## **Epistles To The Colossians To Philemon:**

**The Epistles to the Colossians, to Philemon, and to the Ephesians** F. F. Bruce, Frederick Fyvie Bruce, 1984-10-23 F F Bruce's study of the Epistles to the Colossians to Philemon and to the Ephesians constitute a single volume in The New International Commentary on the New Testament Prepared by some of the world's leading scholars the series provides an exposition of the New Testament books that is thorough and scholarly while faithful to the infallible Word of God **The Epistles to the Colossians and to Philemon** James D. G. Dunn, 1996-03-29 Dunn's study of the Epistles to the Colossians and to Philemon is a contribution to The New International Greek Testament Commentary While interacting with significant modern New Testament research the contributors also keep in mind the needs of beginning Greek students and of pastors or laypersons not presently engaged in the study of Greek **The Epistles to the Colossians and to Philemon** C. **St. Paul's Epistles to the Colossians and Philemon** J. B. Lightfoot, 2020-08-04 Reproduction of the original St Paul's Epistles to the Colossians and Philemon by J B Lightfoot St. Paul's Epistles to the Colossians and Philemon J. B. Lightfoot, 2016-09-01 On the completion of another volume of my commentary I wish again to renew my thanks for the assistance received from previous labourers in the same field Such obligations must always be great but it is not easy in a few words to apportion them fairly and I shall not make the attempt I have not consciously neglected any aid which might render this volume more complete but at the same time I venture to hope that my previous commentaries have established my claim to be regarded as an independent worker and in the present instance more especially I have found myself obliged to diverge widely from the treatment of my predecessors and to draw largely from other materials than those which they have collected In the preface to a previous volume I expressed an intention of appending to my commentary on the Colossian Epistle an essay on Christianity and Gnosis This intention has not been fulfilled in the letter but the subject enters largely into the investigation of the Colossian heresy where it receives as much attention as at all events for the present it seems to require It will necessarily come under discussion again when the Pastoral Epistles are taken in hand The question of the genuineness of the two epistles contained in this volume has been deliberately deferred It could not be discussed with any advantage apart from the Epistle to the Ephesians for the three letters are inseparably bound together Meanwhile however the doctrinal and historical discussions will if I mistake not have furnished answers to the main objections which have been urged while the commentary will have shown how thoroughly natural the language and thoughts are if conceived as arising out of an immediate emergency More especially it will have been made apparent that the Epistle to the Colossians hangs together as a whole and that the phenomena are altogether adverse to any theory of interpolation such as that recently put forward by Professor Holtzmann **The Epistles to the Colossians and Philemon** Handley C.G.
