## **Faking It Mock Documentary And The Subversion Of Factuality:**

Faking It Jane Roscoe, Craig Hight, 2001 This book offers the first major study of mock documentary The authors examine the relatively new form along with the association between factual codes and conventions and the discourses which underpin the genre The analysis includes detailed explorations of Woody Allen s Zelig Peter Greenaway s The Falls the Beatles spoof The Rutles as well as Bob Roberts This is Spinal Tap and Man Bites Dog

**Mockumentary Comedy** Richard Wallace, 2018-07-13 This book is the first to take comedy seriously as an important aspect of the popular mockumentary form of film and television fiction It examines the ways in which mockumentary films and television programmes make visible through comedy the performances that underpin straight documentaries and many of our public figures Mockumentary Comedy focuses on the rock star and the politician two figures that regularly feature as mockumentary subjects These public figures are explored through detailed textual analyses of a range of film and television comedies including A Hard Day s Night This is Spinal Tap The Thick of It Veep and the works of Christopher Guest and Alison Jackson This book broadens the scope of existing mockumentary scholarship by taking comedy seriously in a sustained way for the first time It ultimately argues that the comedic performances by performers and of documentary conventions are central to the form s critical significance and popular appeal

*Nothing that is* Sarah Lynn Higley, Jeffrey Andrew Weinstock, 2004 Daniel Myrick and Eduardo Sanchez s The Blair Witch Project seemingly appeared from nowhere to become one of 1999 s highest grossing films While generating revenue as a low budget movie backed by a media blitz The Blair Witch Project also generated controversy and made a mockery of the Hollywood industry billing itself as real footage of a supernatural event Critics were divided over some of the most basic questions whether the film was an artistic success or the product of its hype for example and whether it challenged Hollywood conventions or succumbed to them in the end *Nothing That Is The Blair Witch Controversies* examines these and other debates and initiates some of its own about American taste for horror hoax independent films the Internet and the direction of cinema in the twenty first century The book explores the modest origins and rapid demise of this independent film while also analyzing the sensational results of its broad media discourses a Web site developing the back story of The Blair Witch Project was one of the most accessed sites on the entire Internet at the time of the movie s release These essays from many diverse perspectives also look at The Blair Witch Project s manipulation of cinematic codes its view on technology and the occult its film progenitors and even its effects on the film s setting of Burkittsville Maryland *Nothing That Is* will interest both film scholars and fans of this unexpected blockbuster that emerged from if not nothing a complex brew of culture technology and ingenuity

*POV Horror* Duncan Hubber, 2023-11-23 Drawing together strands of film theory and psychology this book offers a fresh assessment of the found footage horror subgenre It reconceptualizes landmark films including The Blair Witch Project 1999 Cloverfield 2008 Paranormal Activity 2009 and Man Bites Dog 1992 as depictions of the lived experience and social legacy of psychological trauma The author demonstrates how the frantic

cinematography and ambiguous formulation of the monster evokes the shocked and disoriented cognition of the traumatized mind Moreover the frightening effect of trauma on society is shown to be a recurring theme across the subgenre Close textual analysis is given to a wide range of films over several decades including titles that have yet to receive any academic attention Divided into four distinct sections the book examines how found footage horror films represent the effects of historical and contemporary traumatic events on Western societies the vicarious spread of traumatic experiences via mass media the sublimation of domestic abuse into haunted houses and the viewer's identification with the monster as an embodiment of perpetrator trauma

**Post-9/11 Cinema** John Markert, 2011-08-05 In contemporary society cinema has become a primary way in which people gain knowledge about events taking place in the world Films often go beyond news reports by showing in depth behind the scenes footage whether in a documentary or recreated in fictional features More than fleeting scenes of events shown on the nightly news a film can influence people's feelings about war and what our political leaders should do about it This has certainly been the case since the attack on 9 11 and the subsequent incursions into Iraq and Afghanistan In *Post 9 11 Cinema Through a Lens Darkly* John Markert takes a close look at the films depicting these events Covering cinematic portrayals of 9 11 and the attacks that followed this book examines both dramas and documentaries that depict what some have termed Bush's war as well as rebuttal films about terrorist activities and films seen from the vantage point of journalists and military personnel *Post 9 11 Cinema* not only shows how motion pictures reflect societal values but also how such works can influence social attitudes and thus promote change In addition Markert appraises the film industry and critiques how images are manipulated to sway the viewer to appreciate the side being advocated Examining such dramas as *The Messenger* *Stop Loss* *The Lucky Ones* *In the Valley of Elah* and *The Hurt Locker* as well as documentaries including *Fahrenheit 9 11* *Soldiers of Conscience* and *Taxi to the Dark Side* *Post 9 11 Cinema* is a valuable read for professors of media and mass communication popular culture and film studies as well as cultural sociologists

**The Archive Effect** Jaimie Baron, 2013-12-13 *The Archive Effect* *Found Footage and the Audiovisual Experience of History* examines the problems of representation inherent in the appropriation of archival film and video footage for historical purposes Baron analyses the way in which the meanings of archival documents are modified when they are placed in new texts and contexts constructing the viewer's experience of and relationship to the past they portray Rethinking the notion of the archival document in terms of its reception and the spectatorial experiences it generates she explores the archive effect as it is produced across the genres of documentary mockumentary experimental and fiction films This engaging work discusses how for better or for worse the archive effect is mobilized to create new histories alternative histories and misreadings of history The book covers a multitude of contemporary cultural artefacts including fiction films like *Zelig* *Forrest Gump* and *JFK* mockumentaries such as *The Blair Witch Project* and *Forgotten Silver* documentaries like *Standard Operating Procedure* and *Grizzly Man* and videogames like *Call of Duty World at War* In addition she examines the works of many experimental filmmakers including

those of Peter Forgacs, Adele Horne, Bill Morrison, Cheryl Dunye, and Natalie Bookchin      The Routledge Companion to Philosophy and Film Paisley Livingston, Carl Plantinga, 2008-10-27 The Routledge Companion to Philosophy and Film is the first comprehensive volume to explore the main themes, topics, thinkers, and issues in philosophy and film. The Companion features sixty specially commissioned chapters from international scholars and is divided into four clear parts: issues and concepts, authors and trends, genres, and film as philosophy. Part one is a comprehensive section examining key concepts, including chapters on acting, censorship, character depiction, ethics, genre interpretation, narrative reception, and spectatorship and style. Part two covers authors and scholars of film and significant theories. Part three examines genres such as documentary, experimental cinema, horror, comedy, and tragedy. Part four includes chapters on key directors such as Tarkovsky, Bergman, and Terrence Malick, and on particular films including Memento. Each chapter includes a section of annotated further reading and is cross-referenced to related entries. The Routledge Companion to Philosophy and Film is essential reading for anyone interested in philosophy of film, aesthetics, and film and cinema studies.

**The Palgrave Handbook of Screen Production** Craig Batty, Marsha Berry, Kath Dooley, Bettina Frankham, Susan Kerrigan, 2019-11-15 This handbook is an essential creative, critical, and practical guide for students and educators of screen production internationally. It covers all aspects of screen production, from conceptualizing ideas and developing them to realizing and then distributing them across all forms and formats, including fiction and non-fiction for cinema, television, gallery spaces, and the web. With chapters by practitioners, scholars, and educators from around the world, the book provides a comprehensive collection of approaches for those studying and teaching the development and production of screen content. With college and university students in mind, the volume purposely combines theory and practice to offer a critically informed and intellectually rich guide to screen production, shaped by the needs of those working in education environments where doing and thinking must co-exist. The Palgrave Handbook of Screen Production fills an important gap in creative, critical knowledge of screen production while also providing practical tools and approaches for future practitioners.
