Epistles To The Colossians And To Philemon:

The Epistles to the Colossians, to Philemon, and to the Ephesians F. F. Bruce, Frederick Fyvie Bruce, 1984-10-23 F F Bruce's study of the Epistles to the Colossians to Philemon and to the Ephesians constitute a single volume in The New International Commentary on the New Testament Prepared by some of the world's leading scholars the series provides an exposition of the New Testament books that is thorough and scholarly while faithful to the infallible Word of God *The Epistles to the Colossians and to Philemon* James D. G. Dunn, 1996-03-29 Dunn's study of the Epistles to the Colossians and to Philemon is a contribution to The New International Greek Testament Commentary While interacting with significant modern New Testament research the contributors also keep in mind the needs of beginning Greek students and of pastors or laypersons not presently engaged in the study of Greek **The Epistles to the Colossians and to Philemon** C. F. D. Moule, H. C. G. Moule, 1898 *The Epistles to the Colossians and Philemon* Handley C.G. Moule, 2015-01-07 H C G Moule 1841 1920 evangelical Anglican bishop and academic was one of the foremost New Testament scholars in the Church of England in the late nineteenth and early twentieth centuries The author of more than sixty books and pamphlets Moule followed in the English scholar bishop tradition of Lightfoot and Westcott **The Epistles to the Colossians and to Philemon** Handley Carr Glyn Moule, 1893 The Epistles to the Colossians and to Philemon Handley Carr Glyn Moule, 1893

B. Lightfoot, 2016-09-01 On the completion of another volume of my commentary I wish again to renew my thanks for the assistance received from previous labourers in the same field Such obligations must always be great but it is not easy in a few words to apportion them fairly and I shall not make the attempt I have not consciously neglected any aid which might render this volume more complete but at the same time I venture to hope that my previous commentaries have established my claim to be regarded as an independent worker and in the present instance more especially I have found myself obliged to diverge widely from the treatment of my predecessors and to draw largely from other materials than those which they have collected In the preface to a previous volume I expressed an intention of appending to my commentary on the Colossian Epistle an essay on Christianity and Gnosis This intention has not been fulfilled in the letter but the subject enters largely into the investigation of the Colossian heresy where it receives as much attention as at all events for the present it seems to require It will necessarily come under discussion again when the Pastoral Epistles are taken in hand The question of the genuineness of the two epistles contained in this volume has been deliberately deferred It could not be discussed with any advantage apart from the Epistle to the Ephesians for the three letters are inseparably bound together Meanwhile however the doctrinal and historical discussions will if I mistake not have furnished answers to the main objections which have been urged while the

commentary will have shown how thoroughly natural the language and thoughts are if conceived as arising out of an immediate emergency More especially it will have been made apparent that the Epistle to the Colossians hangs together as a whole and that the phenomena are altogether adverse to any theory of interpolation such as that recently put forward by Professor Holtzmann

Excerpt from St Paul's Epistles to the Colossians and to Philemon A Revised Text With Introductions Notes and Dissertations In the commentary as well as in the introduction it has been a chief aim to illustrate and develop the theological conception of the Person of Christ which underlies the Epistle to the Colossians The Colossian heresy for instance owes its importance mainly to the fact that it throws out this conception into bolder relief To this portion of the subject therefore I venture to direct special attention About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
