Fake Warriors:

Fake Warriors Henry Mark Holzer, Erika Holzer, 2003 Fake Warriors lays bare a national scandal the shocking story of countless men of the Vietnam War era who falsify their military service Their motives vary from seeking unearned glory at the expense of authentic heroes to more tangible benefits like defrauding the V A and stealing money from impressionable women This book will enable every patriotic American who appreciates the contributions of those who serve their country honorably to identify and expose fake warriors in their midst as well as to help bring about their long overdue punishment

Alien Rebel's Fake Bride Miranda Martin, 2021-06-30 Crystal Truth be told I've always been a little jumpy but being kidnapped by aliens shoved my anxiety into high gear They buy and sell us Earth girls like chattel Stealing us from our dying planet and keeping us on lockdown until they're ready to trade us away When my fellow humans and I are rescued by the savage Draconian Warriors things get better but we're not free So the other women leverage me into mating one of the Draconians in a grand scheme to take over the ship I'm nothing if not a team player but why did it have to be the huge scarred one who's as socially awkward as I am Deceiving these brutal warriors seems like a really bad idea the kind that could cause a small human like me to wind up dead or worse desperately in love with a massive winged and tailed alien Drake I live for nothing more than starting a revolution among my Draconian brethren I will set us free at long last from the misery of our Draconian Queens who have been driven insane by a parasite I don't have time or desire to rescue the human Queens but my brother insists When one of them lays claim to me I'm suspicious She panicked at the mere sight of me during the rescue and only hours later she selected me for her mate I'm no fool She's a wily one talking and squirming her way past my defenses She's soft beautiful and scents like a goddess but I can't let her ruin my people's only chance at freedom

Conspiracy Theories, and Lies: Information Laundering In the 21st Century ,2018-09-06 The purpose of this research broadly speaking is to expose the threat that fake news poses to our national security This thesis answers the question Can the information laundering model or a modified version of it be used to explain how the internet is exploited to spread fake

news and the resulting threat to the United States I assert that a well crafted narrative whether true or false can be spread rapidly online due to the accessibility and interconnectedness of the internet ecosystem I then articulate how these narratives can be further accelerated and disseminated when propagandists take advantage of existing processes that improve the customization ease of access and availability of information online I do this by modifying the information laundering model and then using the new model to examine the interconnectedness of search engines blogs social networking platforms and media academic outlets and how these connections can be exploited to launder false or purposefully misleading information into public discourse Finally I demonstrate how this process allows adversarial nations criminals and malicious actors to increase public discord undermine democracy and threaten Americans physical and cognitive security Contains the following studies 1 Fake News Conspiracy Theories and Lies An Information Laundering Model for Homeland Security 2 THE COMMAND OF THE TREND SOCIAL MEDIA AS A WEAPON IN THE INFORMATION AGE 3 PUTIN S PROPAGANDA WAR IS HE WINNING 4 Cyber Terrorism and Cyber Crime There Is a Difference 5 CYBERDETERRANCE IN 2035 REDEFINING THE FRAMEWORK FOR SUCCESS 6 Countering Russian Active Measures

Jason the Slave Warrior Clint Bennett,2020-11-15 They branded Martha first for no particular reason she just happened to be the adolescent girl child closest and within easy reach of the smiling slave who was doing the branding She was sobbing and crying terrified and near panicking Speaking softly in the singsong dialect of the Wolof tribe the huge slave doing the branding tried to reassure her that the pain was mild and only temporary He pointed to his own brand that stood

out distinctly on his right shoulder The brand was the Christian symbol of the cross where Jesus was crucified and murdered Still smiling he approached the girl holding the smoking red and white hot branding iron Martha could see small heat waves and light smoke coming off the branding iron and disappearing in the light wind The pain was horrendous Martha passed out and her tiny body was eased down to the dirt floor by two slaves helping with the branding There were four other brands of different designs smoldering in the white hot flames and the brander would brand thirty slaves today After years of slavery and hardship Jason would tell her as they carefully planned their escape There is a place in Florida where the slavers are afraid to go
