**Bringing Up War-Babies** Amanda Jones, 2018-08-06 The figure of the wartime child in the mid twentieth century unsettles and disturbs This book employs a range of material biographical literary and historical to chart some of the surprising and unanticipated crossovers between women s writing and early psychoanalysis in the years of the Second World War and the decades before and after This volume includes examples of children s adventure fiction as well as works written for adult audiences and important and previously unrecognized similarities are noted The war was a disruptive influence in the lives of all who lived through it Although active self censorship is observed in the behaviour and attitudes of adults at this time this book demonstrates how fictional children are able to articulate feelings such as anxiety and fear that adults were under pressure

to conceal or to repress and at times the figure of the wartime child becomes a surrogate for the writer herself or her suppressed fears and anxiety When peace returned this study finds women writers quick to identify and communicate a discomfiting new ambivalence between parents and children

[The Secret Garden](#) Shelley King, Heather K. Cyr, 2024-11-15 The New York Times wrote of *The Secret Garden* Many authors can write delightful books for children a few can write entertaining books about children for adults but it is only the exceptional author who can write a book about children with sufficient skill charm simplicity and significance to make it acceptable to both young and old Perhaps this quality of being a book that appeals to children but remains pleasurable for adult readers is the key to the remarkable enduring popularity of this Edwardian story of horticultural redemption for its protagonists a cross unlovely little girl brought from India to an unfamiliar England and a sickly boy given to temper tantrums This Broadview Edition provides extensive historical materials related to the novel's publication and reception as well as up to date and nuanced critical context
