Equal Rites Lesbian And Gay Worship Ceremonies And Celebrations:

Equal Rites Kittredge Cherry, Zalmon O. Sherwood, 1995-01-01 Equal Rites is a much needed collection of worship services ceremonies and celebrations that is attuned to the unique needs of sexual minorities The selections written primarily by lesbians and gay men include rites of spiritual beginnings healing blessings holy communion and pride and empowerment Also included are funeral memorial services and seasonal and holiday rites for couples More than a collection Equal Rites can also serve as a reference book for creating unique and meaningful worship services that address significant aspects of lesbian and gay spirituality

Bodies of Worship Bernard J. Cooke, 1999 Bodies of Worship explores how the ecclesial ritual individual and cultural bodies engaged in the Church's worship contribute to the theory and practice of both liturgical theology and pastoral ministry The authors bring solid historical and theoretical scholarship to bear on the practice and experience of the liturgy and spirituality of the Church

Queering Christian Worship Bryan Cones, 2023-11-21 A groundbreaking collection of writings that place queer ritual at the center of the theological conversation In this collection of essays leading scholars in queer theology and liturgical studies explore the ways in which the distinctive theological voices of LGBTQIA Christians challenge and expand thinking and practice around worship in new directions This challenge has expanded in the past decades as obstacles to the full participation of queer Christians particularly in marriage and ordination have fallen Organized into three main parts the volume begins with an introduction to queer engagement with ritual practices continues with a series of case studies that examine queer texts and contexts and concludes with an examination of the horizons of queer liturgical theology and practice Throughout the volume Queering Christian Worship provides new imagination and tools to those who study and curate Christian worship across traditions

Recognizing Ourselves Ellen Lewin, 1998 The author offers a comprehensive account of lesbian and gay weddings in modern America through interviews resulting in a series of detailed profiles which show how new traditions and ultimately new families are emerging within contemporary America

Celebrating Interfaith Marriages Devon A. Lerner, 2011-04-01 The first comprehensive wedding guide specifically for the Jewish Christian couple who wants to honor both religious traditions in their service vows and readings Saying I do is one of the happiest moments in a couple's life together but planning that trip to the altar can be a stressful ordeal The minute an engagement is announced two full clans want to celebrate the union their way When one of those families is Jewish 50 percent of whom now marry outside their faith and the other is Christian the religious details can increase the pressure on the bride and groom to be Celebrating Interfaith Marriages provides all of the expert advice on how to combine elements of the two faiths so everyone can rejoice with the bride and groom on their wedding day Devon Lerner draws from her twenty years of officiating interfaith weddings as she discusses the significance of vows and traditions unique to both faiths and suggests how to incorporate them into a service that is balanced and beautiful She provides Christian and Jewish services readers can mix and match as well as custom bled ceremonies contributed by couples who have worked with

her over the years There s a chapter on how to avoid crashes on issues like location when the ceremony takes place and whether the bride and groom should see each other before meeting at the altar A full section of readings both biblical and secular are here too as well as anecdotes that will reassure and amuse No interfaith couple will want to be without this essential handbook when they plan their special day *Religion and LGBTQ Sexualities* Stephen Hunt,2016-12-05 This compiled and edited collection engages with a theme which is increasingly attracting scholarly attention namely religion and LGBTQ sexuality Each section of the volume provides perspectives to understanding academic discourse and wide ranging debates around LGBTQ sexualities and religion and spirituality The collection also draws attention to aspects of religiosity that shape the lived experiences of LGBTQ people and shows how sexual orientation forges dimensions of faith and spirituality Taken together the essays represent an exploration of contestations around sexual diversity in the major religions the search of sexual minorities for spiritual safe spaces in both established and new forms of religiosity and spiritual paths formed in reconciling and expressing faith and sexual orientation This collection which features contributions from a number of disciplines including sociology anthropology psychology history religious studies and theology provides an indispensable teaching resource for educators and students in an era when LGBTQ topics are increasingly finding their way onto numerous undergraduate post graduate and profession orientated programmes **Authorizing Marriage?** Mark D.

Jordan,2009-01-10 The opponents of legal recognition for same sex marriage frequently appeal to a Judeo Christian tradition But does it make any sense to speak of that tradition as a single teaching on marriage Are there elements in Jewish and Christian traditions that actually authorize religious and civil recognition of same sex couples And are contemporary heterosexual marriages well supported by those traditions As evidenced by the ten provocative essays assembled and edited by Mark D Jordan the answers are not as simple as many would believe The scholars of Judaism and Christianity gathered here explore the issue through a wide range of biblical historical liturgical and theological evidence From David s love for Jonathan through the singleness of Jesus and Paul to the all male heaven of John s Apocalypse the collection addresses pertinent passages in the Hebrew Bible and the New Testament with scholarly precision It reconsiders whether there are biblical precedents for blessing same sex unions in Jewish and Christian liturgies The book concludes by analyzing typical religious arguments against such unions and provides a comprehensive response to claims that the Judeo Christian tradition prohibits same sex unions from receiving religious recognition The essays most of which are in print here for the first time are by Saul M Olyan Mary Ann Tolbert Daniel Boyarin Laurence Paul Hemming Steven Greenberg Kathryn Tanner Susan Frank Parsons Eugene F Rogers Jr and Mark D Jordan *Defending Same-Sex Marriage* Martin Dupuis,William A. Thompson,Traci C. West,2006-12-30 Today we find ourselves at a crossroads of two powerful unrelenting currents that are completely at odds with one another The movement for legal recognition of same sex unions has gone beyond the separate but equal status of civil unions to demand equality in marriage for all couples Progress is being made on many fronts mayoral

action clergy officiating at same sex marriage and union ceremonies state legislative responses and street protests to name a few Meanwhile opposition to same sex marriage has also been gathering strength The struggle is sure to continue unabated for some time to come pitting those who believe in the traditional definition of marriage as a union between a man and a woman and who seek to codify this belief in the U S Constitution against those who find the basis for marriage between two loving committed individuals not only in the history of our civil rights legislation and court decisions but also in scripture and sacred religious traditions Those who believe in extending to same sex couples the 1 049 rights conferred by marriage as well as the supportive embrace of religious communities seek to strengthen the institution of marriage by making it inclusive and by passing laws and broadening doctrines to uphold marriage rights for all couples This three volume set clarifies the legal political religious cultural and social ramifications of same sex marriage for gay and lesbian couples and their families and friends and for the general public interested in the future of civil rights in the United States

Worship for the Whole People of God, Second Edition Ruth C. Duck, 2021-02-23 This revised edition of the popular textbook on worship by renowned hymn writer and professor Ruth C Duck provides theological foundations for worship and explores the ways Christians have adapted worship to various cultures to help them live faithfully and to communicate the gospel to others The author celebrates the many languages and cultural settings in which the gospel has been and is preached sung and prayed The goal of this volume is to support good pastoral and congregational reflection on what worship is and does Consequently Duck discusses many different forms of worship from several cultures African American Asian Euro American and offers advice on how to read a congregation and define its culture in order to plan culturally appropriate worship She includes many practical suggestions for preparing and leading worship including diverse ministries of music movement and visual arts that are becoming more popular today From worship's theological underpinnings the book turns to worship leadership forms of prayer preaching the sacraments ordination and various other liturgies Because of its emphasis on vital and Spirit led worship this comprehensive book on Christian worship will be used in years to come not only as a core textbook for seminarians and ministry students from a variety of cultures and traditions but also as a resource for local church pastors and laity who are dedicated to the enlivening of Christian worship In this new edition Duck updates and expands the recommended resources updates the section on worship trends enhances the section on multicultural worship and revises marriage information based on cultural and denominational changes Highlights include stories of four churches that are developing creative ways to grow and meet the possibilities and challenges of these times especially in seeking justice serving people in their neighborhood and building bridges among cultures and religious groups In addition a new appendix by David Gambrell addresses the theological and practical questions surrounding online worship in the context of the Covid 19 pandemic and beyond

Liturgy Stephen Burns, 2006 The SCM Studyguide to Liturgy is an introduction to liturgy that considers the basic building blocks needed to grasp the subject area It outlines the essential shape and content of Christian

worship and explores a range of liturgical dynamics of which both students of liturgy and leaders of liturgy need to be aware. The book is designed as an introductory resource for the study of liturgy at level one in theological colleges and university courses and will also be use to local preachers readers local ministry teams and clergy wanting to look afresh at liturgy as they employ the recently revised rites of their tradition. It includes sections on scripture and sacrament space and symbol music and song discipleship and learning as well as style and substance cycles and crises the fullness of life and nurturing the Christian community.

We Were Baptized Too Marilyn Bennett Alexander, James Preston, 1996-01-01 Within the liturgy congregations pledge to accept love forgive and nurture the newly baptized member. The church however often lives out this covenant selectively forcing its gay and lesbian members into silence alienation and doubt. *We Were Baptized Too* challenges the church to take seriously its understanding of baptism and communion as a means of grace justice and liberation.

New Feminist Christianity Mary E. Hunt, Diann L. Neu, 2012-01-01 Powerful insights from ministers theologians activists leaders artists and liturgists who are shaping the future. Christianity has been a source of the oppression of women as well as a resource for unleashing women's full humanity. Feminist analysis and practice have recognized this. Feminist Christianity is reshaping religious institutions and religious life in more holistic inclusive and justice focused ways. From the Introduction Feminism has brought many changes to Christian religious practice. From inclusive language and imagery about the Divine to an increase in the number of women ministers. Christian worship will never be the same. Yet even now there is a lack of substantive structural change in many churches and complacency within denominations. The contributors to this book are the thought leaders who are shaping and being shaped by the emerging directions of feminist Christianity. They speak from across the denominational spectrum and from the many diverse groups that make up the Christian community as it finds its place in a religiously pluralistic world. Taken together their voices offer a starting point for building new models of religious life and worship. Topics covered include feminist Theological Visions Scriptural Insights Ethical Agendas Liturgical and Artistic Frontiers Ministerial Challenges.

Gifted by Otherness L. William Countryman, M. R. Ritley, 2001-09 As outsiders gay men and lesbians challenge the church to be inclusive of all God's children the central message of the gospel God has drawn us to this difficult place they write in order to reveal God's grace to us and in us and through us. Basing their book on retreats they have presented to churches and seminaries Countryman and Ritley explore what it means to affirm not merely accept being gay or lesbian as well as Christian. Written primarily for the lesbian gay community and for their families and communities they explore the ways in which the gay and lesbian community can appropriate and re tell the biblical story and find confidence in their unique spiritual journey and gifts. This pro active and self affirming book provides new hope for those who feel that it is impossible to be gay or lesbian as well as Christian.

Worship for the Whole People of God Ruth C. Duck, 2013-01-01 This new book on worship by renowned hymn writer and professor Ruth C Duck provides theological foundations for worship and explores the variety of ways Christians have adapted worship to various cultures to help them

live faithfully and to communicate the Gospel to others The author celebrates the many languages and cultural settings in which the Gospel has been and is preached sung and prayed The goal of this volume is to support good pastoral and congregational reflection on what worship is and does Consequently Duck discusses many different forms of worship from several cultures African American Asian Euro American and offers advice on how to read a congregation and define its culture in order to plan culturally appropriate worship Although the book does not offer prescriptive formulas or advise a single pattern of worship it includes many practical suggestions for preparing and leading worship including diverse ministries of music movement and visual arts that are becoming more popular today From worship s theological underpinnings the book turns to worship leadership forms of prayer preaching the sacraments ordination and various liturgies Because of its emphasis on Spirit led worship this comprehensive book on Christian worship will be used for years to come not only as a core textbook for seminarians and ministry students from a variety of cultures and traditions but also as a resource for local church pastors and laity who are dedicated to the enlivening of Christian worship

This Assembly of Believers Bryan Cones,2020-11-30 Among the symbols with which the liturgy deals none is more important than this assembly of believers This claim made in the 1970s forces the local church to consider those within its congregation and recognise the gifts and challenges of difference within the church community In This Assembly of Believers Bryan Cones seeks to take seriously the pastoral context of a congregation recognising the physical ability gender and sexuality of those who make up the congregation Starting each chapter with their lived experience Cones poses important questions of the liturgy in light of these experiences before realigning the liturgy to demonstrate the positive theological significance of the marginalised within the congregation

Rainbow Theology Patrick S. Cheng,2013-04 To date no book has systematically examined the theological writings of LGBT people of color Nor has any book explored how such writings might actually transform contemporary theological reflections on race and sexuality This book remedies these gaps by constructing a rainbow theology around the theme of bridging or mediation Rainbow Theology is the first book to reflect upon the theological significance of the intersections of race and queer sexuality across multiple ethnic and cultural groups This is particularly important in light of the current polarizing debates over issues of race sexuality and religion within churches and communities of faith around the world

Resources for Preaching and Worship-Year A Hannah Ward,Jennifer Wild,2004-01-01 This is the third volume published in a three volume set of lectionary resources providing preachers and worship leaders of all denominations a host of written material for worship and reflection Designed to complement the three volumes in WJK s acclaimed Texts for Preaching this book weaves together a rich tapestry of quotations meditations poems and prayers With material from both classic and contemporary spiritual writings Resources for Preaching and Worship complements the lectionary readings for Sundays and important festival days in the church s year Biblical and thematic indexes are included

Now that You're Out of the Closet Linda Handel,2000 A witty helpful book that offers

solid advice for gay men and women on a full range of life concerns including lingering childhood issues dating sex and love spirituality dealing with intolerance and addressing addictions in a way that is always direct open and honest lambdarising com **Trans Bodies, Trans Selves** Laura Erickson-Schroth, 2014 Trans Bodies Trans Selves is a groundbreaking personal and informative guide for the transgender population covering health legal issues cultural and social questions history theory and more It is a place for transgender and gender questioning people their partners and families students professors guidance counselors and others to look for up to date information on transgender life Preaching the Wedding Sermon Susan Karen Hedahl, 1999

Unveiling the Power of Verbal Art: An Mental Sojourn through **Equal Rites Lesbian And Gay Worship Ceremonies And Celebrations**

In a global inundated with monitors and the cacophony of immediate transmission, the profound power and psychological resonance of verbal art usually disappear into obscurity, eclipsed by the constant barrage of noise and distractions. Yet, located within the lyrical pages of **Equal Rites Lesbian And Gay Worship Ceremonies And Celebrations**, a fascinating work of literary elegance that pulses with raw thoughts, lies an unique trip waiting to be embarked upon. Written by a virtuoso wordsmith, this magical opus manuals readers on a mental odyssey, gently revealing the latent possible and profound impact embedded within the intricate web of language. Within the heart-wrenching expanse with this evocative analysis, we shall embark upon an introspective exploration of the book is central subjects, dissect its interesting writing model, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
