history for over 18 000 living Episcopal deacons priests and bishops in good standing and the institutions in which they serve Orthodox Anglican Identity Charles Erlandson, 2020-04-28 While the postmodern world we inhabit is highly fragmented contested and conflicted we all have one thing in common we are experiencing identity crises Religious traditions are not immune to these crises and orthodox Anglicans have been experiencing their own issues with identity since the 2003 consecration of an openly homosexual man Orthodox Anglicans want to say who they are as both orthodox and Anglican but they are also finding it difficult to articulate a clear and coherent identity especially an Anglican one This orthodox Anglican pursuit of a renewed sense of self in a complex and fragmented world is a microcosm of our postmodern context and an examination of their quest holds enticing clues to our own urgent searches for meaning and identity Think of this book as a kind of story the story of a worldwide church who when its identity was threatened took counsel together to renew and revitalize its sense of self In the process it not only faced many dangers and difficulties but also learned much about who it was and who it wanted to be A Plague on Both Their Houses Christopher Craig Brittain, 2015-07-30 Christopher Craig Brittain offers a wide ranging examination of specific events within The Episcopal Church TEC by drawing upon an analysis of theological debates within the church field interviews in church congregations and sociological literature on church conflict The discussion demonstrates that interpretations describing the situation in TEC as a culture war between liberals and conservatives are deeply flawed Moreover the book shows that the splits that are occurring within the national church are not so much schisms in the technical sociological sense but are more accurately described as a familial divorce with all the ongoing messy entwinement that this term evokes The interpretation of the dispute offered by the book also counters prominent accounts offered by leaders within The Episcopal Church The Presiding Bishop Katharine Jefferts Schori has portrayed some opponents of her theological positions and her approach to ethical issues as being fundamentalist while other Progressives liken their opponents to the Tea Party movement **Episcopal Clerical Directory 2017** Church Publishing, 2017-09 The Episcopal Clerical Directory is the biennial directory of all living clergy in good standing in the Episcopal Church more than 18 000 deacons priests and bishops It includes full biographical information and ministry history for each cleric Crockford's Clerical Directory for 1870, 1870 The Clerical Directory of the Protestant Episcopal Church in the United States of America Episcopal Church, 1959 Episcopal Clergy Directory ,1972 Episcopal Clerical Directory 2011 Church Publishing, Church Publishing Staff, 2011-12 The Episcopal Clerical Directory 2011 is the biennial directory of all living clergy in good standing in the Episcopal Church over 18 000 deacons priests and bishops It includes full biographical information and ministry history for each cleric and links them to the 7 400 parishes and institutions in which the clergy serve Clergy entries include e mail addresses For searchable clergy or parish information visit www ECDplus org Episcopal Clerical Directory 2021 Church Publishing, 2021-09-21 A must have for every search Committee The Episcopal Clerical Directory is the biennial directory of all living clergy in good standing in the Episcopal Church more than 18 000
