G. Dunn, 2006-05-17 Using Paul's letter to the Romans as the foundation for his monumental study of Paul's theology James D G Dunn describes Paul's teaching on God sin humankind Christology salvation the church and the nature of the Christian life

The Epistles of Paul the Apostle to the Galatians, Ephesians, Philippians and Colossians Jean Calvin, 1996 This is a print on demand book and is therefore non returnable This volume is one of twelve classic commentaries by John Calvin theologian par excellence of the Reformation whose expositions of Scripture remain as relevant as ever Edited by David W Torrance and Thomas F Torrance these twelve commentaries on the New Testament bring Calvin's authoritative voice to life in clear contemporary English The translations all strive to retain the close coherence of Calvin's ideas and characteristic images while remaining faithful to the Latin text doing full justice to the Reformer's qualities as one of history's finest expositors of the Word of God The Books of Philippians & Colossians Robert Gromacki, 2002-10 The book of Philippians is often referred to as the epistle of joy According to Dr Gromacki Paul teaches that this joy comes from an understanding of who Christ is and what He has done for each believer an emphasis on the gospel and a proper motivation for our actions Dr Gromacki discusses the motivation of Paul For to me to live is Christ and to die is gain 1 21 Just as people think golf when the names Arnold Palmer or Tiger Woods are mentioned so believers thought Christ when the name of Paul was mentioned Paul wanted Christ to be magnified in his body whether through living or dying for Him The challenge to the reader is What do people think of when they hear your name **The Epistle to the Philippians; The Epistles to the Colossians** Edward Hastings, 1930 *The Epistle of Paul to the Philippians and Colossians* Karl Braune, 2007-05-01 Presented here in paperback for the first time is John Peter Lange's Theologischhomiletisches Bibelwerk Intended to help preachers prepare sermons the commentary series is essentially biblical and evangelical catholic This 19th century commentary has served as a standard

reference for more than a century Many early reviewers regarded Schaff s edition with his additional material as superior to the original It has proven to be a complete and useful Commentary and continues to prove especially valuable to ministers It contains critical annotations of the text and its translation and a threefold commentary exegetical doctrinal and homiletical Under these three heads the text is viewed from every aspect

John Calvin's Bible Commentaries On St. Paul's Epistles To The Philippians, Colossians And Thessalonians John Calvin, Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation The Epistle To The Philippians stands associated with a most interesting event in the history of the progress of Christianity While the charge given to the Apostles as to the universal promulgation of the Gospel was most explicit it was in a gradual manner and for the most part under the guidance of circumstances seemingly fortuitous that their sphere of labor was extended The Epistle To The Colossians is generally supposed to have been written by Paul about A D 62 in the ninth year of the reign of the Emperor Nero It bears evidence of having been written during Paul s first imprisonment at Rome The First Epistle To The Thessalonians is generally believed to have been the first Epistle written by Paul to any of the Churches of Christ It appears to have been written towards the close of A D 52 about two years subsequently to the introduction of the Gospel into Thessalonica by the instrumentality of Paul and Silas The Second Epistle To The Thessalonians appears to have been written a short time after Paul s former Epistle to that Church The Apostle had learned that some expressions in his former Epistle in reference to the hopes of Christians beyond the grave had been misapprehended by the Thessalonian converts as though he had intended to intimate that Christ s second advent was near at hand

Paul's Letters from Prison James Leslie Houlden, 1977 Modern translations have made it clearer than ever that many of Paul s assumptions and ideas are utterly foreign to us This commentary guides the reader into a new understanding of Paul s letters and a new appreciation of his theology and ethics as having meaning for us in today s world Paul is important at two levels At the level of events it was he who brought the Church out of its Jewish cocoon At the level of doctrine it was Paul who first provided a way of formulating the significance of Jesus which made it possible to universalize his mission Paul also brought simplicity and directness into the relationship of the individual with God Finally Paul the Hellenistic Jew was able to go far in expressing the Christian gospel in terms congenial to Greeks to launch the Church s teaching safely on non semitic waters Jacket flap

Crews,2016-12-07 The book of Acts closes with Paul languishing under house arrest being guarded by Roman soldiers while awaiting Caesar s decision about his life What could he do but greet visitors and write letters We have the following four letters he wrote during this time EPHESIANS He explained believers are seated with Christ in the heavens far above all governments authorities or powers Regardless of our condition or status on earth we are present and exalted in the spiritual realm with Christ He further instructed Christ s followers how to stand against the wiles of spiritual forces of wickedness PHILIPPIANS Paul highlighted Christ s submission to the will of God to set forth the ideals of Christian maturity Paul described the guiding force of his life namely to know Christ to experience the power of His resurrection the fellowship of His suffering and ultimately to run with meaning and purpose to attain the rewards that Christ provides He urged his readers to pursue these same attitudes and maturity to maximize their fruitfulness for the kingdom of God COLOSSIANS He warned of false teachers who were teaching empty philosophies instead of Christ He strongly and explicitly spoke of the preeminence of Jesus Christ He urged believers to keep their attention and focus on Christ and Him alone He richly expressed the centrality of Jesus person work and all He provides believers In Him all things were created and all things hold together In Him dwells the sum total of divine perfection Through Christ comes peace from the blood of His cross and ensures believers will be presented to God holy blameless and beyond reproach PHILEMON Paul
