

EPIC OF THE AFTERLIFE

A Literary Approach to Swedenborg

OLOF LAGERCRANTZ

Translated by Andrew Halliengren

SWEDENBORG STUDIES SERIES

Epic Of The Afterlife A Literary Approach To Swedenborg

David Duner

Epic Of The Afterlife A Literary Approach To Swedenborg:

Epic of the Afterlife Olof Lagercrantz, 2002 One of Sweden's most illustrious writers approaches the works of Emanuel Swedenborg 1688-1772 on the spiritual realm as an epic poem **The Natural philosophy of Emanuel Swedenborg** David Duner, 2012-07-31 Although Emanuel Swedenborg 1688-1772 is commonly known for his spiritual philosophy his early career was focused on natural science During this period Swedenborg thought of the world as like a gigantic machine following the laws of mechanics and geometry This volume analyzes this mechanistic worldview from the cognitive perspective by means of a study of the metaphors in Swedenborg's texts The author argues that these conceptual metaphors are vital skills of the creative mind and scientific thinking used to create visual analogies and abstract ideas This means that Swedenborg's mechanistic and geometrical worldview allowed him to perceive the world as mechanical and geometrical Swedenborg thought with books and pens The reading gave him associations and clues forced him to interpret and gave him material for his intellectual development **Shakespiritualism** J. Kahan, 2013-02-27 This study concerns itself with a now forgotten religious group Spiritualists and how their ensuing discussions of Shakespeare's meaning his writing practices his possible collaborations and the supposed purity and or corruption of his texts anticipated accompanied or silhouetted similar debates in Shakespeare Studies Parabola, 1976 **Scandinavian Review**, 2003 *Library Journal*, 2002 Includes beginning Sept 15 1954 and on the 15th of each month Sept-May a special section School library journal ISSN 0000-0035 called Junior libraries 1954-May 1961 Also issued separately *American Book Publishing Record*, 2004 **Bibliographic Index**, 2002 **Cyclopedia of World Authors: Scot-Z. Indexes** Frank Northern Magill, 2004 **Allt om böcker**, 2003 **Books in Print Supplement**, 2002 **Reader's Guide to Literature in English** Mark Hawkins-Dady, 2012-12-06 Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo-Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study Spiritualism and Women's Writing T. Kontou, 2009-08-26 Using a wide range of unexplored archival material this book examines the spectral influence of Victorian spiritualism and Psychical Research on women's writing analyzing the ways in which modern writers have both subverted and mimicked nineteenth-century sources in their evocation of the séance *Forthcoming Books* Rose Arny, 2002 **Heaven and its Wonders and Hell** Emanuel Swedenborg, 2022-05-28 Emanuel Swedenborg's *Heaven and its Wonders and Hell* offers a profound exploration of the afterlife intricately detailing the nature of heaven and hell through a unique blend of mysticism and rational inquiry Written in the 18th century this work exemplifies Swedenborg's distinctive literary style which bridges the realms of theology and science Utilizing vivid imagery and allegorical narrative he invites readers to engage with complex metaphysical concepts fostering a deeper understanding of spiritual realities and the moral implications of human actions Swedenborg's meticulous observations of spiritual experiences

are presented with both lucidity and authority making his insights accessible to a wide audience while challenging prevailing religious doctrines of his time Emanuel Swedenborg 1688 1772 was a Swedish scientist philosopher and theologian whose extensive background in natural sciences and engineering profoundly influenced his spiritual writings Following a series of mystical experiences Swedenborg devoted his later life to exploring and documenting the details of the spiritual world believing that his revelations were intended to transform the understanding of faith His unique position as a scientific mind turned spiritual seeker led to an innovative synthesis of intellect and spirituality setting the stage for a deeper inquiry into the human soul s journey This book is a must read for anyone intrigued by the intersections of spirituality morality and human existence Swedenborg s meticulous insights into the nature of the afterlife challenge readers to reflect upon their own beliefs and the implications of their actions Whether one approaches it as a scholarly text or a spiritual guide Heaven and its Wonders and Hell remains a significant contribution to the discourse on life beyond death **Arts & Humanities**

Citation Index ,1987 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals **Journal of Dreams and Spiritual Experiences** Emanuel Swedenborg,2018-04-12

THE Department of Classical Philology of Columbia University has approved this monograph as a contribution to knowledge worthy of publication We are happy to agree and we hope that Mr Messer will be able to fulfill his promise of further contributions to his chosen subject He was led to the study of the dreams in Greek literature by the discovery which every serious student of Latin literature will make that without Greek you cannot get far into Latin for he first set out to investigate Roman dreams see Mnemosyne 45 78 92 His present work is really introductory to a more general study of the ancient dream especially as portrayed in Latin literature It deals particularly with the dreams in Homer Hesiod and the Tragedians I as a part of the machinery a motive force in the development of action narrative plot and 2 as artistic ends in themselves more or less complete more or less refined more or less natural or artificial The author has collected for his own purposes all dreams and references to dreams that he can find in Greek or Latin literature down to the second century A D and his footnotes give proof of his wide reading and of the intrinsic interest of his materials His style is somewhat inelegant and his arrangement unattractive His method is to plough solemnly through the whole field noting and discussing each dream as it appears Accordingly there is too much repetition and a bewildering abundance of cross references If only he had added a short chapter summarizing his results his work would have been more likely to be recognised for what it is a very sound and useful piece of not particularly inspired research That the author is no mere compiler is shown by many touches of just literary appreciation He is at his best in pointing out that Penelope s dream of geese and eagle Odyssey XIX is unlike other dreams in Homer an allegorical vision which demands interpretation a new departure for the epic and a model for the allegorical dreams of tragedy The second part in which the eagle returns and announces him as Odysseus is in the manner of

the older type the objective dream which tells its own tale without any mystery and this addition Mr Messer thinks is an indication that the poet felt uneasy about the introduction of the new technique pp 33 4 Excellent again is the remark p 57 that the immediate source of the dream in tragedy is to be found not in religion and cult but in the literature So is the discussion p 81 ff of the dream in Sophocles Electra where the old literary motif is adapted not so much for its mechanical effect upon the plot as for its value as a means and an excuse for the portrayal of character Finally the description of the dream in Euripides Iphigenia in Tauris as approximating to the highly chiseled miniatures in which the Alexandrian period delights strikes me as just and illuminating Where Mr Messer sticks to the literature and his own commonsense his work is sound and useful Sometimes unfortunately he is led like most of us into the dangerous by paths of cult conjecture The Classical Review Volume 33 **Death Resurrection and the Judgment V1** Emanuel Swedenborg,2014-03 This Is A New Release Of The Original 1875 Edition *Posthumous Tracts Now First Translated from the Latin of Emanuel Swedenborg* Emanuel Swedenborg,2014-03-29 This Is A New Release Of The Original 1847 Edition **A Brief View of the Heavenly Doctrines Concerning Marriage, the Life of Man After Death and the Second Advent 1828** Emanuel Swedenborg,2014-03-29 This Is A New Release Of The Original 1828 Edition

Epic Of The Afterlife A Literary Approach To Swedenborg Introduction

In today's digital age, the availability of Epic Of The Afterlife A Literary Approach To Swedenborg books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Epic Of The Afterlife A Literary Approach To Swedenborg books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Epic Of The Afterlife A Literary Approach To Swedenborg books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Epic Of The Afterlife A Literary Approach To Swedenborg versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Epic Of The Afterlife A Literary Approach To Swedenborg books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Epic Of The Afterlife A Literary Approach To Swedenborg books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Epic Of The Afterlife A Literary Approach To Swedenborg books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Epic Of The Afterlife A Literary Approach To Swedenborg books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Epic Of The Afterlife A Literary Approach To Swedenborg books and manuals for download and embark on your journey of knowledge?

FAQs About Epic Of The Afterlife A Literary Approach To Swedenborg Books

What is a Epic Of The Afterlife A Literary Approach To Swedenborg PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Epic Of The Afterlife A Literary Approach To Swedenborg PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Epic Of The Afterlife A Literary Approach To Swedenborg PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Epic Of The Afterlife A Literary Approach To Swedenborg PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Epic Of The Afterlife A Literary Approach To Swedenborg PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader:

Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
