Ephesians A Positive Affirmation:

Ephesians Leonard Griffith, 1975 Earthing the Cosmic Christ of Ephesians, Volume 1 John P. Keenan, 2021-07-28 This is the introductory volume of a multivolume verse by verse interfaith rereading of the New Testament letter to the Ephesians It looks to the Tiantai Buddhist master Zhiyi and his threefold truth to enhance our appreciation of nascent trinitarian themes in Ephesians And it draws upon a broad array of scientific theological and philosophical thinkers in aid of rejecting the epistle's ancient geocentric cosmology and its accommodations to the misogynistic patriarchal and slaveholding norms of its first century surroundings As a whole the work constitutes a twenty first century apologetic for doctrinal humility and for theologizing within a global theological commons *Earthing the Cosmic Christ of Ephesians—The Universe, Trinity, and Zhiyi's Threefold Truth, Volume 1* John P. Earthing the Cosmic Christ of Ephesians--The Universe, Trinity, and Zhiyi's Threefold Truth, Volume 4 John P. Keenan, 2024-02-26 In a Tiantai theology conventional truth is conventionally arisen which means that such truth is never set once and for all but is to be cherished and rethought in new circumstances whether interreligious or scientific but always in critical consonance with its ancient embodiments Contexts shift frameworks but life in Christ is translatable across cultures Christian faith and theology discourage the assumption that the point of it can be clearly pinned down God's appearance to Elijah out of the whirlwind is an eternal reminder of the paltriness of all human perspectives Symbolic worlds of faith and wisdom are not themselves finished products Because it has a past and a future the cosmos itself is unfinished Christian creeds ought not be defended as last word ideological positions and bastions against relativity but instead recognized in their cultural contexts and affirmed as grammars of communal and personal assent **The Greek Testament: The epistles to the Galatians, Ephesians, Philippians, Colossians, Thessalonians, to Timotheus, Titus, and Philemon**, 1877 **The Human Condition in Biblical Perspective** Harold C. Warlick, 1998 A renowned Christian communicator revises portions of his previously published material and together with a newly organized thematic format and updated focus addresses the religious issues and questions of our day In today's clamoring society Warlick applies theological reflection and ethical study to troubling and difficult issues Hal Warlick is a foremost Christian educator preacher who is not afraid to handle some of the most difficult theological and ethical issues But he writes every day language as he makes the connection between biblical concepts and emergent human conditions Each chapter is accompanied by Scripture reference and appropriate footnotes

Aquinas on Israel and the Church Matthew A Tapie, 2015-02-26 Theologians have long debated the significance of the Jewish religion for the Christian Church Some scholars see Thomas Aquinas as the leading advocate of the belief that Israel has been superceded by the Church while others hold that Aquinas avoids supersessionism altogether The discussion has however not always analysed the terminology nor has it taken into account some of Aquinas s commentaries on Paul s letters his writings most relevant to the subject Drawing upon the Pauline commentaries Matthew Tapie shows that while Aquinas s most commonly articulated view is that the passion of Christ made Jewish worship and the Mosaic law obsolete Aquinas also advanced views that set this into question in ways that support Christian teachings affirming the value of post biblical Judaism In doing so he provides both a rich and timely reminder of the ambiguities in Aquinas s thought and makes an important contribution to the literature of supersessionism

Reading Ephesians and Colossians after Supersessionism Lionel J. Windsor, 2017-10-31 The apostolic mission from Israel to the nations forms the explicit framework for Ephesians and Colossians Yet the concrete dynamics of this mission seldom play any significant role in modern interpretation Scholars frequently approach these letters as if the Jew gentile dynamics inherent in the early Christ preaching mission are either irrelevant or are negated by the letters themselves This book seeks to redress this deficiency Windsor approaches Ephesians and Colossians with an evangelical post supersessionist perspective By highlighting rather than downplaying Israel s special place in salvation history Windsor demonstrates that Jew gentile dynamics and missionary concerns are highly significant for understanding the overall

argument of these two letters The resulting readings offer a deeper appreciation of the biblical Israel centered contours in which the theological and ethical concerns of the letters are expressed Along the way Windsor demonstrates how certain texts in Ephesians and Colossians which are often read as evidence of a supersessionist perspective are capable of more fruitful and satisfactory post supersessionist interpretations He demonstrates that in these letters Christ does not negate Jewish distinctiveness Rather Christ s mission proceeds through Israel to the nations creating mutual blessing in the Messiah
