1741 **50 Days of Faith for**

Rev. Jeremy Taylor** Jeremy Taylor,1836 **What the Possession of the Living Faith Is, and the Fruits Thereof, and Wherein it Hath Been Found to Differ from the Dead Faith of the World, in the Learning and Following of Christ in the Regeneration** James Naylor,1659 **Personal Faith, Public Policy** Harry R, Jr. Jackson,2012-10-30 Harry Jackson and Tony Perkins believe that America stands at a crossroads As a nation we must choose God s blessings or His destruction of our society The Religious Right as it has been termed often looks to the world as its enemy and many Christians have seen themselves as combatants in war against anti God forces In Personal Faith Public Policy Jackson and Perkins take a radical new position stating that the Christian church must lead morally and impact the culture with personal spiritual power and unified Christian public policy demonstrating how a unified church can tackle each one of the seven major problems of our culture Achieving victories in each of the seven areas presented will result in vanquishing the big problem facing our country moral decay Show Less I Don't Have Enough Faith to Be an Atheist Norman L. Geisler, Frank Turek,2021-05-17 To some the concept of having faith in a higher power or a set of religious beliefs is nonsensical Indeed many view religion in general and Christianity in particular as unfounded and unreasonable Norman Geisler and Frank Turek argue however that Christianity is not only more reasonable than all other belief systems but is indeed more rational than unbelief itself With conviction and clear thinking Geisler and Turek guide readers through some of the traditional tested arguments for the existence of a creator God They move into an examination of the source of morality and the reliability of the New Testament accounts concerning Jesus The final section of the book deals with a detailed investigation of the claims of Christ This volume will be an interesting read for those skeptical about Christianity as well as a helpful resource for Christians seeking to articulate a more sophisticated defense of their faith *A Plain and Rational Account of the Catholick Faith* Robert Manning,1721 **A Stedfast Adherence to the Profession of our Faith, recommended in several sermons. With a recommendatory preface by W. Tongue, and others** Robert TRAIL,1763
